18.	Farewell Felicitation to Smt. V. Sasikala, Superintendent, TGCHE on Superannuation	30

Dear Readers,

It gives me immense satisfaction to present the **August 2025 Edition of the TGCHE Newsletter**, which documents and reflects the Council's academic, collaborative, and developmental initiatives during this dynamic month.

The past weeks have been rich with activities that underscore the Council's mission of **promoting excellence, innovation, and inclusivity in higher education** across Telangana. We began the month with deliberations on **Excellence in B-Schools** and meaningful participation in **graduation and orientation ceremonies** across leading institutions, where I had the privilege of interacting with young students stepping into higher education. These moments reaffirmed the vital role of institutions in nurturing the next generation of innovators, leaders, and responsible citizens.

A major highlight was the signing of a **Memorandum of Understanding with the University of San Diego**, which strengthens Telangana's global academic footprint and paves the way for collaborative research, student exchanges, and international exposure. Equally significant was the **Brainstorming Workshop on NIRF Rankings**, a joint initiative with SKLTGHU, which brought together Vice-Chancellors, academicians, and administrators to strategize on enhancing quality benchmarks and national visibility of our universities.

This month also carried deep symbolic value as we commemorated the **birth anniversary of Prof. Kothapalli Jayashankar**, whose vision continues to inspire the higher education landscape of Telangana. **The celebration of the 79th Independence Day at TGCHE** was yet another reminder of our collective responsibility to uphold the values of knowledge, service, and nation-building.

Representing Telangana at the **EPSI National Conference on India@2047** was a moment of pride, as it offered a platform to share the state's higher education reforms and vision with national leaders, policymakers, and educationists. These engagements further strengthen our resolve to make Telangana a model state in higher education excellence by 2047.

Amid these achievements, we also experienced a moment of gratitude and emotion as the Council bid farewell to **Smt. V. Sasikala, Superintendent, TGCHE**, on her retirement after decades of sincere and devoted service. Her contributions will remain an integral part of the Council's journey, and we wish her happiness and good health in the years ahead.

I also extend my warm appreciation to the academic community, partner institutions, and stakeholders who continue to work with us in advancing the cause of higher education in Telangana.

May this Newsletter serve not only as a record of our initiatives but also as a source of inspiration to continue striving for **quality, innovation, and global competitiveness** in the years to come.

– Prof. V. Balakista Reddy, Chairman, TGCHE

TGCHE Chairman Inaugurates National Workshop on Excellence in B-Schools

Prof. V. Balakista Reddy, Chairman, TGCHE, inaugurating the National Workshop on "Building Excellence in B-Schools" organized by AIMS at the newly established AIMS Secretariat, Hyderabad, on August 1, 2025, in the presence of senior academic leaders and B-School directors from across India.

Prof. V. Balakista Reddy, Chairman, Telangana Council of Higher Education (TGCHE), inaugurated a two-day **National Workshop on "Building Excellence in B-Schools: Academic Leaders' Strategies for Institutional Development"** on August 1, 2025, at the newly established AIMS Secretariat, Hyderabad. The event was organized by the Association of Indian Management Schools (AIMS).

Addressing an audience of over **50 Deans and Directors** from premier B-Schools across India, Prof. Reddy highlighted the pivotal role of **human resource development** in shaping India's future, particularly in the context of **emerging technologies and global competitiveness**. He underlined the need for a **skilled and qualified workforce** to meet evolving industry demands and drive the nation's economic growth. He also emphasized the importance of **regulatory clarity** in tariffs and policies to support sustained business and institutional development.

The workshop was graced by senior academic leaders including:

- **Prof. Ramakanta Patra**, President, AIMS
- **Prof. Nandagopal**, Former President
- **Prof. Narayana Reddy**, Workshop Coordinator
- **Prof. Shrinivas Acharya**, Regional Vice President (South)
- **Prof. P. Ramesh**, Board Member
- **Dr. Ch. S. Durga Prasad**, Executive Director, AIMS

The sessions were enriched by eminent resource persons from both **academia and industry**, focusing on **innovation, strategic planning, and technology integration** in management education. Participants engaged in productive deliberations on enhancing teaching quality, promoting research, and strengthening governance in B-Schools.

This national-level workshop not only fostered collaboration among academic leaders but also reaffirmed **Hyderabad's status as a centre of excellence** in higher education and institutional leadership.

Prof. V. Balakista Reddy, Chairman, TGCHE, Graces Graduation Day of Siva Sivani Group of Institutions

Prof. V. Balakista Reddy, Chairman, TGCHE, addressing the graduating students at the Siva Sivani Group of Institutions on 3rd August 2025.

Hyderabad | August 3, 2025: Prof. V. Balakista Reddy, Chairman, Telangana Council of Higher Education (TGCHE), attended the Graduation Ceremony of the Siva Sivani Group of Institutions as the Chief Guest. The event witnessed a vibrant gathering of graduating students, proud parents, faculty members, and dignitaries. In his keynote address, Prof. Reddy delivered an inspiring and forward-looking speech, congratulating the graduating class and encouraging them to be the architects of a new India.

In his address, Prof. Reddy emphasized that graduation is not merely a ceremonial event, but a major milestone that marks the successful completion of a significant phase in every student's academic and personal journey. He lauded the graduates for their dedication, perseverance, and resilience, especially in navigating the evolving demands of education in a fast-changing world.

Commending the Siva Sivani Group of Institutions, the Chairman appreciated the institution's sustained focus on academic excellence, discipline, and holistic education. He noted that Siva Sivani has made a meaningful contribution to the higher education landscape of Telangana and India at large by nurturing professionally competent, ethically grounded, and

socially responsible individuals.

Prof. Reddy also took the opportunity to highlight the strategic vision of Telangana's Higher Education Roadmap towards Vision 2047, which is being implemented under the guidance of TGCHE. He outlined the key pillars of this vision, which include:

- **Curriculum Reforms:** Enhancing the quality of education through outcome-based learning models that align with national and global standards.
- **Research and Innovation:** Promoting cutting-edge research in areas such as Artificial Intelligence, Data Science, Green Technologies, and fostering entrepreneurial mindsets through startup incubation centers.
- **Inclusive Education:** Ensuring equitable access to higher education for all sections of society through the expansion of digital learning platforms and targeted outreach to rural and underserved regions.
- **Global Collaboration:** Encouraging international partnerships, student exchange programs, industry internships, and skill-based education in alignment with the National Education Policy (NEP) 2020.

Addressing the graduates directly, Prof. Reddy delivered a powerful message on the importance of lifelong learning, ethical leadership, and social responsibility. He urged them to:

1. Be Lifelong Learners – to stay adaptable and curious in an ever-evolving global environment.
2. Think Globally, Act Locally – to use their education and skills for the betterment of their communities while remaining aware of global challenges.
3. Lead with Ethics and Empathy – to value integrity, compassion, and a sense of purpose in whatever career path they pursue.

He also paid heartfelt tribute to the faculty and parents, acknowledging their silent but significant contributions to the students' journey. "Behind every graduate stands a teacher and a parent whose unwavering support made this day possible," he said.

