16.	TGCHE @ 14th Telangana Education Fair – 2025 organized by HM TV	21

Dear Readers,

It gives me immense pride to reflect on the remarkable strides made by the Telangana Council of Higher Education (TGCHÉ) during May 2025—a month that truly exemplifies our vision of building a robust, inclusive, and future-ready higher education ecosystem.

At the heart of our efforts this month was the **successful launch and implementation of DOST 2025–26 Phase-I**, which saw over **60,000 students securing undergraduate seats** through a completely transparent, student-friendly online admission process. The remarkable turnout and efficiency of this phase reinforce our belief that technology can be a great enabler of access and equity in education. I encourage all remaining aspirants to utilize the upcoming phases, ensuring that no student is left behind in pursuing their academic aspirations.

Another major milestone was our active participation in the **14th Telangana Education Fair–2025**, organized by HM TV. This platform continues to play a pivotal role in democratizing career guidance and exposing our youth to emerging disciplines, skill-building opportunities, and global pathways. I strongly believe that education fairs are not just events—they are catalysts for informed and inspired futures.

The Council also deepened its commitment to industry-academia collaboration by signing a landmark **MoU with NASSCOM** to launch structured skill development programs in Artificial Intelligence, FinTech, Digital Marketing, and other emerging areas. This partnership will empower over **one lakh students and faculty annually**, aligning higher education outcomes with the evolving demands of the workforce.

We also engaged actively with policy makers and academic institutions. My interactions with the Hon'ble Chief Secretary of Telangana and Vice Chancellors of leading universities reaffirmed the need for continuous curriculum reform, faculty development, and global academic cooperation. These dialogues will translate into concrete reforms and capacity-building measures in the coming months.

Further, our successful conduct of **TG ECET 2025 and TG EAPCET 2025** demonstrated TGCHÉ's dedication to maintaining the highest standards of examination integrity, accessibility, and service to aspirants across the state. With over 93% attendance and record participation, these exams continue to serve as gateways to opportunity for thousands of youth.

In all our efforts, our students remain at the center. Whether it's through career expos, CETs, or DOST admissions, we are committed to building an ecosystem that supports your journey not just toward a degree, but toward a meaningful and impactful future.

Let us continue to work together—policymakers, educators, parents, and learners—to ensure Telangana leads by example in higher education transformation.

“Your education is not just a path to a degree—it is a journey to discover your purpose, unlock your potential, and shape the future of Telangana and the nation. Choose wisely, stay curious, and believe in the power of learning.”

— Prof. V. Balakista Reddy, Chairman, TGCHÉ

Strengthening Synergy Between Higher Education and State Governance

Prof. V. Balakista Reddy, Chairman of the Telangana Council of Higher Education (TGCHE), paid a courtesy visit to Shri A. Ramakrishna, IAS, on his assumption of charge as the Chief Secretary to the Government of Telangana. The meeting took place on 2nd May 2025 at the Secretariat in Hyderabad and was also attended by Prof. Sriram Venkatesh, Secretary, TGCHE, and the OSD to Vice Chancellor, Osmania University.

During the interaction, Chairman Prof. Reddy briefed the Chief Secretary on the Council's ongoing initiatives curriculum reforms, digital learning, and employability skill development. He emphasized TGCHE's commitment to aligning higher education strategies with the developmental priorities of the State.

The Chief Secretary appreciated the proactive role of TGCHE in enhancing academic standards and reaffirmed the government's full support for transforming Telangana into a hub of quality and inclusive higher education.

This meeting marked the beginning of a renewed collaborative approach between the Council and the State Government to accelerate educational reforms, promote equity, and ensure excellence across all higher education institutions in Telangana.

Prof. V. Balakista Reddy, Chairman, TGCHE, greets Shri A. Ramakrishna, IAS, upon his appointment as Chief Secretary to the Government of Telangana, during a courtesy meeting held at the Secretariat on 2nd May 2025.

Telangana Leads the Way in Student-Centric Admissions: Launch of DOST 2025 - 26

Prof. V. Balakista Reddy, Chairman, TGCHE & Convener, DOST, addressing the media during the launch of DOST 2025–26, highlighting Telangana's commitment to transparent, inclusive, and technology-driven undergraduate admissions.

The Telangana Council of Higher Education (TGCHE) is proud to announce the launch of **Degree Online Services, Telangana (DOST) 2025–26**, the flagship online platform facilitating transparent and student-friendly admissions to undergraduate programs across all State Universities and affiliated colleges.

The official press release, issued by **Prof. V. Balakista Reddy**, Chairman, TGCHE and Convener, DOST on **02.05.2025** marks a significant step toward digital transformation and inclusivity in higher education admissions.

Key Features of DOST 2025–26:

- **Unified Admission Window:** Students can apply to a wide array of UG courses (B.A., B.Sc., B.Com., BBA, BCA, BBM, BSW, D-Pharmacy, etc.) offered by **Osmania, Kakatiya, Telangana, Mahatma Gandhi, Palamuru, Satavahana, Veeranari Chakali Iamma Women's University, JNTU, and TSBTET** through a **single online platform: <https://dost.cgg.gov.in>**.
- **Digital Empowerment:** Innovations such as **face recognition for registration**, Aadhaar-based mobile OTP verification, and the **DOST Mobile App** ensure an easy, paperless, and contactless admission process.
- **Simplified Registration and Counseling:** Students generate a DOST ID and pay a nominal registration fee (Rs. 200 for Phase-I; Rs. 400 for subsequent phases) to begin the process. Web options allow students to prioritize preferred courses and colleges.

- **Robust Help and Grievance Support:** With over **40 help line centers**, a dedicated **WhatsApp Chatbot (7901002200)**, and a **grievance redressal system**, DOST ensures every student receives timely guidance and support.
- **Inclusive Admission Process:** The platform integrates **reservation policies**, special certificate verifications (PH, NCC, CAP, Sports, etc.), and **fee reimbursement mechanisms** via ePASS, ensuring equitable access for all socio-economic segments.

Important Dates at a Glance:

- Phase I Registration: 3rd – 21st May 2025
- Phase I Seat Allotment: 29th May 2025
- Classwork Commences: 30th June 2025

Chairman's Vision for DOST:

Prof. V. Balakista Reddy emphasized that DOST is not just an online platform—it is a gateway to empowering students and streamlining access to higher education. Under his leadership, DOST has evolved into a nationally recognized model of digital governance in education, combining efficiency, transparency, and accessibility.

