16.	Chairman, TGCHE Highlights Importance of Stress Management for Academic Excellence and Employability at National Seminar	19
17.	Japanese Legal Expert and Diplomat Interacts with TGCHE Leadership on Academic and Cultural Collaboration	21
18.	Chairman, TGCHE, Graces HMTV Technical Education Awards 2025	22

Editorial

“Education is the manifestation of the perfection already in man.”

— Swami Vivekananda

Dear Readers,

It gives me great pleasure to share the April 2025 edition of our newsletter, which captures yet another month of dedicated progress, policy dialogue, and collaborative vision in strengthening higher education across Telangana.

This April was marked by impactful engagements that align with our mission to make Telangana a national leader in accessible, innovative, and industry-relevant education.

I had the honour of addressing thought leaders and education stakeholders at various forums, including the Faculty Development Programme at Government City College, which emphasized the role of public policy and governance in institutional transformation. The Silver Jubilee Valedictory Function of Telangana Yuvathi Mandali, graced by the Hon'ble Governor, was a heartening reminder of the power of women's leadership in social and educational spheres.

At Dr. BR Ambedkar Open University, I had the privilege to speak at the World History Congress, reinforcing the need to link historical knowledge with contemporary global citizenship. The Faculty Development Program at Osmania and Kakatiya Universities, supported by the British Council, was another notable step in curriculum enrichment, especially in the fields of commerce and humanities.

Our commitment to fostering entrepreneurship and sustainability was echoed at St. Joseph's College, where I addressed the International Conference on Empowering Tomorrow's Business Landscape. These platforms are crucial in integrating AI, inclusion, and sustainability into our educational fabric.

The month concluded with yet another forward-looking initiative—the launch of IDE Boot Camps for Teachers at Pallavi Engineering College. Here, the emphasis was on nurturing a culture of innovation, design, and entrepreneurship at the faculty level, which will have a multiplier effect on student learning and outcomes.

These engagements are not mere events—they are stepping stones in building a learner-centric, globally aligned, and socially responsive higher education ecosystem. Drawing from Swami Vivekananda's philosophy, we believe that true education enables every individual to discover their inner potential and rise as a contributor to national development.

I thank all the institutions, faculty members, student leaders, and policy partners who made April 2025 a memorable chapter in our shared journey. Let us continue to lead with vision, act with purpose, and educate with heart.

Chairman, TGCHE Graces NCC Cadet Programme at GDC Khairatabad as Chief Guest

Chairman, TGCHE with NCC Cadets at GDC Khairatabad

The Chairman, TGCHE graced the NCC Cadet Programme convened by Government Degree College, Khairatabad as the Chief Guest on 02.04.2025. The event, marked by its spirit of discipline, patriotism, and youth engagement, showcased the exemplary performance and commitment of the National Cadet Corps (NCC) cadets.

In his address, the Chairman lauded the efforts of the NCC in nurturing future leaders with strong values, physical endurance, and a deep sense of civic responsibility. He highlighted the vital role of such initiatives in instilling leadership qualities, national pride, and social consciousness among students. Encouraging the cadets, he said, "The values you embody today—discipline, unity, and service—are the foundation of tomorrow's strong and inclusive India."

The programme featured impressive drills, cultural performances, and demonstrations that reflected the cadets' rigorous training and dedication. The Principal of GDC Khairatabad, faculty members, and NCC officers extended their heartfelt gratitude to the Chairman for his inspiring presence and continued support for youth development programmes.

TGCHE remains committed to promoting holistic education that integrates academic excellence with character-building initiatives such as NCC, NSS, and other co-curricular platforms.

Prof. V. Balakista Reddy, Chairman, TGCHE, attends National Workshop on Impact of AI at Institute of Public Enterprise

Prof. V. Balakista Reddy, Chairman, TGCHE, at the National Workshop on AI, IPE Hyderabad

Prof. V. Balakista Reddy, Chairman, Telangana State Council of Higher Education (TGCHE), attended as Chief Guest at the National Workshop on the Impact of Artificial Intelligence, convened by the Institute of Public Enterprise (IPE), Hyderabad on 03.04.2025.

Addressing a gathering of academicians, researchers, policymakers, and students, Prof. Reddy emphasized the transformative potential of Artificial Intelligence in reshaping education, governance, industry, and society at large. He highlighted the need for academic institutions to adopt a multidisciplinary approach to AI, integrating ethics, policy, and innovation into the learning ecosystem.

"AI is not just a technological revolution — it is a societal shift. Our educational institutions must

prepare students not just to use AI, but to shape its future responsibly," he remarked during his keynote address.

The workshop brought together thought leaders to deliberate on emerging AI trends, opportunities for public policy, ethical concerns, and the role of higher education in skilling youth for an AI-driven future. The Chairman lauded IPE's efforts in organizing such a timely and impactful event and assured continued support from TGCHE for academic-industry collaborations in frontier technologies.

TGCHE remains committed to fostering innovation, digital literacy, and future-ready competencies among students and educators across Telangana.

The Telangana Council of Higher Education (TGCHE) Convened a Meeting with the Vice-Chancellors of Conventional Universities

The Chairman, TGCHE convened a meeting with the Vice-Chancellors of Conventional Universities

The Telangana Council of Higher Education (TGCHE) convened a meeting with the Vice-Chancellors of Conventional Universities on April 4, 2025, at the TGCHE Conference Hall, under the chairmanship of Prof. V. Balakista Reddy, Chairman, TGCHE, to deliberate on academic and administrative reforms in the higher education landscape of Telangana.

The meeting was attended by Vice-Chancellors of Osmania University, Kakatiya University, Telangana University, Mahatma Gandhi University, Palamuru University, Satavahana University, and Chakali Illamma Women's Univ along with the Vice Chairmen and Secretary of TGCHE.