In conclusion, Prof. Reddy reminded the graduates that their degree is not just a certificate, but a responsibility – a commitment to excellence, service, and innovation. He wished all students a purposeful life ahead, filled with success, growth, and meaningful contributions to society and the nation.

The event concluded with a vote of thanks by the Principal and felicitation of graduates, leaving the audience inspired and hopeful for the future leaders of India.

TGCHE Chairman Emphasizes Faculty Capacity Building for Implementing Apprenticeship Embedded Degree Programmes in Telangana in City College, Hyderabad

Prof. V. Balakista Reddy, Chairman, Telangana Council of Higher Education (TGCHE), attended the Faculty Development Programme (FDP) on “Capacity Building for Faculty: Implementing Apprenticeship Embedded Degree Programmes in Telangana” as the Chief Guest and delivered the keynote address.

Addressing the gathering of faculty, institutional heads, and stakeholders, Prof. Reddy emphasized the transformative role that Apprenticeship Embedded Degree Programmes (AEDPs) play in reshaping the higher education landscape of Telangana in line with the vision of the National Education Policy (NEP) 2020.

Contextualizing NEP 2020 and the Importance of AEDPs

Prof. Reddy noted that NEP 2020 strongly advocates the integration of vocational education, industry exposure, and skill-based learning within the mainstream academic framework. AEDPs are emerging as a critical pathway to enhance employability and ensure students graduate with practical, job-ready skills.

He highlighted that AEDPs offer a “learn and earn” model, blending classroom instruction with structured on-the-job training. Quoting recent data, he pointed out that graduates from apprenticeship-integrated programmes demonstrate 25–30% higher employability compared to their peers in traditional degree programmes. This shift, he said, marks a significant move away from rote learning to experiential and applied education.

Faculty: The Driving Force Behind Implementation

Prof. Reddy underscored the pivotal role of faculty in the successful rollout of AEDPs. He urged educators to evolve their roles and take on new responsibilities such as:

- Redesigning curricula to include apprenticeship modules,
- Liaising with industry partners to coordinate student training,

- Monitoring student progress, ensuring academic rigor, and mentoring learners throughout the apprenticeship cycle.

He added that this FDP serves as an essential step in preparing faculty for these expanded roles, and congratulated the organizers for initiating this capacity-building endeavour.

TGCHE's Strategic Initiatives and Support Mechanisms

Highlighting the proactive stance of TGCHE, Prof. Reddy assured participants that the Council is committed to facilitating the smooth implementation of AEDPs across the State. He outlined several initiatives:

- Facilitating approval and adoption of AEDP curricula across universities and colleges,
- Establishing partnerships with Sector Skill Councils (SSCs), industries, and skill development agencies,
- Leveraging government schemes like the National Apprenticeship Promotion Scheme (NAPS) for stipend support and institutional incentives,
- Setting up a State-level AEDP Monitoring Cell to ensure effective implementation and quality assurance.

Call to Action: Making Telangana a Leader in AEDPs

In conclusion, Prof. Reddy called upon faculty members to embrace this paradigm shift with dedication and innovation. He said, “Apprenticeship Embedded Degree Programmes are not just another academic initiative—they represent a systemic transformation in how we prepare our youth for the future.”

He expressed confidence that Telangana, with its strong academic ecosystem and progressive governance, is well-positioned to emerge as a national leader in apprenticeship-integrated higher education.

TGCHE Commemorates Birth Anniversary of Prof. Kothapalli Jayashankar

The Telangana Council of Higher Education (TGCHE) solemnly celebrated the birth anniversary of Prof. Kothapalli Jayashankar, the ideologue of Telangana and a visionary educationist, on 6th August 2025 at the Council premises.

The event began with floral tributes to Prof. Jayashankar's portrait, followed by a brief remembrance ceremony. Speaking on the occasion, Prof. V. Balakista Reddy, Chairman, TGCHE, highlighted the invaluable contributions of Prof. Jayashankar to the Telangana movement

and his deep commitment to social justice, regional equity, and educational empowerment.

He further emphasized that Prof. Jayashankar's ideals continue to inspire the Council's vision for inclusive and equitable higher education in Telangana. Staff members and officials of TGCHE participated in the event and shared reflections on Prof. Jayashankar's life, values, and legacy.

The celebration served as a reminder of the enduring relevance of Prof. Jayashankar's thoughts in shaping policies and reforms in Telangana's higher education sector.

TGCHE Signs MoU with University of San Diego to Strengthen Global Academic Collaborations

Prof. Chell Roberts, Dean, Shiley-Marcos School of Engineering, University of San Diego, and Prof. Sriram Venkatesh, Secretary, TGCHE, exchange the signed MoU in the presence of Prof. V. Balakista Reddy, Chairman, and Prof. E. Purushotham, Vice Chairman-I, TGCHE, on 7th August 2025 at Hyderabad.

In a significant step towards the internationalization of higher education in Telangana, the Telangana Council of Higher Education (TGCHE) signed a Memorandum of Understanding (MoU) with the University of San Diego (USD), USA, on **7th August 2025**.

The MoU was formally signed by **Prof. Chell Roberts**, Dean, Shiley-Marcos School of Engineering, University of San Diego, and **Prof. Sriram Venkatesh**, Secretary, TGCHE, in the esteemed presence of **Prof. V. Balakista Reddy**, Chairman, TGCHE, and **Prof. E. Purushotham**, Vice Chairman-I, TGCHE.

This collaboration aligns with the Government of Telangana's vision to globalize its higher education system and foster academic excellence through strategic international partnerships. The MoU outlines the following key areas of cooperation:

- **Online Certification Programs** in emerging technologies such as Artificial Intelligence, Cybersecurity, and Data Science.
- **Faculty Development Initiatives** focusing on training, academic leadership, and upskilling.
- **Global Outreach Programs** aimed at extending access to quality international education for rural youth in Telangana.
- **Virtual Student Internships** to provide global industry exposure.
- **Collaborative Research and Joint Publications** between faculty and scholars from both institutions.

Importantly, the MoU also envisions structured pathways for meritorious students from Telangana to pursue higher education opportunities at internationally reputed universities like USD.

This partnership marks a major milestone in TGCHE's mission to integrate Telangana's higher education ecosystem with global academic standards, promote skill development, and nurture innovation-driven public service.

Chairman, TGCHE, Prof. V. Balakista Reddy, along with Hon'ble Justice K. Lakshman, addressing graduates at PRR Law College Mini Convocation.

The Chairman of the Telangana Council of Higher Education (TGCHE) attended the 19th Mini Convocation of Padala Rama Reddi (PRR) Law College, Hyderabad, held on 9th August 2025, as the Distinguished Guest. The ceremony was conducted with academic splendour to confer degrees upon graduates of LL.B. (3-Year & 5-Year) and LL.M. programmes.