TGCHE congratulates all aspiring students and invites them to explore the wealth of academic opportunities available through DOST 2025–26.

Strengthening Institutional Development in Higher Education TGCHE Chairman Advocates Visionary Reforms at National Workshop

Prof. V. Balakista Reddy, Chairman, TGCHE, inaugurated the National Workshop on Institutional Development Plan held from 4th–6th May 2025 at Dr. MCR HRD Institute, Hyderabad.

The Telangana Council of Higher Education (TGCHE) is proud to share the highlights of the National Level Workshop on Institutional Development Plan (IDP) for Higher Educational Institutions, held from 4th–6th May 2025 at Dr. MCR HRD Institute, Jubilee Hills, Hyderabad. The prestigious event was organized by the Institute for Academic Excellence (IAE) and drew participation from academic leaders, policy experts, and higher education stakeholders from across India.

Chief Guest Address by Prof. V. Balakista Reddy, Chairman, TGCHE:

In his inaugural address, Prof. V. Balakista Reddy, Hon'ble Chairman, TGCHE, emphasized the need for every higher educational institution to craft a comprehensive and futuristic Institutional Development Plan aligned with national priorities like, SDGs, and India's vision to become a knowledge economy.

He highlighted the following critical points:

1. **Outcome-Based Roadmaps:** Institutions must move beyond routine academic planning and focus on creating measurable and strategic blueprints that address quality enhancement, employability, innovation capacity, and global competitiveness.
2. **Capacity Building and Governance:** Stressing the importance of academic leadership, he advocated for faculty development, leadership training, and institutional governance reforms to achieve sustainable institutional transformation.
3. **Digital Transformation and EdTech Integration:** Prof. Reddy reiterated Telangana's commitment to promoting

technology-enabled education, encouraging institutions to integrate AI, data analytics, and digital pedagogy into their teaching-learning processes.

4. **Accreditation and Ranking Goals:** He encouraged institutions to use the IDP framework to proactively work towards improved NAAC/NBA accreditation outcomes and NIRF rankings, thereby boosting institutional credibility.
5. **Industry and International Collaboration:** Prof. Reddy called for stronger industry-academia linkages and meaningful international partnerships to foster innovation, entrepreneurship, and global mobility of students and faculty.
6. **Support from TGCHE:** He assured continued support from TGCHE in terms of policy guidance, knowledge sharing, and capacity-building initiatives for successful IDP implementation.

The workshop also featured distinguished guests including Prof. Basuthkar Jagadeeshwar Rao, Vice-Chancellor, University of Hyderabad, Prof. Kumar Molugaram, Vice-Chancellor, Osmania University, and Prof. A. Ravinder Nath, Vice-Chancellor, Central University of Kashmir, Green Campus, who served as the keynote speaker.

The deliberations provided practical insights into designing institutional development plans that are both visionary and implementable. The Telangana Council of Higher Education reaffirms its commitment to facilitating a future-ready academic ecosystem through such transformative initiatives.

Empowering Faculty for the Digital Era TGCHE Chairman Emphasizes Need for Tech Integration in Business Education

The Telangana Council of Higher Education (TGCHE) is pleased to report the active participation of its Hon'ble Chairman, **Prof. V. Balakista Reddy**, as **Chief Guest** at the inaugural session of the **Online Faculty Development Programme (FDP)** on “**Digital Transformation and Emerging Technologies in Business**”, on **5th May, 2025** organized by **RISHI UBR Women's College**.

In his address, **Prof. Reddy** commended the college for its timely and relevant initiative focused on equipping faculty with the knowledge and tools to navigate the rapidly evolving landscape of digital technologies in the business world.

He highlighted the following key points:

1. **Digital Transformation as a Strategic Imperative:** Prof. Reddy emphasized that digital transformation is no longer optional for businesses or academic institutions—it is essential for survival, competitiveness, and innovation.
2. **Role of Educators as Change Agents:** He urged faculty members to take proactive roles in redesigning curricula, adopting digital pedagogy, and imparting skills in

emerging technologies such as AI, blockchain, cloud computing, data analytics, fintech, and digital marketing.

3. **Women in Tech and Business:** Acknowledging the contribution of **RISHI UBR Women's College** in women's education, he encouraged more focused efforts in empowering young women to lead in the digital business ecosystem.
4. **TGCHE Support for Capacity Building:** Prof. Reddy reiterated TGCHE's commitment to supporting faculty development through strategic collaborations, policy support, and digital infrastructure in higher education institutions across Telangana.

The FDP drew participation from business faculty, researchers, and academic professionals committed to embracing technological advancements in their teaching and institutional frameworks.

TGCHE continues to champion digital excellence and academic innovation across Telangana, reaffirming its vision for a future-ready higher education ecosystem.

TGCHE Chairman Graces 25th Anniversary of Avanathi Institute of Engineering and Technology

Prof. V. Balakista Reddy, Chairman, TGCHE, addressing the gathering as Chief Guest during the 25th Anniversary (Vicennial) Celebrations of Avanathi Institute of Engineering and Technology, applauding its contributions to technical education and institutional excellence.

Prof. V. Balakista Reddy, Chairman, TGCHE has attended as **Chief Guest** at the **25th Anniversary (Vicennial) Celebrations of Avanathi Institute of Engineering and Technology (AIET) on 6th May 2025.**

In his address, **Prof. Reddy** commended AIET for its commitment to academic excellence and innovation over the past 25 years. He emphasized the importance of aligning institutional goals focusing on multidisciplinary learning, research orientation, and skill development.

Prof. Reddy also highlighted the need for integrating emerging technologies into the curriculum to prepare students for the evolving

demands of the industry. He assured continued support from TGCHE in facilitating such initiatives and fostering collaborations that enhance the quality of higher education in Telangana.

The event witnessed participation from esteemed academicians, alumni, and students, celebrating AIET's journey and envisioning its future endeavors in the realm of engineering and technology education.

TGCHE extends its congratulations to Avanathi Institute of Engineering and Technology on this significant milestone and looks forward to its continued contributions to higher education.

