

The Working Committee of the TSCHE organised a workshop on "Reforms in Higher Education for Innovation" on November 7, 2017 in TSCHE committee hall. The Chairman Prof. T. Papi Reddy, Vice Chairmen Prof. Limbadr and Prof Venkata Rmana, Vice Chancellors of the State Universities, Mr Jayesh Ranjan, Pricipal Secretary, Dept of Education & Industries, Mr Harpreet Singh, Secretary To H.E. Governor, representatives of NASSCOM, Industries, Research Institutes and representatives of Microsoft and Google attended and participated in the deliberations.

It was decided to constitute three sub committees on internship, Incubators and syllabus reforms. These committees will have academicians, Industry experts and other stakeholders as members.

The incubation centres will come up in five universities. It was also proposed to give an opportunity to the students to opt for a break year for intern ship/ project work.

It was also decided to establish 50 centres across the state to create awareness among students about various vacancies under central government.