Several key resolutions were taken to enhance the quality and relevance of higher education in the state:

- **Revamp of UG Curriculum:** A 20% revision of the undergraduate syllabus will be undertaken to incorporate emerging areas such as Artificial Intelligence, Cybersecurity, Fintech, and Research Aptitude. The revised syllabus will be implemented from the academic year 2025-26.
- **Student-Centric and Pedagogical Reforms:** Structured Learning Units will be introduced, and Faculty Development Programs will be rolled out through digital platforms, including a strategic MoU with T-SAT for wider content dissemination.
- **New Assessment Pattern:** A Continuous Assessment Pattern (CAP) with a 100-mark distribution (Project Work/ Assignment – 25, Midterm – 25, End Semester – 50) will be

adopted to ensure ongoing evaluation of students.

- **Common Academic Calendar:** All universities have agreed on a unified academic calendar and final UG examinations to be completed by April 30 each year, allowing smooth conduct of Common Entrance Tests (CETs) in May.
- **Affiliation Process Streamlining:** Deadlines have been fixed for affiliation of Law, Professional, and Degree colleges. Universities have been directed to thoroughly verify the approved intake before granting affiliation, due to noted discrepancies between sanctioned intake and actual admissions.
- **Course Conversion Guidelines:** Conversion of UG courses is considered for A.Y. 2025-26.
- **CPGET 2025:** Osmania University will conduct CPGET 2025 for all PG courses.
- **DOST Admissions:** DOST notification will be released after the declaration of Intermediate results. Hence, all universities have been instructed to upload accurate college and course data on the DOST portal by April 30, 2025.
- The Vice-Chancellors also unanimously agreed for the removal of the existing Bucket System for UG courses and called upon TGCHE to formulate guidelines for monitoring Autonomous Colleges.

The Chairman, TGCHE, Prof. V. Balakista Reddy, thanked all participants and reaffirmed the Council's commitment towards fostering academic excellence, transparency, and innovation in Telangana's higher education sector.

"Telangana Universities to Focus on Career-Oriented Education : CM Holds Review with Vice Chancellors"

Hon'ble CM Revanth Reddy Discussing Higher Education Reforms with University Vice Chancellors and key officials.

Chief Minister Emphasizes Student-Centric Approach in Universities Focus on Market-Relevant Courses and Holistic Infrastructure Development

Hyderabad: In a significant step towards transforming higher education in Telangana, Hon'ble Chief Minister Shri A. Revanth Reddy chaired a high-level review meeting with Vice Chancellors of state universities at the Integrated Command and Control Centre (ICCC), Hyderabad. The Chief Minister stressed the need for all universities in the state to function with a student-centric approach, aligning academic offerings with the emerging needs of the job market.

The Chief Minister emphasized that courses with limited relevance must be phased out and replaced with demand-driven and career-oriented programs, particularly in government universities where the majority of students come from economically weaker and rural backgrounds. "Our teaching must pave the way for a brighter future for these students, empowering them to compete with their peers from private universities," he stated.

CM Revanth Reddy pointed out that while private universities are attracting students from financially stronger families with their market-aligned courses, government universities must adapt quickly to offer similar opportunities. He called for restructuring of academic programs, assigning administrative responsibilities to professors associated with obsolete courses, and avoiding turning universities into mere rehabilitation centers for faculty.

During the meeting, Vice Chancellors brought to the CM's attention the pressing issues of faculty shortages, inadequate infrastructure, and funding constraints. In response, the Chief Minister assured them of the government's commitment to allocating necessary funds and directed all universities to prepare detailed reports on their respective needs — including faculty recruitment, building infrastructure, and other academic facilities.

Further, the CM advised that a comprehensive consultation be held with the Government Advisor Shri K. Keshav Rao, following which a consolidated report, along with university-wise action plans, should be submitted to the government for further consideration.

The meeting was attended by key dignitaries including CM's Advisor Shri Venkata Narendar Reddy, Government Advisors Shri K. Keshav Rao and Shri Srinivasa Raju, TSCHE Chairman Prof. R. Limbadri, Principal Secretary to CM Shri Manik Raj, Education Secretary Smt. Yogita Rana, Commissioner of Technical Education Smt. A. Sridevasena, Director of School Education Shri Narasimha Reddy, and several university Vice Chancellors and education commission members.

This meeting marks a pivotal moment in the state's efforts to redefine the role of public universities in fostering inclusive, quality, and employment-oriented higher education in Telangana.

Prof. V. Balakista Reddy, Chairman, TGCHE, Graces Annual Day Celebrations at Sreyas Institute of Engineering and Technology

"Prof. V. Balakista Reddy, Chairman, TGCHE, at Annual Day Celebrations of Sreyas Institute of Engineering and Technology.

Prof. V. Balakista Reddy, Chairman of the Telangana State Council of Higher Education (TGCHE), attended as the Chief Guest at the Annual Day Celebrations of Sreyas Institute of Engineering and Technology, held on April 4, 2025.

In his keynote address, Prof. Reddy congratulated the institution for its commitment to academic

excellence, innovation, and holistic student development. He encouraged students to embrace technological advancements, cultivate critical thinking, and contribute meaningfully to nation-building.

"Engineering education must go beyond classrooms—nurturing ethical leadership, social responsibility, and a spirit of innovation among young minds," he remarked. He also highlighted TGCHE's initiatives aimed at enhancing employability, industry collaboration, and digital

transformation in higher education across Telangana.

The event featured cultural performances, student recognitions, and a showcase of innovative projects, reflecting the vibrant academic and extracurricular culture of the institute.

TGCHE commends Sreyas Institute for its proactive efforts in shaping future-ready engineers and fostering an environment of excellence.

Prof. V. Balakista Reddy, Chairman, TGCHE, Attends National Seminar on Role of AI in Commerce and Management at Dr. BRR Government Degree College, Jadcherla

"Prof. V. Balakista Reddy, Chairman, TGCHE, addressing participants at the National Seminar on AI in Commerce & Management at Dr. BRR Government Degree College, Jadcherla"

Prof. V. Balakista Reddy, Chairman of the Telangana State Council of Higher Education (TGCHE), attended as the Chief Guest at the National Seminar on "Role of Artificial Intelligence in Commerce and Management: Issues and Prospects", organized by the Department of Commerce, Dr. B.R.R. Government Degree College, Jadcherla, on April 9, 2025, in blended mode.