Strengthening Global Academic Ties: TGCHE Explores Collaborations with Australia in Sports and Earth Sciences

TGCHE is committed to fostering meaningful international partnerships that enhance the quality, innovation, and global relevance of higher education in Telangana.

The Telangana Council of Higher Education (TGCHE) continues to expand its global outreach with a significant meeting between **Prof. V. Balakista Reddy**, Chairman, TGCHE, and **Mr. Andrew Collister**, Consul, Australian Consulate-General, Bengaluru, on 8th May 2025 at TGCHE Headquarters, Hyderabad.

The meeting focused on exploring **bilateral academic collaborations** between **Australia and Telangana**, especially in the context of the proposed **Sports University and Earth Sciences University** being planned in the state.

Highlights of the Discussion:

- **Australia's Strength in Sports Science:**

Mr. Collister highlighted the expertise of institutions like the University of Queensland and Deakin University, which offer cutting-edge research and programs in sports science and sports education.

- **Collaborative Opportunities:**

Drawing on Australia's previous CSR engagements in Telangana through organizations like We-Hub, Mr. Collister expressed keen interest in identifying

targeted partnerships based on Telangana's focus areas in sports, digital infrastructure, and women's participation.

- **Curriculum and Inclusion:**

Both parties deliberated on important topics including sports curriculum development, sports law, gender inclusivity, and facilitating access to sports for differently abled individuals—areas critical to developing a comprehensive and inclusive Sports University model.

- **Proposed Initiatives:**

Discussions also touched on hosting inter-university sports competitions between Australian and Telangana universities, and joint academic/research projects in elite sciences and allied fields.

Prof. V. Balakista Reddy assured the Consul that TGCHE will coordinate with relevant departments in the Government of Telangana to share detailed proposals, and initiate next steps to build these collaborations during Mr. Collister's future visits.

Prof. V. Balakista Reddy, Chairman, TGCHE, addressing the gathering as Chief Guest during AAROHAN 2025 – Annual Day Celebrations of KPR Educational Society, inspiring students and faculty on the themes of educational excellence, innovation, and nation-building.

Prof. V. Balakista Reddy, Chairman, TGCHE, graced the **AAROHAN 2025 - Annual Day Celebrations** of KPR Educational Society as the **Chief Guest on 9th May 2025**. The event marked a vibrant celebration of academic excellence, cultural expression, and student empowerment.

In his keynote address, **Prof. Reddy** applauded the management, faculty, and students for upholding the values of inclusive, quality education. Reflecting on the meaning of “AAROHAN,” symbolizing ascent and progress, he connected the theme to TGCHE's broader mission of transforming Telangana into a leading knowledge-driven state.

The Chairman highlighted key achievements and priorities of the state:

Telangana's Gross Enrollment Ratio (GER) of 36.2%, surpassing the national average of 28.4%, as per AISHE 2021-22, signifying growing access to higher education.

Commending KPR Educational Society for aligning with these goals, Prof. Reddy praised its

contributions to value-based learning, student welfare, and social engagement. He urged the management to continue investing in **faculty development, research linkages, and industry collaboration**, with an aim to attain **autonomy and Centre of Excellence** status.

Addressing students, Prof. Reddy inspired them to become **knowledge-driven, empathetic, and future-ready leaders**. He encouraged embracing innovation, entrepreneurship, and the skilling ecosystem supported by **T-Hub, WE Hub, and TASK**, positioning Telangana as a **startup and talent hub**.

The event witnessed enthusiastic participation from students, faculty, parents, and guests, celebrating the institution's journey and future aspirations.

TGCHE congratulates KPR Educational Society on the successful organization of AAROHAN 2025 and reaffirms its commitment to supporting institutions that lead through academic innovation, values, and vision.

TGCHE Chairman Applauds Excellence and Vision at GNITC Annual Day 2025

The Telangana Council of Higher Education (TGCHE) is pleased to report the participation of its Hon'ble Chairman, **Prof. V. Balakista Reddy**, as Chief Guest at the **Annual Day and Awards Ceremony of Guru Nanak Institutions Technical Campus (GNITC)**, held on **10th May 2025**.

In his inspiring address, **Prof. Reddy** commended GNITC for its unwavering commitment to **academic excellence, innovation, and industry-readiness**. Recognized for its quality infrastructure, dedicated faculty, and vibrant student ecosystem, GNITC continues to be a model institution in Telangana's evolving higher education landscape.

Telangana's Educational Progress:

Prof. Reddy highlighted Telangana's strong performance in higher education as reported in the **AISHE 2021-22**:

- **Gross Enrollment Ratio (GER):** 36.2%, above the national average of 28.4%
- **Over 1,000 higher educational institutions**, including 250+ engineering colleges embracing outcome-based and digital education

GNITC's Key Achievements:

- **NBA Accreditation and NAAC Recognition** for academic quality
- **UGC Autonomous Status** allowing curriculum innovation and academic flexibility
- **Strong Industry Placements** with top recruiters offering ₹4-10 LPA packages
- **International MOUs** for research and academic collaboration

- **Holistic Student Development programs**, including counselling and life skills training

Challenges and Opportunities Ahead:

While celebrating GNITC's accomplishments, Prof. Reddy also addressed the challenges confronting the education sector:

- **Employability Gap:** Only 45% of engineering graduates are employable in core roles (NASSCOM report). Institutes must emphasize skill-based learning, industry certifications, and entrepreneurship.
- **Technological Disruption:** AI, cybersecurity, data science, and sustainable tech must be embedded through hands-on learning and innovation hubs.
- **Student Well-being:** Emotional health and mental well-being must be prioritized alongside academic goals.

A Message to the Students:

Congratulating the award winners, Prof. Reddy reminded students that:

"Awards are milestones, not destinations. Your success will be defined by the value you add to society, not just by your titles."

He encouraged all students to embrace learning as a lifelong pursuit and make meaningful contributions to Telangana's vision as a knowledge and innovation hub.

TGCHE extends its warm congratulations to GNITC on hosting a successful Annual Day 2025 and looks forward to the institution's continued contributions to excellence in technical education.

3 HYDERABAD | SUNDAY | MAY 11 2025

Guru Nanak Institutions Celebrate 24th Annual Day with Academic Excellence and Cultural Splendor

DECCAN NEWS SERVICE

BY SUDHAKAR

Guru Nanak Institutions (comprising Guru Nanak Institutions Technical Campus - GNITC, and Guru Nanak Institutions of Technology - GNIT) celebrated their 24th Annual Day with great enthusiasm, combining academic achievements, industry interaction, and cultural expression.