Distinguished Gathering

The event was attended by eminent dignitaries including Justice K. Laxman, High Court Judge, High Court of State of Telangana, who administered the graduates' oath to uphold the Constitution and serve society with integrity. The Principal, faculty members, parents, and a large number of graduating students witnessed the solemn occasion.

Chairman's Address

In his keynote address, the Chairman congratulated the graduating class on their academic achievements and urged them to carry forward the noble traditions of the legal profession. He highlighted the vital role of law graduates in strengthening justice delivery, shaping public policy, and ensuring social equity.

The Chairman further emphasized the need for young legal professionals to stay abreast of **emerging domains** such as Cyber Law, Intellectual Property Rights, and Alternative Dispute Resolution. He underscored that continuous learning, adaptability, and ethical practice would enable them to excel not only in courtrooms but also in diverse fields such as corporate law, governance, and academia.

Encouraging the graduates to see themselves as **nation-builders**, he reminded them that law is not just a profession but also a commitment to democracy, fairness, and societal well-being.

Institutional Legacy

Established in 1988 under the Padala Rama Reddi Educational Society and affiliated with **Osmania University**, PRR Law College has been a pioneer in nurturing competent and socially conscious legal professionals. The convocation reaffirmed its tradition of academic excellence and commitment to producing advocates, judges, and scholars who contribute meaningfully to society.

The presence of the TGCHE Chairman as Distinguished Guest further strengthened the bond between the Council and institutions of

professional education, reflecting TGCHE's commitment to **supporting quality education, promoting skill development, and enhancing employability across Telangana's higher education landscape.**

Address by Hon'ble Justice K. Lakshman

Delivering the convocation address, Justice K. Lakshman motivated the young graduates to uphold the rule of law, fairness, and truth in every aspect of their professional and personal lives. He reminded them that the legal profession is both challenging and rewarding, offering opportunities not only for personal success but also for contributing to the progress of society.

Justice Lakshman stressed that lawyers and legal professionals play a critical role in strengthening democratic institutions, protecting fundamental rights, and guiding society through complex legal and ethical challenges.

A Memorable Occasion

The convocation ceremony witnessed the award of certificates to the graduating batch, marking the beginning of their journey into the world of law and justice. Proud parents, teachers, and well-wishers applauded the achievements of the students, while the dignitaries encouraged them to carry forward the values instilled during their education.

The presence of Chairman, TGCHE and Justice K. Lakshman made the event truly special, inspiring both students and faculty to strive for excellence in the pursuit of legal education and professional service.

Brainstorming Workshop to Boost NIRF Rankings of Telangana State Universities SKLTGHU & TGCHE Joint Initiative for Academic Excellence

Prof. V. Balakista Reddy, Chairman, TGCHE, addressing Vice-Chancellors and academic leaders during the Brainstorming Workshop on NIRF Rankings at SKLTGHU, Mulugu

Sri Konda Laxman Telangana Horticultural University (SKLTGHU), Mulugu, in association with the Telangana Council of Higher Education (TGCHE), Hyderabad, organized a high-impact **One-Day Workshop on the National Institutional Ranking Framework (NIRF)** at the SKLTGHU campus on dt.11.08.2025. The programme was designed to bring together key academic leaders of Telangana's higher education ecosystem to **deliberate on strategies, challenges, and best practices** for improving the national and global standing of State Universities.

The workshop witnessed the participation of **Vice-Chancellors, Deans, Directors (IQAC), and senior academic representatives** from twelve State Universities, reflecting a unified commitment to raising the academic profile of Telangana. The focus was on building capacity, strengthening internal processes, and ensuring preparedness for higher performance in NIRF rankings.

Chairman, TGCHE, Sets the Vision for Telangana's Higher Education Excellence

Prof. V. Balakista Reddy, Chairman, TGCHE, graced the occasion as **Chief Guest** and delivered a keynote address that set the tone for the workshop. Citing the **National Education Policy**

(NEP) 2020, he stressed that rankings play a vital role in shaping a university's reputation and in attracting **research funding, industry partnerships, and international collaborations**.

He emphasized that **NIRF rankings are not just about numbers, but about the academic strength, research productivity, student success, and institutional vision** that they represent. Drawing parallels between the corporate world's Corporate Social Responsibility (CSR) and academia's Academic Social Responsibility (ASR), he called for universities to engage meaningfully with society and contribute to the development of their communities.

Prof. Reddy urged universities to focus on:

- **Strategic Planning** with clear, measurable goals for each ranking parameter
- **Robust Data Management Systems** to ensure accuracy and transparency in reporting
- **Research Culture Development** through faculty incentives, collaborative projects, and interdisciplinary studies
- **Student Discipline & Attendance** as indicators of institutional seriousness and academic engagement

- **Self-Revenue Generation Models** to supplement state funding and improve infrastructure
- **Brand Building & Institutional Visibility** through publications, outreach, and digital presence

He remarked, "NIRF is not merely a ranking exercise; it is a roadmap for institutional excellence. By working collectively and strategically, we can transform Telangana's universities into national benchmarks of quality and innovation, making our State a leader in higher education."

On this occasion, he congratulated SKLTGHU for its proactive initiatives, including the publication of '**SKLTGHU at a Glance**' and the launch of the "**MyLOFT**" (My Library on Finger Tips) mobile application to provide students and faculty with **seamless 24/7 access to e-resources**.

Presidential Address and Institutional Collaboration

In his presidential remarks, **Dr. D. Raji Reddy**, Vice-Chancellor, SKLTGHU, stressed the urgent need to **improve the rankings of Telangana's State Universities** to remain competitive at the national level. He highlighted the importance of **networking and collaboration** between universities for **sharing resources, expertise, and best practices**.

He observed that improving rankings is not a short-term exercise but a **continuous institutional process** involving multiple stakeholders — administration, faculty, students, and alumni.

Insights from Telangana's Vice-Chancellors

The workshop saw **active engagement** from senior academic leaders:

- **Prof. Pratap Reddy**, Vice-Chancellor, Kakatiya University – Emphasized mandatory student attendance policies to improve academic engagement and outcomes.
- **Prof. Khaja Althaf Hussain**, Vice-Chancellor, Mahatma Gandhi University – Stressed the importance of maintaining discipline to create an environment conducive to learning.
- **Prof. T. Kishen Kumar Reddy**, Vice-Chancellor, JNTU – Addressed funding constraints as a major challenge and called for innovative resource mobilization.

- **Prof. G. N. Srinivas**, Vice-Chancellor, Palamuru University – Highlighted the critical role of systematic data management in ranking improvement.
- **Prof. Gnanaprakash**, Vice-Chancellor, PVNRT Veterinary University – Suggested strengthening **Internal Quality Assurance Cell (IQAC)** functions and continuous monitoring of performance indicators.

Each Vice-Chancellor shared practical insights from their institutional experiences, paving the way for a **collective action plan** tailored to Telangana's unique academic landscape.