In his inaugural address, Prof. Reddy highlighted the transformative impact of Artificial Intelligence on the fields of commerce, management, and business analytics. He emphasized the importance of equipping students and faculty with the knowledge and tools necessary to navigate the AI-driven landscape of modern industry.

"Commerce and Management education must evolve in tandem with technology. AI is not just a tool—it is a strategic asset shaping decision-making, consumer behavior, and operational efficiency," he remarked.

He appreciated the college's initiative to bring together scholars, practitioners, and students on a platform to explore the intersection of AI and

business education. The seminar featured thought-provoking sessions, expert talks, and paper presentations from across the country, fostering academic discourse on emerging trends and challenges.

TGCHE continues to support such academic initiatives that promote interdisciplinary learning and technological adaptability among students and educators in Telangana.

Chairman, TGCHE, Graces Osmania University Management Fest as Chief Guest

“Chairman, TGCHE, addresses aspiring leaders at the Osmania University Management Fest 2025.”

The Department of Business Management, Osmania University, hosted its much-anticipated Management Fest on April 11, 2025. The event was honored by the presence of the Prof. V. Balakista Reddy, Chairman, Telangana Council of Higher Education (TGCHE) as the Chief Guest.

In his keynote address, the Chairman emphasized the pivotal role of such fests in shaping future leaders by fostering innovation, collaboration, and leadership. He shared valuable insights on the current landscape of management education, highlighting that while management remains a popular choice among students – with over 35,000 enrolled in Telangana alone – employability continues to be a challenge due to skill gaps in areas such as business analytics, digital tools, and communication.

Pointing to the evolving expectations of industry, he urged students to equip themselves with digital competencies, stay updated with global trends, and embrace real-world learning through internships and projects. He noted that the future of management demands adaptive leadership, ethical decision-making, and a focus on sustainability and entrepreneurship.

Reiterating the Council's commitment to transforming management education, he mentioned ongoing efforts in curriculum reforms, industry-academia linkages, and skill-based certification programs.

The Chairman lauded the Department's efforts in organizing the fest and encouraged students to rise as empowered, ethical leaders ready to contribute meaningfully to India's economy and society.

Chairman, TGCHE Graces THARANGAM - 2025 at SCIENT Educational Institutions

The National Level Techno-Cultural Fest, THARANGAM - 2025, organized by SCIENT Educational Institutions, witnessed an inspiring address by the Chairman of the Telangana State Council of Higher Education (TGCHE), who attended the event as Chief Guest on April 11, 2025.

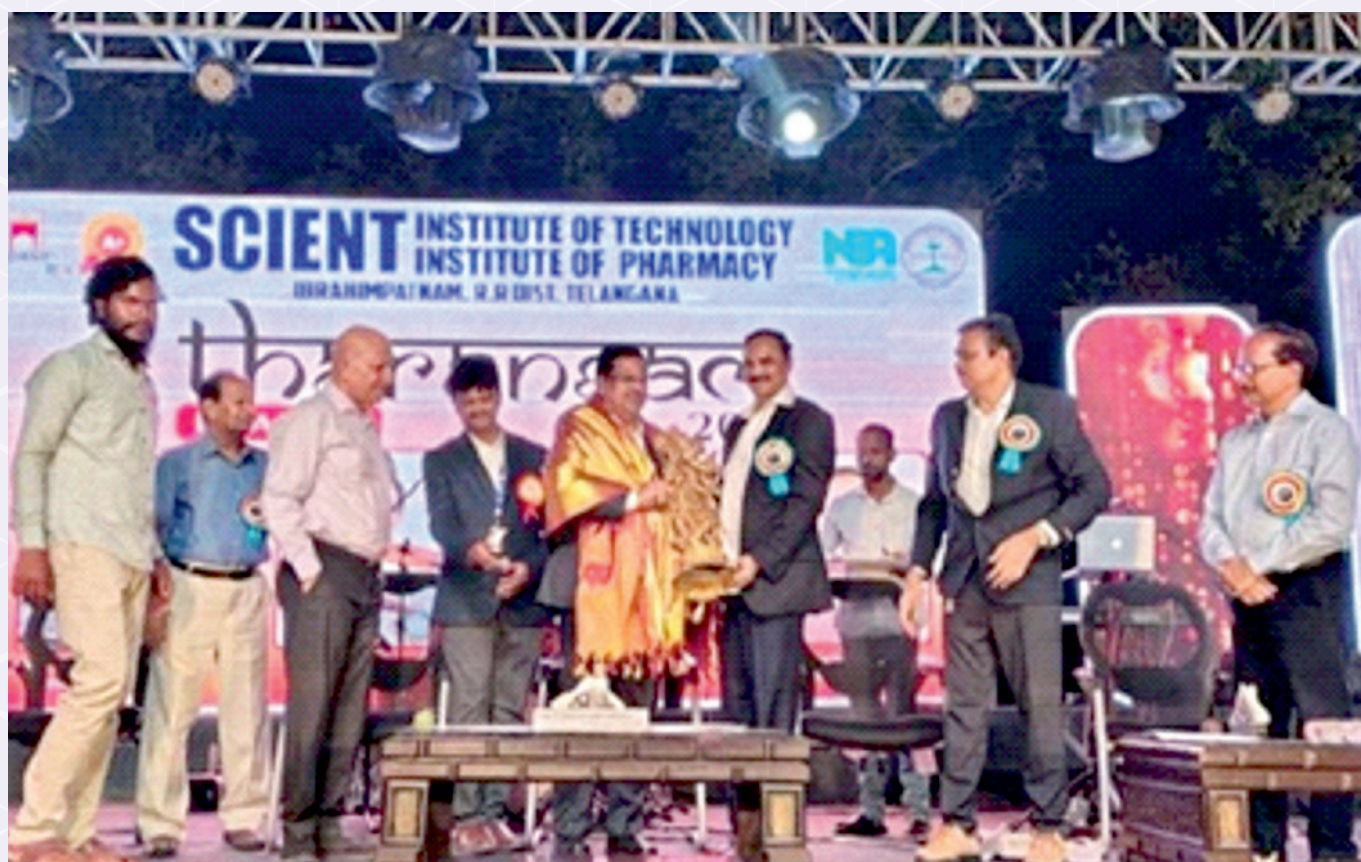

In his keynote address, the Chairman applauded the institution's efforts in creating a vibrant platform that merges technology, innovation, and culture, stating that such fests are crucibles of creativity, learning, and leadership development. He emphasized that events like THARANGAM are not just celebrations, but transformative experiences that prepare students for real-world challenges by fostering project-based learning, cross-disciplinary exposure, and interpersonal skills.

