Press Release

The general objective of this Memorandum of Understanding (MOU) is to stimulate and facilitate the development of collaborative and mutually beneficial programs which serve to enhance the intellectual life and cultural development in Telangana and to contribute to increased international cooperation in the field of Higher Education. American Telugu Association and Telangana State Council of Higher Education have agreed that in support of their mutual interests in the field of education and research the MOU is arrived at.

The broad objectives of the MoU are:

- Preparation of consolidated programmes in the sphere of Higher Education in the State and to evolve perspective plans for development of Higher Education in the State.
- Promote cooperation and coordination of the Educational Institutions among themselves and explore the scope for inter-action with industry and other related establishments and to encourage and promote innovations in curricular development, restructuring of Courses and updating of syllabi in the University and the Colleges.

The two Institutions herewith agree to:

- Conduct Seminars, Conferences, Workshops etc to disseminate information about Higher Education opportunities in USA and India
- Provide guidance regarding career opportunities and options for visiting students from India and USA
- Work with Universities and other educational institutions and foster cooperation between USA & India
- Cooperate in the exchange of information relating to their activities in teaching and research in fields of mutual interests
- Promote appropriate joint research projects with particular emphasis on internationally funded projects