Technical Sessions and Strategic Discussions

The technical session was led by **Dr. K. Veeranjanyulu**, Consultant, SKLTGHU, who provided a detailed overview of:

- **NIRF Ranking Categories & Parameters**
- **Current Performance of Telangana State Universities** in the national context
- **Gap Analysis** to identify areas needing urgent attention
- **Actionable Strategies** for short-term and long-term ranking improvement

His presentation was followed by an **interactive session** where Vice-Chancellors and IQAC Directors deliberated on common challenges such as **low research output, limited Ph.D. production, inadequate infrastructure, and difficulties in data collection and verification**.

Publications and Digital Initiatives Launched

During the programme, **Prof. V. Balakista Reddy**, Chairman, TGCHE, along with other dignitaries, formally released the '**SKLTGHU at a Glance**' publication, which showcases the university's achievements, programmes, and strategic goals. The event also marked the launch of the "**MyLOFT**" **Mobile App**, designed to provide students and faculty with **instant, mobile-friendly access to a wide range of digital academic resources**, aligning with the State's vision of technology-enabled education.

Commitment from TGCHE

Concluding the deliberations, **Prof. V. Balakista Reddy** assured full support from the **Telangana Council of Higher Education** in implementing the strategies discussed during the workshop. He reiterated the Council's commitment to:

- **Capacity Building Programmes** for faculty and administrators
- **Resource Sharing** among State Universities to optimize efficiency
- **Policy Support** to align institutional practices with NEP 2020 and national ranking requirements
- **Advocacy with the Government of Telangana** to address funding, infrastructure, and policy-level gaps

He expressed confidence that **with coordinated action and sustained focus**, Telangana's universities can **achieve higher NIRF positions** and gain national recognition for academic excellence.

Way Forward

The workshop concluded with a sense of **renewed determination** among all participants to translate discussions into measurable progress. The recommendations from this brainstorming session will serve as a **guiding framework** for universities to improve their **academic outcomes, research productivity, student engagement, and global visibility**.

This initiative marks a **significant step** in TGCHE's ongoing mission to position Telangana as a **hub of quality higher education** in India, fostering **innovation, inclusivity, and academic leadership**.

Chairman, TGCHE Inspires First-Year Students at JBIT & BEC Orientation Programme

Prof. V. Balakista Reddy, Chairman, TGCHE, addressing first-year students at the Orientation Programme of J.B. Institute of Engineering & Technology and Bhaskar Engineering College.

Prof. V. Balakista Reddy, Chairman, Telangana Council of Higher Education (TGCHE), addressed the Orientation Programme for first-year engineering students of J.B. Institute of Engineering & Technology (JBIT) and Bhaskar Engineering College (BEC), organised by the Joginpally B.R. Educational Society at Moinabad, Hyderabad on 13.08.2025.

In his address, Prof. Reddy congratulated the students for embarking on a new academic journey and expressed appreciation to the management for their continued commitment to quality higher education in Telangana.

About the Institutions

- JBIT, established in 1998, is an autonomous institution affiliated with JNTUH. It holds NBA accreditation, NAAC 'A' grade, and is equipped with advanced laboratories, research centres, and innovation hubs, producing industry-ready graduates and entrepreneurs.

- BEC, founded in 2007, also affiliated with JNTUH, is known for its emphasis on practical learning, innovation, and strong industry linkages.

Engineering Education in Telangana

Prof. Reddy highlighted that Telangana hosts over 270 engineering colleges producing nearly 90,000 graduates annually, with the State emerging as a hub for IT, Electronics, Defence Manufacturing, and Pharma. However, citing AICTE and NIRF data, he noted that only about 45–50% of graduates are immediately employable in their core domains, underscoring the need for stronger skill-based learning and industry integration.

Guidance to Students

Encouraging the first-year students, Prof. Reddy outlined key success strategies:

- Learn emerging technologies like AI, Data Science, IoT, Cybersecurity, and Green Engineering.

- Participate in hackathons, student clubs, and community projects.
- Maintain discipline, attendance, and active engagement.
- Pursue internships early to gain real-world exposure.
- Think globally while contributing locally.

“Engineering is not just about getting a degree — it's about solving problems, innovating, and improving lives,” he said.

Role of TGCHE

Prof. Reddy reaffirmed TGCHE's mission to:

- Enhance institutional quality through accreditation, rankings, and faculty development.

- Strengthen industry-academia partnerships.
- Promote skill-based and research-oriented education in line with NEP 2020.
- Support digital initiatives such as e-content, virtual labs, and blended learning.

Closing Message

Prof. Reddy requested students to dream big, work hard, and embrace lifelong learning, stating, “The next four years will shape your career, character, and confidence. Take ownership of your learning journey and make the best use of your faculty and resources.”

Hans India JBIET, BEC hold Orientation Day ceremony

HANS NEWS SERVICE
HYDERABAD

THE Orientation Day 2025 ceremony for the newly admitted first-year B.Tech students of J.B. Institute of Engineering & Technology (JBIET) and Bhaskar Engineering College (BEC) was hosted at MNR Auditorium in the city on Wednesday. The event aimed to familiarize students with the institutions' academic culture, teaching and learning process, academic calendar, student activity center, student clubs, training and placement opportunities, marking the beginning of their professional journey. The program was graced by Prof. V. Balakista Reddy, Chairman, Telangana Council of Higher Education (TGCHE), as the Chief Guest, and HG Sonar Gauranga Das of ISKCON, Hyderabad, as the Guest of Honor.

J.V. Krishna Rao, Secretary, JBES, spoke about the extensive academic activities, the growth of JBES over the last 26 years, infrastructural development, the JB Institute of Inventors Association of India, student participation at the national level in sports and co-curricular facilities offered at JBES, and extended

a warm welcome to the new students. In his keynote address, Prof. V. Balakista Reddy encouraged students to embrace curiosity, critical thinking, and innovation to meet global challenges. He informed students they should focus on digital technology; regular attendance is directly proportional to results. Students should follow the academic calendar meticulously in order to flourish in their careers. HG

Sonar Gauranga Das of ISKCON, Hyderabad, inspired them with a message on ethics, values, and holistic growth.

Prof. Ch. Sanjay, Director, JBES, focused mainly on global attributes of engineers, saying engineering graduates need a strong combination of technical excellence, cross-cultural awareness, and industry readiness.

Dr. P.C. Krishnamachary, Principal, JBIET; Dr. Sumagna Patnaik, Principal, BEC; the Principal of Bhaskar Engineering College; and Sri. Vijay Rao, Campus Administrator, JBGEI, also addressed

the gathering. The event also featured informative sessions on anti-ragging measures by Dr. J. Kartigeyan, Dean of Student Affairs, JBIET; career readiness & placements by Dr. Md. Asif, TPO, JBIET; entrepreneurship opportunities through JBIET by Dr. Anoop Kumar Shukla; and examination guidelines by Dr. P. Srinivasa Rao, Controller of Examinations, JBIET. The program concluded with a vote of thanks by Dr. Md. Salauddin, Dean of Academics, JBIET. The day not only welcomed the new batch into the JBES family but also set the tone for their academic and personal growth in the years ahead.