Reflecting on the current state of higher education, the Chairman highlighted Telangana's impressive gross enrolment ratio of 35.6%, and the strong presence of technical education in the state with over 3.5 lakh students enrolled. However, he also

addressed concerns about employability, citing reports that suggest only 47% of engineering graduates are readily employable in core fields. He reiterated TGCHE's commitment to bridging this gap by promoting NEP 2020-aligned reforms, integrating emerging technologies like AI, IoT, and cybersecurity into the curriculum, and encouraging outcome-based learning.

He further underlined the importance of adaptability in the face of the Fourth Industrial Revolution, noting that the next decade will be defined by digital jobs, innovation-driven careers, and lifelong learning. He encouraged students to look beyond degrees, focus on skills, values, and use technology to solve pressing societal problems.

In closing, the Chairman congratulated the management, faculty, and students of SCIENT for successfully organizing a meaningful and energetic fest that empowers youth to become capable, creative, and responsible contributors to India's growth story.

TGCHE Chairman Highlights Reforms in Higher Education at NITHM Workshop

Prof. V. Balakista Reddy, Chairman, TGCHE, addressing participants at the NITHM Workshop on 'Reforming Higher Education: Government Initiatives for New Graduate and PG Syllabi' on April 17, 2025.

The National Institute of Tourism and Hospitality Management (NITHM) convened a focused workshop on “Reforming Higher Education: Government Initiatives for New Graduate and PG Syllabi” on 17th April and 19th April, 2025. Prof. V. Balakista Reddy, Chairman, Telangana State Council of Higher Education (TGCHE), attended the session as Chief Guest and delivered the keynote address.

In his address, Prof. Reddy emphasized the transformative steps being taken by the Telangana State Council of Higher Education to modernize and align graduate and postgraduate curricula with the vision of NEP 2020. He shared insights on curriculum redesign, highlighting the adoption of Outcome-Based Education (OBE), Choice-Based

Credit System (CBCS), and the integration of multi-disciplinary, skill-based learning modules across universities.

“The new syllabi must prepare our students not just for employment, but for entrepreneurship, innovation, and global citizenship,” he noted. He further added that the Council is working in collaboration with academic institutions, industry experts, and global partners to ensure that the reformed syllabi are relevant, futuristic, and inclusive.

Prof. Reddy reaffirmed the government's commitment to ensuring quality and equity in higher education, stating, “These reforms are not just about changing textbooks—they are about reshaping the mindset of education towards creativity, critical thinking, and lifelong learning.”

TGCHE and JNTUH Gear Up for Smooth Conduct of TG EAPCET-2025 Across Telangana

TGCHE and JNTUH Coordinate for Successful Conduct of TG EAPCET-2025 Across 16 Test Zones in Telangana

Jawaharlal Nehru Technological University Hyderabad (JNTUH), on behalf of the Telangana Council of Higher Education (TGCHE), is conducting the Telangana State Engineering, Agriculture and Pharmacy Common Entrance Test (TG EAPCET-2025) for admissions into first-year undergraduate professional courses across the state on 18.04.2025

The computer-based test (CBT) is scheduled to be conducted in two streams—Engineering and Agriculture & Pharmacy (AP)—as per the following schedule:

TG EAPCET-2025 Exam Dates and Hall Ticket Release

Stream	Exam Dates	Session Timings	Hall Ticket Download
Agriculture & Pharmacy (AP)	29-04-2025 & 30-04-2025	09:00 AM to 12:00 Noon & 03:00 PM to 06:00 PM	From 19-04-2025, 3:00 PM
Engineering (E)	02-05-2025 to 04-05-2025	09:00 AM to 12:00 Noon & 03:00 PM to 06:00 PM	From 22-04-2025, 3:00 PM

A total of 3,05,774 candidates have registered for the exam this year:

- Engineering (E): 2,19,420
- Agriculture & Pharmacy (AP): 86,101
- Both Streams: 253

The exam will be held across 16 test zones with 112 centers for AP and 124 centers for Engineering, ensuring seamless logistics and accessibility for students across Telangana.

Important Candidate Instructions

To maintain transparency and fairness in the conduct of the exam, all candidates are required to:

- Report early to test centers (by 07:30 AM for morning and 01:30 PM for afternoon sessions).
- Undergo biometric verification (photograph and thumb impression).
- Avoid Mehendi/tattoos on hands to ensure smooth biometric capture.
- Carry valid ID proof (Aadhaar, Voter ID, Passport, etc.) and a blue/black ballpoint pen.
- Surrender rough sheets after the exam and avoid bringing electronic gadgets or wristwatches.
- Be aware that no entry is allowed even if late by a minute, and no early exit is permitted before the end of the session.

Candidates are also encouraged to review bilingual papers carefully; in case of discrepancies in translation, English will be considered final. Objections to the preliminary key can be raised by paying Rs. 500/- per question, refundable if found valid.

Support from Media and Stakeholders

TGCHE and JNTUH expressed their gratitude to the print and electronic media for their consistent support in publicizing the notification and key instructions. Media partners are requested to extend further cooperation by spreading awareness on the guidelines and motivating candidates and parents for a smooth and confident exam experience.

