

ABOUT THE WORKSHOP

OBJECTIVE

To equip the undergraduate students of Telangana with the French Language skills needed to clear DELF examinations and seek employment opportunities globally, the TSCHE has decided to introduce a new approach of teaching French by introducing a new textbook Cosmopolite as per the Common European Framework of Reference for Languages.

This workshop aims to upskill all the French teachers (teaching at UG level) on the new syllabus - both content and teaching methodologies.

SESSIONS

Resource Persons from Osmania University, English and Foreign Languages University, Alliance Francaise will be delivering lectures on different elements of teaching French as Second language.