79th Independence Day Celebrations at TGCHE

Date: 15 August 2025 | Venue: TGCHE Office, Hyderabad

Chairman, Vice-Chairman, Secretary, and staff of TGCHE & TAFRC at the 79th Independence Day celebrations held at the TGCHE Office, Hyderabad.

The Telangana Council of Higher Education (TGCHE) celebrated the 79th Independence Day with great fervor and patriotic spirit at its office premises in Hyderabad.

Prof. V. Balakista Reddy, Chairman, TGCHE, unfurled the national flag, joined by Prof. Etikaala Purushotham, Vice-Chairman (I), Prof. Sriram Venkatesh, Secretary, TGCHE, and staff members of TGCHE & TAFRC. The event was marked by enthusiastic participation and a deep sense of national pride.

Chairman's Address

In his Independence Day message, Prof. Reddy called upon everyone to cherish the hard-earned freedom and to always remember the sacrifices of India's freedom fighters. He expressed confidence that Telangana, the youngest state of India, will emerge as a leader in higher education, driving transformative changes that empower the youth with skills for a dynamic and competitive world.

He reaffirmed TGCHE's commitment to advancing the State Government's initiatives under Telangana Rising-2047, emphasizing the

goal of nurturing a generation ready to contribute to a Viksit Bharat – a developed India that leads in knowledge, economy, and education while addressing global challenges.

Vice-Chairman's Message

Speaking on the occasion, Prof. Etikaala Purushotham, Vice-Chairman-I, highlighted the responsibility of the young generation to uphold the values of social justice and gender equality in higher education. He stressed the importance of promoting technology-centric curricula and inclusive education that foster unity, harmony, and equity in society.

Vote of Thanks

Prof. Sriram Venkatesh, Secretary, TGCHE, proposed a vote of thanks, expressing gratitude to all dignitaries, staff members, and participants for making the celebration meaningful and memorable.

The event concluded with a renewed sense of commitment towards building a progressive, inclusive, and knowledge-driven Telangana.

Chairman, TGCHE graces Graduation Ceremony of BVRIT Hyderabad College of Engineering for Women

Chairman, TGCHE, congratulating the graduating Class of 2025 at BVRIT Hyderabad College of Engineering for Women.

Prof. V. Balakista Reddy, Chairman, Telangana Council of Higher Education (TGCHE), graced the **Graduation Ceremony of BVRIT Hyderabad College of Engineering for Women** as the Chief Guest and delivered the Convocation Address on dt.17.08.2025. The event was attended by the honourable management of the Sri Vishnu Educational Society, Principal, faculty members, proud parents, and the graduating Class of 2025.

Celebrating BVRIT Hyderabad's Achievements

The Chairman lauded the institution for its academic excellence and outstanding placement record. Students of BVRIT Hyderabad have secured offers from top global companies such as **Microsoft (₹52 LPA), Amazon SDE (₹48.6 LPA), and Visa (₹32.76 LPA)**, along with placements in reputed firms like **Accenture, Amadeus, and Athenahealth**. He praised the institution's commitment to quality, reflected in its NAAC "A" grade accreditation and NBA-accredited programs.

Women Leading in Higher Education

Prof. Reddy highlighted the larger national trend of women's growing participation in higher education. India's female **Gross Enrolment Ratio (GER)** has reached **28.5% (2.07 crore women students)**, with the Gender Parity Index standing

at **1.01**—showing women are slightly ahead of men in enrolment.

He emphasized that Telangana is at the forefront of this progress, with the female GER **touching 41.6%**, surpassing the male GER. This, he noted, reflects the combined impact of family support, institutional commitment, and progressive public policies.

From Education to Employment

Linking higher education with workforce trends, Prof. Reddy pointed out that India's **female labour force participation rate rose from 37.0% (2022-23) to 41.7% (2023-24)**, with women's worker population ratio reaching **40.3%**. Graduates were encouraged to sustain this momentum by converting educational achievement into impactful employment and leadership opportunities, particularly in STEM and innovation-driven sectors.

Five Commitments for Career and Nation-Building

In his inspiring address, Prof. Reddy urged graduates to commit themselves to:

1. Staying problem-first.
2. Owning their learning curve.

3. Converting opportunity into equity.
4. Building ethically, by design.
5. Thinking “Telangana to the World” –leveraging Hyderabad's innovation ecosystem to create startups, labs, and enterprises with global impact.

Message to Parents and Faculty

He extended gratitude to parents for supporting their daughters' aspirations, which has significantly contributed to Telangana's impressive female GER. He also commended the faculty for shaping employable graduates and nurturing future leaders.

The Graduate's Oath

The Chairman invited the graduating engineers to take an oath to:

- Use knowledge to solve real problems.
- Lead with integrity and empathy.
- Create opportunities for others.
- Leave every system fairer, safer, and more sustainable.

Closing Note

Congratulating the **Class of 2025**, Prof. Reddy reminded them that graduation is not the end of learning, but the beginning of leadership. He urged them to “write code that serves, design systems that include, and build companies and communities that uplift.”

On behalf of **TGCHE**, he conveyed his best wishes to the graduates and their families for a future marked by courage, curiosity, and compassion.

Chairman, Prof. V. Balakista Reddy, attended the Golden Jubilee Celebrations of Kakatiya University, Warangal, on 19th August 2025, as Chief Guest.

Prof. V. Balakista Reddy, Chairman, TGCHE, addressing the Golden Jubilee Celebrations of Kakatiya University on the theme “Innovative Skills for Empowerment – Science and Technology for Transforming Young India,” Warangal, 19th August 2025

The Telangana Council of Higher Education (TGCHE) Chairman, **Prof. V. Balakista Reddy**, attended the **Golden Jubilee Celebrations of Kakatiya University, Warangal, on 19th August 2025**, as Chief Guest. Message from TGCHE Chairman at KU Golden Jubilee “**Science is Knowledge, Technology is Application, Dharma is Guidance**”

In his address, Prof. Reddy congratulated Kakatiya University for completing **50 glorious years of academic excellence, research, and community service**. He applauded the institution's role in transforming higher education in northern Telangana and producing generations of scholars, professionals, and innovators.

Speaking on the **theme of the celebration**, Prof. Reddy highlighted that science is the systematic pursuit of knowledge—beginning with the questions “Why? How? What if?”—while technology is the application of this knowledge for the betterment of humanity. Science expands knowledge; technology translates it into tools, systems, and solutions that empower society.

He explained that the **evolution of science and technology** has been a continuous journey —

- From **ancient astronomy and mathematics to quantum computing and genetic engineering**.
- From the **zero and Ayurveda gifted by India to modern space exploration**.
- From **Sputnik (1957) and Moon landing (1969) to India's Chandrayaan-3 (2023) and the upcoming Gaganyaan Mission**.

Prof. Reddy stressed that science and technology are not just academic pursuits, but **engines of**

empowerment and equity. They shape industries, create jobs, drive innovation, and ensure India's competitiveness in the global arena. Referring to Telangana's progress, he cited initiatives such as **T-Hub, WE-Hub, TASK, and TSIC** that are nurturing young innovators and entrepreneurs.