The event was graced by Prof. V. Balakista Reddy, Chairman of the Telangana Council of Higher Education, who attended as the Chief Guest. He lauded the institution's commitment to higher education and innovation, particularly appreciating the efforts of the GNITC in providing a conducive environment for learning and research.

Addressing the students, Prof. Reddy highlighted the importance of performance, adaptability, and industry-readiness in today's dynamic world.

Adding to the occasion, Mr. Danish Bhargava, CEO of Sky-lark Smart Motors, also served as a Chief Guest. He applauded the institution's focus on fostering innovation and extended congratulations to both students and faculty for their commendable achievements.

Sudhar G.S. Kohli, Chancellor of Guru Nanak University and Vice-Chancellor of Guru Nanak Institutions, shared updates on the institution's placement success, revealing that 224 campus recruitment drives were conducted, resulting in 1,517 placements. Top recruiters included major firms such as Magma, Cognizant, TCS, UST Global, HCL, Elsoft, Transvision, LTI, Mindtree, Vision Waves, KIA Motors, and Royal Enfield.

Dr. H.S. Saini, Vice-Chancellor of Guru Nanak University and Managing Director of Guru Nanak Institutions, commended the dedication of both students and faculty. He stressed the importance of self-reliance in technology and encouraged the academic community to continue advancing in emerging technological fields.

Annual reports were presented by Dr. S. Suresh Babu, Director of GNITC, and Dr. K. Venkata Rao, Principal of GNIT. The event was attended by several dignitaries, including Dr. Sanjeev Shrivastava (Director, GNIT), Dr. P. Parthasarathy (Joint Director), Dr. Rishi Sood (Associate Director), Dr. S.V. Ranganayakulu (Dean - R&D), Mr. Vinay Chandra (Director - Placements), Dr. Harish Kumar (Professor - CSE), Dean of Student and

Faculty Affairs, and Annual Day Coordinator), and Dr. B. Keshav (First Year AD). The celebration also included the felicitation of meritorious students for academic excellence and recognition of

Successful Conduct and Result Declaration of TG EAPCET 2025 - 11th May 2025

Hon'ble Chief Minister of Telangana, along with Prof. V. Balakista Reddy, Chairman, TGCHE, and officials from JNTUH and the TG EAPCET-2025 team, releasing the TG EAPCET-2025 results, celebrating the successful and transparent conduct of the state's premier entrance examination.

The Telangana Council of Higher Education (TGCHE), in collaboration with **Jawaharlal Nehru Technological University Hyderabad (JNTUH)**, successfully conducted the **Telangana State Engineering, Agriculture, and Pharmacy Common Entrance Test (TG EAPCET) 2025**. The examination was held from **April 29 to May 4, 2025**, across 16 test zones and 124 test centers throughout Telangana.

The Council entrusted **JNTUH** with the responsibility of organizing TG EAPCET-2025. Under the leadership of **Prof. V. Balakista Reddy**, Chairman, TGCHE, and the coordination of **Prof. B. Dean Kumar**, Convener, TG EAPCET-2025, the examination was carried out with exceptional discipline, transparency, and technical efficiency.

Key Highlights:

- A total of **3,07,088** candidates registered for TG EAPCET-2025, with an overall attendance rate of **93.91%**.
 - **Engineering Stream:** 2,20,326 registered | 2,07,190 appeared | **94.04%** attendance
 - **Agriculture & Pharmacy Stream:** 86,762 registered | 81,198 appeared | **93.59%** attendance
- The exam was conducted in a **computer-based format**, with smooth scheduling and rigorous security.
- The **Preliminary Key** was released promptly for both streams:

- A&P Stream: 04 May 2025
- Engineering Stream: 05 May 2025

- Students were given fair opportunities to **raise objections**, and final keys were thoroughly validated by subject experts before finalizing results.

- **Result Declaration and Rank Cards:** Released on **11 May 2025**, with details including:

- Subject-wise normalized scores
- Overall ranks
- Toppers list
- Category- and gender-wise attendance data

Prof. V. Balakista Reddy, in his role as Chairman, TGCHE, and CET Committee Member, expressed heartfelt appreciation to JNTUH, the CET team, media partners, and support staff for their tireless efforts in ensuring the seamless conduct of one of Telangana's most critical entrance examinations.

He emphasized that TG EAPCET serves as a **gateway to higher education** for thousands of aspirants and reiterated TGCHE's commitment to conducting **transparent, student-friendly, and efficient admission processes**.

TGCHE salutes all stakeholders, including students, parents, and the academic community, for making TG EAPCET 2025 a landmark success.

TGCHE Chairman Champions Innovation-Led Education at International Conference on Sustainability

The Telangana Council of Higher Education (TGCHE) proudly highlights the participation of its Chairman, **Prof. V. Balakista Reddy**, as Chief Guest at the **International Conference on Entrepreneurship and Innovation for a Sustainable World (ICEISW - 2025)** held on 16th May 2025 at Aristotle PG College, Hyderabad.

In his keynote address, Prof. Reddy emphasized the critical role of entrepreneurship, innovation, and sustainability in shaping the future of higher education and global economic development. Addressing a diverse gathering of academicians, researchers, students, and international delegates, he stated:

"Entrepreneurship and innovation are not just buzzwords – they are essential mindsets that must be embedded into the fabric of our higher education ecosystem if we aim to create a resilient, inclusive, and sustainable future."

Key Takeaways from Chairman's Address:

- He commended **Aristotle PG College** for hosting a globally relevant conference and fostering academic-industry dialogue.
- He emphasized the integration of **sustainable development goals (SDGs)** with curriculum design and institutional strategies.

- Prof. Reddy called upon educational institutions to adopt **interdisciplinary approaches**, promote research commercialization, and empower students with **critical thinking and startup ecosystems**.
- He also stressed the importance of **global academic collaborations**, digital transformation, and faculty training.

The conference witnessed participation from notable dignitaries including **Prof. D. Sree Ramulu**, Dean, Department of Business Management, Osmania University (Guest of Honour), and **Prof. Mahesh Agnihotri**, Skyline University, UAE (Keynote Speaker), along with the leadership of **Ln. K. Krishna Reddy**, Chairman of Aristotle Educational Society, and **Prof. L. Srinivas Reddy**, Principal and Conference Convenor.