The exam details have been analyzed and compiled into annexures covering test zone applications, reservation categories, gender and board-wise data, and trends from 2018 to 2024.

TGCHE Chairman Applauds Youth Commitment at CGR's 15-Year Celebration

Photo Caption: Prof. V. Balakista Reddy, Chairman, TGCHE, addressing the Youth Leaders Conclave for a Better Earth during CGR's 15th Anniversary Celebrations.

As part of the 15th Anniversary Celebrations of the Council for Green Revolution (CGR), the Youth Leaders Conclave for a Better Earth witnessed an inspiring address by Prof. V. Balakista Reddy, Chairman, Telangana State Council of Higher Education (TGCHE). Held on 19th April, 2025, in the presence of over 500 students and 100 faculty members from across the state, the conclave underscored the vital role of youth in building an environmentally responsible future.

In his keynote address, Prof. Reddy commended CGR for its unwavering service to environmental advocacy over the past 15 years. He expressed admiration for the assembly of young minds determined to act as guardians of nature. "To see hundreds of students united under one mission—to serve Mother Earth—is truly heartening," he said.

The Chairman emphasized the need to integrate environmental literacy into the fabric of higher education. "We will explore ways to incorporate comprehensive environmental studies into the curriculum, as suggested by CGR," he assured. He further noted that all stakeholders—academia, government, and society—must collaborate to protect natural resources for future generations.

Prof. Reddy concluded with an empowering message to students: "A single minute may not change your life, but the wise use of every minute certainly will. Let us dedicate our time and energy to creating a better planet." His address set a forward-thinking tone, reinforcing TGCHE's commitment to sustainable, inclusive, and responsible education.

TGCHE Chairman Inspires Students at Sree Dattha Annual Day Celebrations

Prof. V. Balakista Reddy, Chairman of TGCHE, addressing the gathering at Sree Dattha Group's Annual Day Celebrations.

Prof. V. Balakista Reddy, Chairman of the Telangana State Council of Higher Education (TGCHE), graced the Annual Day Celebrations of Sree Dattha Group of Educational Institutions as the Chief Guest on 19th April, 2025. Addressing a vibrant gathering of students, faculty, parents, and dignitaries, he emphasized that Annual Day is not merely a ceremonial event, but a celebration of knowledge, achievement, and values. He applauded the institution's enduring legacy of academic excellence and its dedication to producing industry-ready graduates.

Sree Dattha Group, with over 20 years of service in education, has emerged as a prominent academic hub in Telangana. With three campuses, more than 5,000 students, 300+ faculty members, and state-of-the-art infrastructure, the institution is a symbol of holistic development. Prof. Reddy commended the group's consistent placement record with companies like Infosys, TCS, Capgemini, and Cognizant, and highlighted its growing emphasis on research and innovation.

Speaking on the progress of Telangana's higher education ecosystem, the Chairman highlighted that the state's Gross Enrollment Ratio (GER) now stands at 35.1%, surpassing the national average. He elaborated on key initiatives including T-SAT, TASK, virtual labs, and innovation hubs like RICH and T-Hub that are helping bridge the gap between academia and industry. He reaffirmed TGCHE's commitment to supporting institutions that align with the goals of NEP 2020 and outcome-based education.

In a heartfelt message to the students, Prof. Reddy encouraged them to embrace education as a journey of discovery and transformation. He shared a thought-provoking quote inspired by Ratan Tata: "A single minute may not change your life, but the wise utilization of every minute will certainly change your life." He urged students to value time, stay curious, be compassionate, and move forward with courage. "Education is not the filling of a pail, but the lighting of a fire," he concluded.

TGCHE Chairman Highlights Role of AI in Higher Education at National Seminar in Ghambiraopet

TGCHE Chairman Emphasizes AI's Transformative Impact on Higher Education at National Seminar in Ghambiraopet

Prof. V. Balakista Reddy, Chairman of the Telangana State Council of Higher Education (TGCHE), attended as Chief Guest at the National Seminar on “The Role of AI in Education and Research: A Multidisciplinary Perspective” on 21.05.2025 organized by Government Degree College, Ghambiraopet. Addressing an august gathering of academicians, scholars, and students from across India, he emphasized the transformative power of Artificial Intelligence (AI) in reshaping the educational landscape.

In his keynote address, Prof. Reddy lauded the college for choosing a theme that reflects the future of higher education. He stated, “AI is not just a buzzword—it is revolutionizing how we teach, learn, research, and innovate. From personalized learning to automated assessments and predictive analytics, AI is redefining pedagogy and research methodologies.”

Citing data from a 2023 NASSCOM report, he noted that the Indian AI market is poised to reach \$7.8 billion by 2025, with strong contributions from education and research sectors. He also pointed to the global projection of a 45% CAGR in AI-driven education tools through 2030,

indicating widespread integration across academic systems.

Highlighting Telangana's proactive steps, Prof. Reddy outlined key initiatives by TGCHE to embed AI and emerging technologies into higher education. These include:

- Integration of AI, ML, and Data Science into UG curricula;
- AI-based skill development initiatives through TASK;
- Collaborations IIT-Hyderabad to drive innovation and applied research;
- Use of T-SAT Network and Digital Classrooms to spread AI literacy across rural Telangana.

Prof. Reddy also commended Government Degree Colleges in the state for embracing AI-enabled platforms and organizing faculty development programs to upskill educators.

He congratulated GDC Ghambiraopet for its leadership in sparking critical academic discourse on AI and for leveraging a hybrid model to ensure inclusive participation. The seminar marked another significant step in Telangana's mission to build a future-ready, AI-empowered education system.

MIT-WPU Law Students Interact with TGCHE Chairman on Emerging Global Legal Opportunities

MIT-WPU Law Students Interact with TGCHE Chairman on the Future of Legal Education and Global Career Opportunities

A delegation of 100 law students from MIT World Peace University (MIT-WPU), Pune, visited the Telangana Council of Higher Education (TGCHE) on 22nd April 2025 for an enriching interaction with Hon'ble Chairman, Prof. V. Balakista Reddy.

