Formal Interactive Session with Heads of Departments at JNT University: Emphasizing Multidisciplinary Education for the 21st Century

Hyderabad, A formal interactive session was held today with all Heads of Departments at JNT University, where **Prof. V. Balakista Reddy, Chairman of TGCHE**, engaged in a productive discussion about the university's practices and future directions. The session focused on the need to embrace emerging technologies and integrate them into multidisciplinary education to better prepare students for the challenges of the 21st century.

During the session, Prof. Reddy enquired about various academic practices and current initiatives at JNTU. He emphasized the importance of staying ahead of the curve by incorporating cutting-edge technological tools and methodologies into academic curricula, which he believes will greatly benefit both students and society at large. His vision was clear: to ensure that the university's educational offerings remain relevant, dynamic, and aligned with global advancements.

Dr. K. Vijaya Kumar Reddy, Rector, and Prof. K. Venkateswara Rao, Registrar of JNT University, also provided an overview of the university's infrastructure, academic programs, and ongoing efforts to foster innovation and research across disciplines.

This session marks a significant step toward creating a more technology-integrated and interdisciplinary approach to higher education, in line with the demands of the rapidly evolving global landscape.

Regards,
Press & Media Cell
O/o Chairman, TGCHE.