TGCHE congratulates Aristotle PG College for hosting ICEISW - 2025 and commends its dedication to fostering innovation and sustainable business practices through academic excellence.

Aristotle PG College Hosts International Conference on Entrepreneurship, Innovation, and Sustainability

Hyderabad, May 16, 2025 – Aristotle PG College successfully organized the International Conference on Entrepreneurship and Innovation for a Sustainable World, attracting academicians, researchers, industry leaders, and students from across the globe. The conference aimed to foster dialogue on integrating innovation, entrepreneurship, and sustainability to shape a future-ready academic and industrial ecosystem.

The event commenced with an inaugural address by Dr. L. Srinivas Reddy, Principal of Aristotle PG College, who welcomed the delegates and shared that the conference received an impressive 296 full-paper submissions. He emphasized the college's commitment to sustainability and innovation through various institutional initiatives.

Prof. Balakista Reddy, Chairperson of the Telangana State Council of Higher Education (TGCHE), graced the occasion as Chief Guest. He highlighted recent educational reforms and underscored the need to embed entrepreneurial thinking and Applied Social Responsibility (ASR) in management education to create socially conscious professionals.

Guest of Honour Dr. Sree Ramulu, Dean of Osmania University, praised Aristotle PG College for hosting an international-level event, noting its rare distinction among affiliated colleges. Mr. Mahesh Agnihotri from Skyline University, UAE, delivered the keynote address, stressing the urgency of decarbonization and environmental responsibility. The event also featured the release of a conference souvenir and was attended by Vice Principal Dr. Narasimha. The conference marked a significant milestone in the institution's journey toward global academic excellence and sustainable innovation.

Int'l conference on entrepreneurship held

CITY BUREAU
Hyderabad

Aristotle PG College hosted the 'International Conference on Entrepreneurship and Innovation for a Sustainable World' bringing together academicians, researchers, industry leaders, and students from around the globe. The event focused on the integration of entrepreneurship, innovation, and sustainable development, fostering dialogue and collaboration among thought leaders.

At the inaugural function, Dr L. Srinivas Reddy, Princi-

'International Conference on Entrepreneurship and Innovation for a Sustainable World' was hosted by Aristotle PG College.

pal of Aristotle PG College, presented a detailed report on the global reach of the conference, with 296 full-paper submissions.

Prof. Balakista Reddy, Chairperson of the Telangana State Council of Higher Education (TGCHE), highlighted re-

cent reforms in higher education and emphasised the importance of nurturing entrepreneurial mindsets among Indian youth.

Dr Sree Ramulu, Dean, Osmania University, noted that Aristotle PG College stands among the very few affiliated institutions under Osmania University to host an international-level conference on sustainable innovation.

Mahesh Agnihotri from Skyline University, United Arab Emirates, spoke about environmental challenges and the urgent need for decarbonisation.

Prof. V. Balakista Reddy, Chairman, TGCHE, inaugurating the International Conference on Entrepreneurship and Innovation for a Sustainable World (ICEISW - 2025) at Aristotle PG College, highlighting the integration of sustainability and innovation in higher education.

Chairman TGCHE Champions Student Success at Tv9 Education Expo 2025

Prof. V. Balakista Reddy, Chairman of TGCHE, addressing students and parents at the TGCHE stall during TV9 & KAB Education Expo 2025, HITEX Centre, Hyderabad (May 2025).

Prof. V. Balakista Reddy, Chairman of the Telangana Council of Higher Education (TGCHE), actively participated in the TV9 & KAB Education Expo 2025 held from May 23–25 at HI-TEC City's HITEX Exhibition Centre, Hyderabad. The mega-education fair, described as the largest in the Telugu states showcased an impressive lineup of universities, career-guidance sessions, and counseling booths.

Key Highlights from TGCHE's Involvement

- **Inaugural Address & Career Counseling**

Prof. Reddy opened discussions at the TGCHE stall, urging students to pursue career clarity and avoid confusion in choosing courses. He emphasized informed choices based on aspirations, future employability, and global relevance.

- **Engaging with Students & Institutions**

At the Expo, he engaged directly with numerous students, guiding them on selecting courses aligned with evolving

industry trends. His presence and mentorship reaffirmed TGCHE's commitment to enhancing higher education access and quality

- **Boosting Student Morale**

As chief guest, he lauded the event's success and encouraged students to leverage the numerous counseling sessions and admissions-on-the-spot opportunities available

Impactful Outcomes

- The Expo attracted over 30,000 visitor interactions on launch day, featuring top-tier institutions, entrance-test counselors, and international education experts.
- Prof. Reddy's guidance helped students navigate the complex landscape of higher education choices — particularly for engineering, medicine, management, and overseas study paths

TGCHE Signs MoU with NASSCOM to Drive Skill Development in Emerging Technologies

Sri Duddilla Sridhar Babu garu, Hon'ble Minister for IT, Electronics, Communications, Industries & Commerce, Govt. of Telangana, along with Prof. V. Balakista Reddy, Chairman, TGCHE, and Dr. Abhilasha Gaur, CEO, IT-ITeS Sector Skills Council, NASSCOM, during the signing ceremony of the MoU to advance skill development initiatives in emerging technologies for Telangana's students and faculty.

The Telangana Council of Higher Education (TGCHE) has entered into a significant Memorandum of Understanding (MoU) on **dt.23.05.2025** with the National Association of Software and Service Companies (NASSCOM) / IT-ITeS Sector Skills Council. The MoU was signed in the august presence of Sri Duddilla Sridhar Babu garu, Hon'ble Minister for Information Technology, Electronics, Communications, Industries and Commerce, Government of Telangana.

This collaboration aims to implement cutting-edge training programs to upskill Engineering and Non-Engineering students and faculty across Telangana's universities, colleges, and institutions. Over the next three years, NASSCOM will facilitate the upskilling of one lakh learners annually through micro-learning modules, foundation and deep-skilling courses, both free and paid, including a specialized offline program on "Embedded Software Development and Testing."