The visiting team included eminent academic and administrative representatives such as Sri Umapathi, IPS (Retd.), Distinguished Fellow, CHSS; Dr. Ramesh K., Founder & Director, CHSS; Sri S. Sarangapani, Assistant Commissioner of Police (ACP); and faculty members Prof. Ayush Mishra, Prof. Vikas, Prof. Anamika, and Prof. Vaishnavi from the MIT-WPU School of Law.

During the session, Prof. Reddy addressed the evolving dynamics of legal education in the 21st century. He emphasized that the scope of the legal profession is rapidly expanding beyond traditional practices into frontier areas such as deep seabed mining law, outer space law, and transnational legal frameworks. These emerging domains are gaining prominence due to the increasing privatization and globalization of industries.

He highlighted the transformative influence of globalization, liberalization, and privatization on

the legal profession and called for urgent reforms in legal education to better equip future lawyers. According to Prof. Reddy, Indian legal professionals must now be prepared to compete globally and address complex legal issues that transcend national boundaries.

He further stressed the importance of developing globally competent legal professionals who are also rooted in national values. He pointed out that transnational structures of governance are redefining the conventional notions of jurisdiction, creating ample opportunities for law students to contribute to novel and impactful areas of legal practice.

The students actively participated in the discussion, posing thoughtful questions on career pathways, specialization options, and the future direction of legal practice. Prof. Reddy encouraged the students to embrace lifelong learning, adaptability, and a sense of societal responsibility in their professional journeys.

The interaction served as a meaningful platform for knowledge exchange and underscored the commitment of TGCHE to fostering globally relevant and socially responsive legal education.

AICTE Officials Meet TGCHE Chairman to Strengthen Innovation and Incubation Ecosystem in Telangana

AICTE Officials Meet TGCHE Chairman to Discuss Innovation and Incubation Initiatives for Telangana's Higher Education Institutions

Dr. Yogesh Brahmkar, Director of Innovation at the Ministry of Education (AICTE), New Delhi, and Dr. Bheema L. Reddy, Manager – IP & TT at AICTE Indovation Center, South Central Region, Hyderabad, met Prof. V. Balakista Reddy, Chairman, Telangana Council of Higher Education (TGCHE), on 23.04.2025 to explore strategic collaborations for fostering innovation across Higher Education Institutions (HEIs) in Telangana.

The meeting focused on developing a robust regional ecosystem for innovation, incubation, and entrepreneurship in the state. Dr. Brahmkar briefed the Chairman on various AICTE initiatives, including funding avenues for innovation, fellowships for students, and faculty development schemes.

Key areas discussed for a proposed Memorandum of Understanding (MoU) include:

- Promoting innovation, incubation, and entrepreneurship ecosystems across HEIs in Telangana.
- Identifying and supporting eligible students through fellowship schemes tailored for the state.

- Implementing capacity-building programs for students to foster innovation and support start-up culture.
- Facilitating the creation of regional clusters of innovation labs in institutions across Telangana.
- Placing special emphasis on empowering HEIs in rural and aspirational districts, ensuring equitable access to opportunities.
- Highlighting popular AICTE schemes designed specifically for rural regions.
- Collaborating on faculty development and joint mentorship programs for students.

Prof. Reddy expressed full support for AICTE's initiatives and assured proactive communication with universities and stakeholders across Telangana. He also recommended the establishment of AICTE Centres in Tier 2 and Tier 3 regions, to ensure that students from rural backgrounds receive the full benefits of national-level innovation programs.

This strategic dialogue marks a significant step toward bridging regional disparities and empowering educational institutions across Telangana through innovation-led growth.

Chairman, TGCHE Highlights Importance of Stress Management for Academic Excellence and Employability at National Seminar

Chairman, TGCHE Addresses National Seminar on Stress Management for Academic Excellence and Employability at AV College, Hyderabad

Prof. V. Balakista Reddy, Chairman of the Telangana Council of Higher Education (TGCHE), addressed the National Seminar on “Stress Management for Academic Excellence and Employment” organized by A.V. College of Arts, Science and Commerce in collaboration with the Institute of Asian Studies on 25.04.2025. The event brought together academicians, researchers, students, and mental health experts to deliberate on the increasing impact of stress on student life and academic performance.

In his keynote address, Prof. Reddy emphasized that while higher education in India has evolved rapidly due to technological advancements and global competition, it has also intensified academic and career-related pressure on students. Citing a 2024 UGC survey, he noted that over 60% of college-going students in India reported stress linked to academic pressure, uncertainty about the future, and insufficient coping mechanisms.

Prof. Reddy stressed that academic excellence and employability are not only the result of knowledge acquisition but also depend heavily on emotional well-being, resilience, and the ability to manage

stress effectively. Research from institutions like NIMHANS underscores that unmanaged stress adversely affects memory, learning, and decision-making – directly impacting student outcomes.

TGCHE Initiatives for Student Well-being

Prof. Reddy shared various initiatives spearheaded by TGCHE to promote mental health and wellness in higher education institutions across Telangana:

- Establishing student counseling centers staffed with trained mental health professionals.
- Organizing faculty development programs to help educators identify early signs of student distress.
- Integrating yoga, mindfulness, and physical activity into daily campus routines.
- Encouraging peer support networks and awareness campaigns to normalize mental health conversations.

He emphasized the need for campuses to transform into wellness-centered ecosystems that foster not just academic rigor, but also emotional strength, adaptability, and lifelong learning.

A Message to Students

Addressing the student community directly, Prof. Reddy said, “Your mental well-being is not secondary to your education – it is foundational to it. Seeking help is not a sign of weakness, but a mark of courage and self-awareness.” He urged students to take proactive steps in prioritizing their mental health alongside academic pursuits.

Conclusion

In conclusion, Prof. Reddy congratulated the seminar organizers for addressing such a timely and impactful theme. He called for a collective effort from educators, administrators, and students to create holistic learning environments where well-being, excellence, and employability go hand-in-hand.