Drawing inspiration from **Dharmashastra traditions**, he said that just as Dharma provided ethical guidance to human behaviour, today's science and technology must be guided by **sustainability, inclusivity, and justice**. He reminded students and researchers that innovation should focus on real-world challenges like **clean energy, rural health, sustainable agriculture, digital inclusion, and space exploration**.

Prof. Reddy called upon students to become **future creators and innovators**, contributing to **Viksit Bharat @2047**. He urged universities like Kakatiya to:

- Strengthen interdisciplinary research.
- Forge stronger industry-academia collaborations.
- Promote startups and innovation clubs.
- Enhance women's participation in STEM education.

Concluding, he wished that Kakatiya University's **Golden Jubilee** will pave the way for a **Diamond Jubilee** filled with greater excellence, inclusivity, and global recognition.

“Science is knowledge, Technology is application, and Dharma is guidance. Together, they hold the key to building a compassionate, empowered, and innovative India.”

– Prof. V. Balakista Reddy

Chairman, TGCHE Inspires Freshers at Pallavi Engineering College Orientation Day

Prof. V. Balakista Reddy, Chairman, TGCHE, addressing the Freshers' Orientation Program at Pallavi Engineering College.

The Chairman of the Telangana Council of Higher Education (TGCHE), **Prof. V. Balakista Reddy**, attended the **Inaugural Function of the Fresher's Orientation Program at Pallavi Engineering College on 20.08.2025** as the Chief Guest.

In his address, Prof. Reddy extended warm congratulations to the new batch of students and welcomed them to an institution that is not just a college, but a **vibrant ecosystem of knowledge, innovation, and opportunities**.

Highlighting the **role of higher education in today's world**, he emphasized that engineering is no longer confined to machines, circuits, or codes but is deeply connected with **society, sustainability, management, healthcare, law, and the arts**. He underscored that the **National Education Policy (NEP) 2020** envisions this kind of multidisciplinary learning, and appreciated Pallavi Engineering College for aligning with this progressive vision.

Prof. Reddy reiterated Telangana's commitment to making higher education more **inclusive, innovative, and globally competitive**, stressing that graduates must become not only employable professionals but also **entrepreneurs, innovators, and responsible citizens**.

Message to Freshers

Addressing the young students, he shared three key messages for their journey ahead:

1. **Be Curious and Innovative** – Go beyond classroom learning, engage in projects, hackathons, and research.
2. **Develop Values Alongside Skills** – Combine technical expertise with ethics, empathy, and teamwork.
3. **Leverage Opportunities Beyond Curriculum** – Participate in cultural, sports, and community service activities to build leadership and resilience.

Role of Faculty & Institution

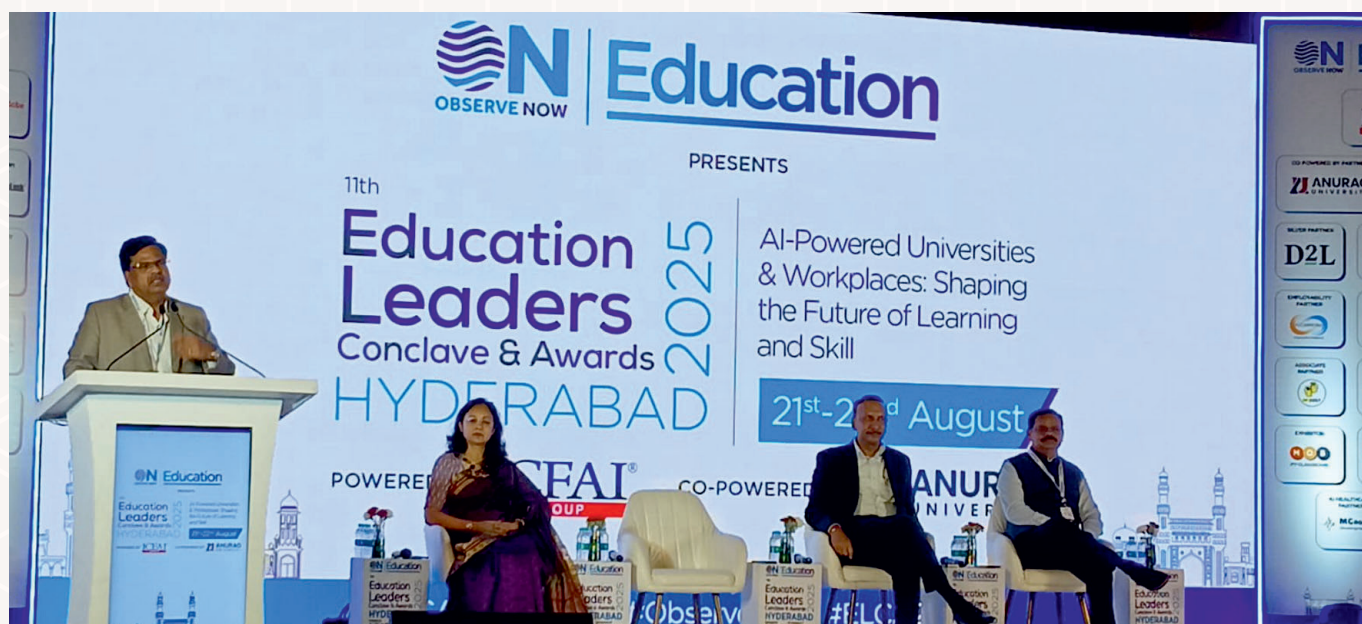

Prof. Reddy commended the **management, principal, and faculty members** for their dedication, stressing that the true success of an institution is reflected not only in placements but also in the **social contributions of its alumni**.

Conclusion

In his concluding message, he inspired students with the words:

"This is your time. Use it wisely. Dream big, work hard, stay disciplined, and enjoy the process of learning. Education is the passport to the future, for tomorrow belongs to those who prepare for it today."

Chairman, TGCHE attends 11th Education Leaders Conclave & Awards as Chief Guest

Prof. V. Balakista Reddy, Chairman, TGCHE, addressing the 11th Education Leaders Conclave & Awards.

Prof. V. Balakista Reddy, Chairman, Telangana Council of Higher Education (TGCHE), graced the 11th Education Leaders Conclave & Awards as the Chief Guest, where the central theme was “AI-powered Universities & Workplaces: Shaping the Future of Learning and Skills.” The Conclave brought together eminent education leaders, academicians, policymakers, and industry experts to deliberate on the opportunities and challenges in integrating Artificial Intelligence into the higher education and employment ecosystem.

In his keynote address, Prof. Reddy spoke about the transformative impact of AI on the future of learning and work. He noted that AI is emerging not only as a technological disruptor but also as a catalyst for **personalised learning, improved governance, innovative research, and enhanced employability**. He observed that just as earlier revolutions reshaped industries and economies, the AI revolution is fundamentally redefining higher education and workplaces globally.

The Chairman stressed that universities of the future must evolve into **AI-augmented ecosystems**, where curricula are dynamic, interdisciplinary, and aligned with real-world skills. He emphasised that TGCHE is committed to:

- Introducing **curriculum reforms** to integrate AI, machine learning, and emerging technologies across disciplines.