Hon'ble Minister Sri Duddilla Sridhar Babu highlighted the government's commitment to empowering graduates with industry-relevant

skills and lauded the partnership's potential to transform Telangana into India's skill capital. He emphasized initiatives like converting ITIs into Advanced Training Centers to ensure 100% job placements and stressed the importance of robust industry-academia collaboration.

Prof. V. Balakista Reddy, Chairman, TGCHE, in his remarks, showcased the recent initiatives undertaken by the TGCHE to align higher education with industry demands. He elaborated on the comprehensive curriculum reforms being initiating at the undergraduate level, ensuring that every student is exposed to technology-driven courses in emerging domains such as Digital Marketing, Cybersecurity, Fintech, Artificial Intelligence, and Sustainable Sciences. These transformative changes are aimed at significantly enhancing the employability and industry-readiness of graduates across Telangana.

Dr. Abhilasha Gaur, CEO of IT-ITeS Sector Skills Council, spoke about NASSCOM's pivotal role in strengthening IT skill development nationally. Prof. V. Balakista Reddy, Chairman of TGCHE, detailed ongoing curriculum reforms introducing emerging technology courses such as Digital

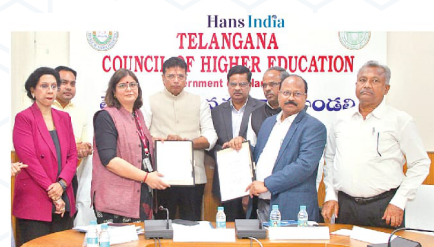

Marketing, Cybersecurity, Fintech, AI, and Sustainable Sciences, aiming to boost graduate employability.

The partnership will also leverage NASSCOM's Talent Connect platform to link certified learners directly with potential employers, bridging the gap between education and employment. Discussions further covered assessment and certification processes, online proctored exams, and fostering international recognition for qualifications.

Sri Duddilla Sridhar Babu garu, Hon'ble Minister for Information Technology, Electronics, Communications, Industries and Commerce has participated on behalf of Govt. of Telangana. Prof. V. Balakista Reddy, Chairman, TGCHE; Prof. E. Purushotham, Vice-Chairman-I; Prof. SK. Mahmood, Vice-Chairman II; Prof. Sriram Venkatesh, Secretary; along with Prof. Kumar Molugaram, Vice Chancellor, Osmania University; Prof. T.Kishen Kumar Reddy, Vice Chancellor, JNTU Hyderabad; Prof. Karnati Pratap Reddy, Vice Chancellor, Kakatiya University; Prof. Khaja Althaf Hussain, Vice Chancellor, Mahatma Gandhi University; Prof. A. Govardhan, Vice Chancellor, RGUKT, Basara, have participated on behalf TGCHE.

Representatives from NASSCOM / IT-ITeS Sector Skills Council are Dr. Abhilasha Gaur, CEO IT-ITeS SSC; Dr. Sandhya Chintala, Executive

Director IT-ITeS SSC & VP NASSCOM; Mr. Srikanth Srinivasan, Head - Membership & Outreach at NASSCOM & VP NASSCOM; Mr. Siva Prasad, Head ER&D NASSCOM; Mr. Raghu Kumar Pav, Dy. Director Membership & Outreach - AP, TS & East; Mr. Satish Kumar DV, Dy. Director ER&D NASSCOM were present for the signing ceremony.

TGCHE signs MoU with NASSCOM's IT-ITeS Sector Skills Council

- IT Minister Sridhar Babu reiterates CM's vision to empower every graduate with industry-relevant skills
- NASSCOM will facilitate the upskilling of one lakh learners annually over next three years in Telangana

HANS NEWS SERVICE
HYDERABAD

MINISTER for IT, D Sridhar Babu emphasised the crucial role of the Government of Telangana in the growth and development of the Information Technology and Communications (IT&C) sector.

During an event on Friday marking the signing of a Memorandum of Understanding (MoU) between the Telangana Council of Higher Education (TGCHE) and NASSCOM's IT-ITeS Sector Skills Council, he reiterated the Chief Minister's vision to empower every graduate with industry-relevant skills. He praised the collaborative efforts of TGCHE and NASSCOM in advancing this important mission. He high-

lighted the transformation of ITIs into Advanced Training Centres (ATCs), which will ensure job placement for all students. He further aimed to establish Hyderabad as the skilled capital of India.

Additionally, he stressed the significance of industry-academia collaboration by focusing on imparting skills that meet market demand and providing suitable industry internships for students in Telangana.

Dr. Abhilasha Gaur, CEO of the IT-ITeS Sector Skills Council, NASSCOM, highlighted the substantial contributions made by NASSCOM for the development of the IT industry in India. She also outlined various initiatives by the IT-ITeS Sector Skills Council aimed at strengthening skill development across the sector.

Prof. V. Balakista Reddy, Chairman of TGCHE, showcased recent initiatives to align higher education with industry demands. He elaborated on comprehensive curriculum reforms at the undergraduate level, ensuring that all students are exposed to technology-driven courses in emerging domains such as Digital Marketing, Cyber-

security, Fintech, Artificial Intelligence, and Sustainable Sciences. These transformative changes aim to significantly enhance the employability and industry readiness of graduates in Telangana.

The collaboration will offer micro-learning content, foundation and deep-skilling courses (both free and paid), and a specialised offline course in "Embedded Software Development and Testing" to build essential digital capabilities. NASSCOM will facilitate the upskilling of one lakh learners annually over the next three years in Telangana.

TGCHE will encourage universities and colleges to develop internal talent pools by motivating students to complete certifications that align academic learning with industry demands. Completion certificates will be awarded to eligible learners upon successful course completion.

Certified learners will be linked to potential employers via the Skill Sector Council (SSC) NASSCOM's Talent Connect - an employment-enabling platform that supports their transition from learning to earning.

Successful Conduct and Result Declaration of TG ECET2025

The Telangana Council of Higher Education (TGCHE), in collaboration with Osmania University, successfully conducted the Telangana State Engineering Common Entrance Test [TG ECET-2025] for Diploma and B.Sc. (Mathematics) candidates. Prof. P. Chandra Sekhar, Principal of University College of Engineering, OU, was appointed as the Convener of TG ECET-2025, under the chairmanship of Prof. Kumar Moluguram, Vice-Chancellor of Osmania University.