Japanese Legal Expert and Diplomat Interacts with TGCHE Leadership on Academic and Cultural Collaboration

Japanese Diplomat and Legal Scholar Ms. Sayo Saruta Discusses Academic and Cultural Collaboration with TGCHE Leadership

Ms. Sayo Saruta, President of the New Diplomacy Initiative (ND), Attorney at Law in Japan and New York, Lecturer at Rikkyo University, and Research Fellow at Okinawa International University, visited the Telangana Council of Higher Education (TGCHE) and interacted with Hon'ble Chairman Prof. V. Balakista Reddy, Prof. E. Purushottam, Vice Chairman-I, Prof. Sriram Venkatesh, Secretary, and senior officials of TGCHE on Dt.26.04.2025.

Ms. Saruta, a distinguished delegate attending the Bharat Summit in Hyderabad, used the opportunity to meet academicians and policymakers in the Higher Education sector. Her visit to TGCHE aimed to facilitate a dialogue on best practices in Japanese higher education, explore avenues for academic and cultural exchange, and understand the landscape of higher education in India, particularly in Telangana.

The discussion spanned multiple areas including:

- The role of TGCHE in enhancing the quality of higher education in Telangana.

- Innovative practices of Japanese universities that could inspire reforms and collaborations in Telangana's institutions.

- The potential to identify and implement fellowship opportunities for deserving students from Telangana to pursue academic programs in Japan.

Ms. Saruta expressed appreciation for the university system in Hyderabad and commended the academic caliber and global outlook of the students she engaged with during her visit. In turn, Prof. Reddy and the TGCHE leadership acknowledged her insights and affirmed their commitment to facilitating collaborative initiatives between Higher Education Institutions in Japan and Telangana.

This exchange marks a significant step towards fostering international cooperation in education and promoting cross-cultural academic partnerships for the benefit of students and institutions alike.

Chairman, TGCHE, Graces HMTV Technical Education Awards 2025

TGCHE Chairman Prof. V. Balakista Reddy, Veteran actor Maganti Murali Mohan and G Rama Reddy CREDAI, National President-elect at the inauguration of the hmtv Technical Education Awards Programme in Hyderabad on Saturday

On April 26, 2025, Prof. V. Balakista Reddy, Chairman of the Telangana State Council of Higher Education (TGCHE), graced the HMTV Technical Education Awards 2025 as a distinguished guest. The event, organized by HMTV Telugu news channel, celebrated excellence in technical education across Telangana, honoring institutions and individuals for their significant contributions to the field.

In his address, Prof. Reddy emphasized India's potential to become the world's largest supplier of skilled manpower. He highlighted the government's initiatives aimed at enhancing the quality of education and promoting skill development training. Prof. Reddy also called upon educational institutions to embrace academic social responsibility, ensuring that education serves both individual aspirations and societal needs.

The awards recognized several institutions for their outstanding achievements. Osmania University received the Telangana Best University

Award in the Management category, while JNTU Hyderabad was honored as the Best Government Engineering College. Kakatiya University was awarded the Best Government University in Pharmacy.

The HMTV Technical Education Awards 2025 underscored the importance of quality education and the role of institutions in shaping the future of the nation. Prof. Reddy's participation reaffirmed TGCHE's commitment to fostering excellence and innovation in higher education.

TGCHE chairman, Prof. V. Balakista Reddy, veteran actor Maganti Murali Mohan and G Rama Reddy CREDAI, National President-elect at the inauguration of the hmtv Technical Education Awards programme in Hyderabad on Saturday

HANS NEWS SERVICE
HYDERABAD
hmtv Telugu news channel, a part of Hyderabad Media House Pvt Limited, on Saturday presented Technical Education Awards-2025 to an overwhelming response. Noted personalities from the

education, technology and entertainment sectors said that technical education has been tremendously transformed in the state, thanks to the relentless pursuits of the promoters, vice-chancellors and principals. Veteran actor and producer Murali Mohan said that the role of education is

critical for improving the lives of people. Quality education is in high demand in the competitive world, he said, adding that teachers play a key role in moulding the students and gearing them up for the future.

ABSTRACT**

Higher Education Department – Universities - Establishment of "Earth Sciences University of Telangana" duly upgrading the University College of Engineering, Kothagudem (formerly Kothagudem School of Mines) in Telangana - Amendment of Schedule to the Telangana Universities Act, 1991 (Act No. 4 of 1991) – Notification – Orders – Issued.

HIGHER EDUCATION (UE) DEPARTMENT

G.O.Ms.No.20,

Dated:04.04.2025

Read :

From the Secretary, Telangana Council of Higher Education, Hyderabad
Lr.No.1301/1302/TGCHE/UMS/Earth Science Univ/2024-25, dt.20.02.2025
& dt.04.04.2025.

ORDER :

In the reference read above the Secretary, Telangana Council of Higher Education(TGCHE), Hyderabad has submitted a detailed report for establishment of "Earth Sciences University of Telangana" duly upgrading the University College of Engineering, Kothagudem under Kakatiya University (formerly Kothagudem School of Mines) in Telangana.

2. For a comprehensive progressive development in Higher Education and to meet the research and consultancy in applied Sciences and Engineering with special emphasis on Earth Science and Mining, after careful examination of the proposal of the Secretary, TGCHE, Hyderabad in the reference read above, Government have decided to establish "Earth Sciences University of Telangana" duly upgrading the University College of Engineering, Kothagudem in Telangana and also to create new courses, new departments, sanction of teaching and non-teaching staff along with financial support and infrastructure development, as per the provisions of the Telangana Universities Act, 1991 duly transferring the existing assets including the teaching and non-teaching posts of the University College of Engineering, Kothagudem from the administrative control of Kakatiya University to the newly formed University.