- Strengthening **academia-industry partnerships** to ensure students are industry-ready.
- Building **research and innovation ecosystems** where AI applications can address challenges in healthcare, agriculture, energy, and governance.
- Ensuring that **equity, ethics, and inclusivity** remain at the centre of AI adoption, so that technology benefits all learners, irrespective of socio-economic background.

Reflecting on Telangana's **Vision 2047 for Higher Education**, Prof. Reddy reiterated that the Council's focus is to create a **globally competitive, innovation-driven, and future-ready education system**. He reminded the gathering that while AI can amplify efficiency and productivity, it must be guided by human values, responsibility, and accountability.

Congratulating the awardees for their contributions to the education sector, the Chairman lauded the organisers for creating a platform to foster dialogue on such a critical and forward-looking theme. He concluded by remarking that “the future of education is not about man versus machine, but about man with machine—human intelligence working in harmony with artificial intelligence.”

TGCHE Chairman Inaugurates National Cyber Security Scholar Program at GMR Aero Academy

Prof. V. Balakista Reddy, Chairman, TGCHE, inaugurating the National Cyber Security Scholar Program at GMR Aero Academy, Hyderabad, on August 21, 2025.

Hyderabad, August 21, 2025 — Prof. V. Balakista Reddy, Chairman, Telangana Council of Higher Education (TGCHE), inaugurated the **National Cyber Security Scholar Program (NCSSP)** at GMR Aero Academy, organized under the National Security Database (NSD) platform in collaboration with **CERT-In and the Information Sharing and Analysis Center (ISAC)**.

In his keynote address, Prof. Reddy appreciated the collaborative efforts of CERT-In, ISAC, and GMR Aero Academy in building capacity for cybersecurity training. He highlighted **Telangana's proactive initiatives** in strengthening cybersecurity education at foundation, technical, and managerial levels, and urged scholars to extend their expertise towards **national and state capacity-building efforts**.

The event also showcased the **Cyberange Center of Excellence** at GMR Aero Academy, featuring a **Phygital Cyber Range Lab** built from tactical simulations. Prof. Reddy stressed the importance of establishing a **network of cybersecurity**

simulation platforms across Telangana's higher educational institutions, bridging **academic training with real-world industrial resilience**.

Lauding the leadership of Dr. Sanjay Bahl, Director General, CERT-In, Prof. Reddy remarked that his vision has been “changing the dynamics of India's cybersecurity preparedness and positioning the nation for future leadership.”

The program drew participants from across India, including professionals from **government, PSUs, law enforcement, academia, and corporate leadership**. Distinguished speakers included **Air Marshal K. Anantharaman, PVSM, VSM, Head, GMR Aero Academy; Group Captain Aanand Naidu (Retd), Advisor to ISAC; and Dr. Ramesh Babu Kanneganti, Founder & MD, Center for Human Security Studies**.

Prof. Reddy congratulated all the partners and wished the scholars success in becoming **national assets for India's cybersecurity resilience**.

Chairman, TGCHE Inspires Students at Orientation Day of Lords Institute of Engineering & Technology - Hyderabad

Prof. V. Balakista Reddy, Chairman, TGCHE, inspiring newly admitted students during the Orientation Day of Lords Institute of Engineering & Technology

Prof. V. Balakista Reddy, Chairman, Telangana Council of Higher Education (TGCHE), attended the **Orientation Day of Lords Institute of Engineering & Technology** as the **Chief Guest** and addressed the newly admitted students, faculty, and parents.

In his inspirational speech, the Chairman congratulated the students for securing admission into one of Telangana's reputed engineering institutions and emphasized that this day marked the beginning of a **transformative academic and personal journey**.

Prof. Reddy appreciated Lords Institute of Engineering & Technology for its consistent focus on **quality education, research, innovation, entrepreneurship, and social responsibility**, noting that the institution's vision is well aligned with the developmental aspirations of Telangana and India.

Addressing the students, he shared **three guiding messages** for their academic and professional growth:

1. **Embrace Learning Beyond the Classroom** – cultivate curiosity, creativity, and problem-solving through labs, innovation hubs, and internships.
2. **Build Skills for the Future** – equip yourselves with domain expertise as well as communication, leadership, and adaptability in a rapidly changing world driven by AI,

green technologies, and global competitiveness.

3. **Live by Values and Vision** – nurture integrity, empathy, and social responsibility, as true education prepares responsible citizens, not just degree holders.

He urged students to see themselves as **key contributors to India@2047**, the nation's centenary development vision, and highlighted Telangana's leadership in IT, pharma, aerospace, and emerging sectors as opportunities for young engineers to make a difference.

Acknowledgements

The Chairman commended the **parents** for their continuous support to their children and praised the **faculty and management of Lords Institute** for their dedication in shaping future leaders and innovators.

"Today you take the first step in a journey that will inspire, challenge, and transform you. Walk into it with confidence, determination, and purpose. The years ahead will open new doors of knowledge, discovery, and opportunity." – Prof. V. Balakista Reddy, Chairman, TGCHE

The event concluded with a resounding message of optimism, as the Chairman extended his best wishes to the students for a **rewarding academic journey and a bright future**.

Chairman, TGCHE Speaks at EPSI National Conference on India@2047: Role of Higher Education in Making India a Developed Nation

Chairman, TGCHE, Prof. V. Balakista Reddy, delivering the Special Address at the EPSI National Conference on India@2047, New Delhi.

Prof. V. Balakista Reddy, Chairman, Telangana Council of Higher Education (TGCHE), participated as a **Special Guest** at the National Conference organized by the **Education Promotion Society for India (EPSI)** on the theme “India@2047: Role of Higher Education in Making India a Developed Nation.”

The conference brought together senior policymakers, vice-chancellors, directors, industry partners, and students from across the country to deliberate on higher education's pivotal role in transforming India into a developed nation by 2047.

Key Highlights from the Chairman's Address

Prof. Reddy underscored that India@2047 is not merely a date on the calendar but a **shared national mission**. He stressed that the **National Education Policy (NEP) 2020** provides the compass to achieve this vision by focusing on widening access, ensuring equity, enhancing quality, strengthening governance, and preparing globally competitive graduates rooted in Indian ethos.

He pointed out that while India's current **Gross Enrolment Ratio (GER)** stands around 28–29%, the NEP target of **50% GER by 2035** is achievable with bold reforms and disciplined execution. Telangana, he noted with pride, has already

crossed **40% GER** with strong female participation, reflecting the State's commitment to equitable and inclusive education.

Five National Priorities Outlined

The Chairman emphasized five accelerators for achieving India's higher education vision:

1. **Access & Inclusion at Scale** – expanding institutions in underserved regions, ensuring affordability, and universalizing women-friendly infrastructure.
2. **Quality, Research & Innovation** – implementing flexible UG reforms, strengthening doctoral research, and building state-level innovation compacts.
3. **Skills, Employability & Entrepreneurship** – integrating domain, digital, and soft skills; expanding apprenticeships; and fostering startups.
4. **Digital Public Infrastructure for Learning** – leveraging blended pedagogy, VR/AR labs, and robust data-driven governance.
5. **Internationalization & India's Soft Power** – attracting up to **500,000 international students** by 2047 through global partnerships, research diplomacy, and cultural exchange.