The CET Committee, constituted for overseeing the examination process, held its initial meeting on 8th February 2025. After thorough deliberations, the committee finalized a detailed activity schedule which was implemented meticulously, culminating in the successful declaration of results on 25th May 2025.

Highlights of TG ECET-2025:

- **Total Registrations:** 19,672
- **Examination Date:** 12th May 2025
- **Test Centers:** 86 centers across 16 zones in Telangana
- **Attendance:** 18,928 candidates appeared, with an overall attendance of 96.22%
- **Highest Attendance:** Metallurgical Engineering – 100%
- **Lowest Attendance:** B.Sc. (Mathematics) – 33.33%

The entire process, including online application submissions, hall ticket downloads, exam conduct, and result processing, was carried out smoothly. A preliminary key was released on 14th May 2025, and

candidates were given the opportunity to raise objections until 16th May 2025. Subject experts reviewed these objections thoroughly before finalizing the answer key used for result processing.

A crucial 2nd CET Committee meeting was held on the day of result declaration, 25th May 2025, to formally approve the release of results and issue of rank cards.

Prof. V. Balakista Reddy, Chairman of TGCHE, along with senior officials from Osmania University, closely monitored every stage of the examination process. Their proactive leadership, combined with the diligent efforts of the TG ECET-2025 team and technical staff, ensured the conduct of a transparent, error-free, and student-centric examination.

TGCHE extends its sincere appreciation to the electronic and print media for their cooperation and support throughout the process.

Girl power to the fore in TG ECET results

HANS NEWS SERVICE
HYDERABAD

AROUND 93.87 per cent of students qualified in the Telangana Engineering Common Entrance Test (TG ECET) 2025 results. Even this year, girls secured a higher qualifying percentage than boys.

The results were declared by TGCHE Chairman Professor V Balakista Reddy and Osmania University

Vice Chancellor and TG ECET Chairman Professor M Kumar on Sunday and the results are available on the official website <https://ecet.tgche.ac.in>.

According to officials, around 19,672 students registered, out of which 18,928 appeared and 17,768 qualified. Out of that, 17,093 (girls) secured a higher qualifying percentage, i.e. 95.81 per cent, than 11,835 (boys), who registered a

qualifying percentage of 92.71 per cent.

The top rankers in engineering and non-engineering streams are B Santosh Kumar of Medchal (BSc Mathematics), Lenka Tesajai of Andhra Pradesh (Chemical Engineering), Golkonda Nikhil Koushik of Jayashankar Bhupalpally (Civil Engineering), K Srikanth of Narayanpet (CSE), and Katle Revathi of Siddipet (ECE).

Kasula Srinivas of Hanumakonda (EEE), R-parthi Chandana of Jagtial (EIE), Pothuganti Karthik of Peddapalli (Mechanical Engineering), Thota Subrahmanyam of Andhra Pradesh (Metallurgical Engineering), Kurma Akshaya of Peddapalli (Mining Engineering), and Aili Chandana of Hanumakonda (Pharmacy) bagged top ranks in their respective streams.

Celebrating Heritage: Chairman TGCHE at Suravaram Pratap Reddy Telugu University's 129th Anniversary

Prof. V. Balakista Reddy, Chairman, TGCHE, presenting felicitations to senior Telugu University faculty during the university's 129th Anniversary celebrations at the Hyderabad campus.

Prof. V. Balakista Reddy, Chairman of the Telangana Council of Higher Education (TGCHE), graced the prestigious 129th Anniversary celebrations of Suravaram Pratap Reddy Telugu University, held on 28.05.2025 at the university campus in Hyderabad. The event was attended by esteemed academicians, cultural luminaries, faculty members, students, and distinguished guests.

Chairman delivered an inspiring address commending the University's tireless dedication to preserving and promoting Telugu language, literature, and cultural traditions. He emphasized that in an age driven by technological advancements and globalisation, institutions like Telugu University play a critical role in safeguarding linguistic heritage, shaping future scholars, and fostering cultural pride. Reddy also reiterated TGCHE's commitment to supporting initiatives in regional language education and cultural research.

Later in the programme, he joined other dignitaries to honor senior professors and eminent contributors to Telugu literary and cultural fields. The event featured vibrant cultural performances—including classical music renditions, folk dances, and poetry

recitals—highlighting the richness and dynamism of Telugu arts.

Chairman's participation underscored TGCHE's active support for higher education institutions engaged in cultural preservation, scholarly excellence, and community engagement.

సురవరం గొప్ప సంఘ సంస్కర్త: చిన్నారెడ్డి

DOST 2025-26 Phase-I Allotment Declared: Over 60,000 Students Secure UG Seats

Telangana Council of Higher Education (TGCHE), in collaboration with the Commissionerate of Collegiate Education (CCE), successfully conducted the Phase-I Seat Allotment process under Degree Online Services, Telangana (DOST) 2025-26. The announcement was formally made by Prof. V. Balakista Reddy, Chairman of TGCHE and Convener of DOST, along with senior officials from TGCHE, CCE, and CGG on 29.05.2025.

Key Statistics of DOST-2025 Phase-I Allotment

- Total Registered Candidates: 89,572
 - Aadhaar OTP Authentication: 84,820
 - DOST App: 2,030
 - MeeSeva Biometric: 2,722
- Web Options Submitted: 65,191
- Total Seats Allotted: 60,436
- Candidates Allotted Seat as Per First Priority: 42,014
- Candidates Allotted Seat as Per Second or Lower Priority: 18,422

Faculty-wise Seat Allotment

Faculty No. of Seats

Commerce	21,758
Physical Sciences	15,249
Life Sciences	11,005
Arts	5,986
Others	6,438
Total	60,436

Additional Data

- **English Medium Allotments:** 58,575
- **Female Candidates Allotted:** 38,041 (63%)
- **Total Colleges on DOST Platform:** 805
- **Total UG Courses Offered:** 457
- **Total Available Seats (Intake):** 3,71,096
- **Total Web Options Exercised:** 3,34,960

- **Zero-Allotment Colleges:** 74

Important Instructions to Allotted Students

1. **Online Self-Reporting** is mandatory between 30.05.2025 and 06.06.2025.
2. A reservation fee of ₹500 or ₹1,000 must be paid unless eligible for ePASS reimbursement.
3. **Failure to self-report online will result in seat cancellation.**
4. Students interested in better options must complete self-reporting to be eligible for **sliding in Phase-II**.
5. Final college reporting is scheduled between 24.06.2025 and 28.06.2025.