3. Further, Government hereby decided to amend the Schedule of the Telangana Universities Act, 1991 (Act No. 4 of 1991). Accordingly, the following notification shall be published in an Extraordinary issue of the Telangana Gazette, dated.04.04.2025:-

NOTIFICATION - I

In exercise of the powers conferred under sub-section (1) of section - 3 of the Telangana Universities Act, 1991 (Act No.4 of 1991), Government hereby establish a new State University namely "Earth Sciences University of Telangana" commencing from the Academic Year 2025-26 and the University comprising the area of Bhadradi Kothagudem and Khammam Districts with Kothagudem as its Head Quarters and it may extend to the whole State of Telangana.

NOTIFICATION – II

In exercise of the powers conferred under sub-section (1) of section 3 of the Telangana Universities Act, 1991 (Act No.4 of 1991), the Government hereby makes the following amendment to the Schedule to the said Act:-

[P.T.O.]

:: 2 ::

AMENDMENT

In the Schedule, in the table there under, after serial No.17, the following entries shall be added in columns (1), (2), (3) and (4) respectively, namely:-

Sl. No.	Name of the University	University Area	Head quarters
(1)	(2)	(3)	(4)
18.	Earth Sciences University of Telangana	Bhadradi Kothagudem & Khammam Districts and it may extend to the whole State of Telangana	Kothagudem

విద్యార్థులు ఉన్నతమైన ఆశయాలతో సాంకేతిక విద్యను అంది పుచ్చుకోవాలని తెలంగాణ ఉన్నత విద్యామండలి చైర్మన్ బాల కిష్టారెడ్డి అన్నారు. మున్సిపాలిటీ పరిధి తట్టి అన్నారంలోని శ్రేయాస్ ఇనిస్టిట్యూట్ ఆఫ్ ఇంజనీరింగ్ అండ్ టెక్నాలజీ వార్షికోత్సవానికి ఆయన ముఖ్యఅతిథిగా హాజరై మాట్లాడారు. మరో రెండు దశాబ్దాల్లో వికసిత భారత్ అవుతుందని, విద్యార్థులు అందులో భాగస్వాములు కావాలన్నారు. అకాడమిక్ టాపర్లు, క్రీడాకారులకు బహుమతులు అందజేశారు. కార్యక్రమంలో వైస్ చైర్మన్ హృదయరెడ్డి, ప్రిన్సిపాల్ ఉదయ్ కిరణ్, కాలేజీ చైర్మన్ వినయ్ కుమార్ రెడ్డి, సెక్రటరీ రవీంద్రనాథ్ యాదవ్, సీఈవో శరత్ రెడ్డి, వివిధ విభాగాల అధిపతులు పాల్గొన్నారు. పెద్దఅంబర్ పేట, ఏప్రిల్ 8

Blitzkrieg 2025 Kicks Off with a Power-Packed Inaugural at Osmania University

Hyderabad, April 11, 2025:

The Department of Business Management, Osmania University, proudly inaugurated its flagship two-day management event "Blitzkrieg- 2025", centered around the theme "Futurepreneurship – Creating Leaders of Tomorrow." The event commenced with a dynamic inaugural ceremony that brought together distinguished academicians, industry stalwarts, alumni, and enthusiastic student participants.

The inaugural session was graced by Prof. V. Balakista Reddy, Chairman, Telangana State Higher Education Council (TGCHE), who emphasized the role of innovation, digital transformation, and entrepreneurial thinking in shaping the future of business leadership. In a powerful keynote, the Guest of Honour, Sr. Prof. Kumar Molugaram, Hon'ble

Vice-Chancellor, Osmania University encouraged students to become job creators rather than job seekers and stressed the importance of adaptability in the ever-evolving corporate landscape in the era of Technology lead by Artificial Intelligence.

Prof. Y. Jahangir, Head of the Department, welcomed the gathering and highlighted the significance of nurturing entrepreneurial mindsets

within academic institutions. "Blitzkrieg is not just an event; it's a platform where ideas meet action and students transform into future-ready leaders," he said.

The event was formally inaugurated with a welcome dance by the students and the traditional lighting of the lamp, followed by the release of the event souvenir. The dignitaries present included Prof. Indrakanti Sekhar Principal, UCC&BM, Dr. V.

Samunnatha, Vice-Principal and the Faculty Co-ordinator of the event, Sr. Prof. D. Sreeramulu sir, Dean, Faculty of Management, Prof. Smitha Sambrani, Chair-person, BOS, Sr. Prof. P. Venkataish sir, Dr. G. Vidya Sagar Rao, Ms. Jyotsna, President of Alumni Association of DBM, Professors from the Dept. of Commerce, who commended the initiative and engaged in a stimulating panel discussion

on the theme "Futurepreneurship: The Next Frontier." Day one of Blitzkrieg featured a series of competitive events including business quizzes, idea pitching contests, branding battles, and management simulations, drawing more than 700 registrations towards event participation from leading B-schools across the region. Guest lectures and interactive workshops by entrepreneurs and thought leaders adds academic depth and industry perspective to the event. The high energy, creative ideas, and collaborative spirit set the perfect tone for Day 2, which promises more insightful sessions, entrepreneurial showcases, and a grand valedictory ceremony. Blitzkrieg 2025 is a celebration of vision, strategy, and youthful ambition – a true testament to Osmania University's commitment to empowering tomorrow's business leaders.

TGCHE for UG curriculum revision from next year

The Telangana Council of Higher Education (TGCHE) met with Vice-Chancellors of seven conventional universities in the State to deliberate on academic and administrative reforms on Friday. A resolution was passed at the meeting, seeking a revamp of the undergraduate curriculum with 20% revision to incorporate emerging areas of studies such as Artificial Intelligence, Cybersecurity, Fintech, and Research Aptitude. For student-centric and pedagogical reforms, structured learning units will be introduced and faculty development programmes will be rolled out, including an MoU with T-SAT (Telangana Skills, Academic and Training) for wider content dissemination. It was also proposed to assess students through a Continuous Assessment Pattern with a 100-mark distribution divided as 25 marks each for project work and midterm, and 50 marks for end semester. All the course conversion guidelines will come into effect from 2025-26 academic year.