Upcoming Phase-II Schedule

- **Registration & Web Options:** 30.05.2025 – 09.06.2025
- **Phase-II Allotment Date:** 13.06.2025

Chairman's Note

"DOST continues to uphold transparency and efficiency in UG admissions across Telangana. Congratulations to all candidates who secured seats. We encourage remaining candidates to explore their options in Phase-II."

— Prof. V. Balakista Reddy, Chairman, TGCHE & Convener, DOST

TGCHE @ 14th Telangana Education Fair 2025 organized by HMTV - May 31, 2025

(Include photos from the event featuring Prof. Reddy at the inauguration, addressing the audience, and interacting with students/organizers.)

Prof. V. Balakista Reddy, Chairman of the Telangana Council of Higher Education, addressed students, educators, and parents as the **Chief Guest** at the **14th Telangana Education Fair – 2025**, organized by HMTV. Commending the organizers, Prof. Reddy lauded the fair as a “cornerstone event in the academic calendar of Telangana,” emphasizing its pivotal role in guiding students toward informed educational and career choices.

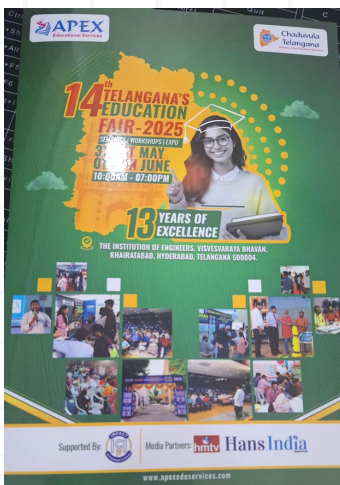

Key Highlights from the Chairman's Address:

Telangana's Higher Education Landscape:

- Telangana hosts **1,200+ degree colleges**, **17 state universities**, and several private and deemed universities.
- The state's **Gross Enrollment Ratio (GER)** stands at **38.4%**, significantly above the national average of 28.4%.
- Over **13 lakh students** are currently enrolled in higher education institutions across the state.
- Telangana is among the first to implement the

Choice-Based Credit System (CBCS), **Academic Bank of Credits (ABC)**, and the **Four-Year Undergraduate Programme (FYUP)**.

- These initiatives mark a shift toward flexible, multidisciplinary, and learner-centric education.

Industry-Relevant Skilling:

- More than **200 colleges** now offer **domain-specific programs** in high-demand fields such as **AI, Data Science, FinTech, Construction Management, and Digital Marketing**.
- The **Telangana Skill Hub Initiative** has benefitted over **40,000 students** with job-ready certifications through MoUs with leading industries.

Education Fairs – Catalysts for Opportunity:

Prof. Reddy emphasized that education expos are essential tools for **bridging the information gap**, especially for students from rural and semi-urban regions. He urged students to look beyond conventional degree programs and explore:

- Skill-building opportunities
- Domain internships
- Entrepreneurship and innovation
- Global collaborations

Call to Action for Stakeholders:

Prof. Reddy highlighted the importance of collaboration between **government, academia, industry, media, and students**, aligning with the National Education Policy (NEP)'s vision of integrated educational ecosystems. He applauded **HMTV's 14-year legacy** of organizing such impactful education fairs as a model of social responsibility in action.

Quote from the Chairman

“Higher education is no longer a one-lane road. It is a broad highway with multiple on-ramps and exits. You can learn, unlearn, and relearn throughout your career.”

— Prof. V. Balakista Reddy, Chairman, TGCHE

TV9 & KAB Education Expo 2025 Kicks Off at HITEX; JPNCE Expands Presence to Hyderabad

Mahabubnagar May

was formally inaugurated by Telangana State IT Minister S.R. Siddhar Babu and Chairman of the Telangana State Council of Higher Education, Prof. Balakista Reddy. On this occasion, they also released the official brochure of the institutions. Chairman of the institutions, K.S. Ravi Kumar, expressed his gratitude to the dignitaries for their support. He stated that Jayaprakash Narayan Engineering College, established in 1997, was the first engineering college in Mahabubnagar district. He said that their expansion plans, a new engineering college under the same brand is being launched this academic year in Bandlaguda, Hyderabad. College Principal Dr. Krishnamurthy, Head of Examinations R. Sandeep Kumar, and faculty members M. Suresh Babu and Sampath Patel attended the event.

మన తెలంగాణ / మహబూబ్ నగర్ టౌన్ : టివి9, కెఎఫ్ ఎమ్మకేషన్ ఎక్స్ పో 2025 ఆధ్వర్యంలో ఈనెల 23, 24, 25వ తేదీలలో హైదరాబాద్ హైటెక్స్ ఎగ్జిబిషన్ సెంటర్ లో నిర్వహిస్తున్నామని కళాశాల ప్రెసిసిపాల్ టి క్రిష్ణమూర్తి తెలిపారు. ఈ రాష్ట్రంలోని ప్రముఖ ఇంజనీరింగ్ కళాశాలలు ఈ ఎగ్జిబిషన్ లో పాల్గొంటున్నాయని తెలిపారు. ఇంజనీరింగ్ విద్యన, వివిధ విభాగాలను గురించి, వాటికి సంబంధించి శిక్షణ, ఉద్యోగ అవకాశాల గురించి ఇంజనీరింగ్ చేర

1997 సం. 0ంలో స్థాపించబడిన మొట్టమొదటి ఇంజనీరింగ్ కళాశాల జయప్రకాష్ నారాయణ ఇంజనీరింగ్ కళాశాల అని, తన విద్యా పరిధిని హైదరాబాద్ కు విస్తరించే భాగంగా జయప్రకాష్ ఇంజనీరింగ్ కళాశాల పేరుతో బండ్లగూడ ప్రాంతంలో ఈ విద్యా సంపత్కరంలో ప్రారంభిస్తున్నామని తెలిపారు. ఈ కార్యక్రమంలో కళాశాల ప్రిన్సిపాల్ పి క్రిష్ణమూర్తి, పరిశ్రమ విభాగాధిపతి కె నందీష్ కుమార్, కళాశాల అధ్యాపకులు వెంకటేశ్, సంపత్ పటేల్ పాల్గొన్నారు.