A Telangana Roadmap to 2027

Sharing the State's perspective, Prof. Reddy announced that Telangana will:

- Achieve **100% adoption of Academic Bank of Credits (ABC)** and multiple entry/exit in universities and affiliated colleges.
- Ensure **20–25% of final-year students** complete a supervised apprenticeship /internship by 2027.
- Launch a **Telangana International Student Office (TISO)** to facilitate global student mobility.
- Double funded collaborative research projects in priority areas like health-tech, agri-tech, and mobility.
- Provide safe hostels/transport for all women learners in public institutions across districts.

Call to Action

Prof. Reddy requested universities, industry, regulators, faculty, and students to work together in transforming India's demographic dividend into a **development dividend**. He called on stakeholders to adopt learner-centric curricula, scale apprenticeships, invest in research, and uphold transparency in governance.

"By 2047, every young person who seeks higher education must find a pathway to it, and every graduate must leave with the skills, confidence, and purpose to shape India and the world." – Prof. V. Balakista Reddy, Chairman, TGCHE

The Chairman reaffirmed that **TGCHE stands ready to partner** with EPSI, the Union Government, industry, and civil society to translate the India@2047 vision into measurable outcomes.

(మొదటి పేజీ తరువాయి)

శుక్రవారం హైదరాబాద్ లోని ఇంటిగ్రేటెడ్ కమాండ్ కంట్రోల్ సెంటర్ (ఐసీసీసీ)లో విద్యా శాఖపై సీఎం రేవంత్ రెడ్డి రివ్యూ చేశారు. సెప్టెంబర్ 5న జరిగే టీచర్స్ డే సెలబ్రేషన్స్, విద్యాసంస్థల్లో వివిధ నిర్మాణాలు, బకాయిలు, పేషియల్ అటెండెన్స్, ప్రాఫెషనల్ కాలేజీల్లో పీజీలు, సర్కారు డిగ్రీ కాలేజీల్లో స్నాట్ అడ్మిషన్లు, తదితర అంశాలపై ఆయన అధికారులను అడిగి తెలుసుకున్నారు. విద్యారంగంలో చేయాల్సిన మార్పులపై అధికారులకు సుప్రమైన సూచనలు చేశారు. ఎడ్యుకేషన్ పై పెట్టే ఖర్చును ప్రభుత్వం పెట్టబడిగా భావిస్తున్నదని తెలిపారు. డిప్యూటీ సీఎం భట్టి విక్రమార్క ఇప్పటికే కేంద్ర ఆర్థిక మంత్రి నిర్మలా సీతారామన్ ను కలిసి.. విద్యారంగం అభివృద్ధికి తీసుకునే రుణాలను ఎఫ్ఆర్డీఎం పరిమితి నుంచి మినహాయించాలని కోరినట్లు చెప్పారు. సర్కారు బదుల్లో చదివే విద్యార్థుల్లో 90 శాతం మంది బీసీ, ఎస్సీ, ఎస్టీ, మైనారిటీలే ఉన్నారని, దీనిపై ఒక నివేదిక తయారు చేయాలని అధికారులను ఆదేశించారు.

ఒకే శాఖ కింద నిర్మాణాలు.. విద్యాశాఖ పరిధిలో క్లాస్ రూమ్లు, కిచెన్ షెడ్లు, టాయెలెట్లు, మరుగుదొడ్లు, ప్రహరీల నిర్మాణం వివిధ విభాగాలు చేపట్టడం సరికాదని సీఎం రేవంత్ అభిప్రాయపడ్డారు. దీంతో క్యాంపిస్ లోపిస్తుందని అన్నారు. ఇక పై ఈ నిర్మాణాలన్నీ విద్య, సంక్షేమ వనరుల అభివృద్ధి సంస్థ (బీడబ్ల్యూఐడీసీ) కిందనే జరగాలని ఆదేశించారు. ఈ సంస్థకు అవసరమైన ఇంజనీరింగ్ సిబ్బందిని ఇతర విభాగాల నుంచి డిప్యూటీషన్ పై తీసుకోవాలని సూచించారు. మధ్యాహ్నం భోజన బిల్లులకు గ్రీన్ ఛానెల్ మధ్యాహ్నం భోజన పథకం బిల్లుల చెల్లింపులో ఎలాంటి ఆలస్యం ఉండకూడదని, వాటిని గ్రీన్ ఛానెల్ ద్వారా వెంటనే చెల్లించాలని సీఎం ఆదేశించారు. ఉమ్మడి కాలేజీలు, గర్ల్ స్కూల్స్ లో మరుగుదొడ్లు, ప్రహరీల నిర్మాణాన్ని వేగవంతం చేయాలన్నారు. కంట్రైన్ కిచ్చే లెక్కల ప్రాధాన్యం ఇవ్వాలని, వాటిపై సోలార్ ప్యానెల్స్ ఏర్పాటు చేసి, కరెంటును వినియోగించుకోవచ్చని చెప్పారు.

స్కూల్ లో కాంట్రాక్ట్ పీకాటిలు.. ప్రతి విద్యాసంస్థలో స్కార్ప్స్ కు ప్రాధాన్యత ఇవ్వాలని సీఎం రేవంత్ రెడ్డి ఆదేశించారు. అవసరమైతే కాంట్రాక్ట్ పద్ధతిలో పీకాటిలను నియమించాలని సూచించారు. అమ్మ ఆదర్శ పాఠశాలల కింద పాఠశాల పనులకు సంబంధించిన పెండింగ్ బిల్లులను వెంటనే విడుదల చేయాలని తెలిపారు. గురుకుల పాఠశాలల్లోని బాలికలకు కొన్సల్టర్ ఇచ్చేందుకు మహిళా కొన్సల్టర్లను నియమించాలని ఆదేశించారు. సమీక్షలో సీఎం సలహాదారు మే నరేందర్ రెడ్డి, సీఎం ప్రత్యేక కార్యదర్శి బి. అశోక్ రెడ్డి, విద్యాశాఖ ముఖ్య కార్యదర్శి యోగేశ్వర రాజు, హయ్యర్ ఎడ్యుకేషన్ కౌన్సిల్ చైర్మన్ బాలకృష్ణరెడ్డి, కళాశాల విద్యాశాఖ కమిషనర్ శ్రీదేవినేని, స్కూల్ ఎడ్యుకేషన్ చైర్మన్ నవీన్ నికోలస్, తదితరులు పాల్గొన్నారు.

సర్కారు డిగ్రీ కాలేజీల్లో స్నాట్ అడ్మిషన్లు..

సర్కారు డిగ్రీ కాలేజీల్లో స్నాట్ అడ్మిషన్లు సీఎం అనుమతించారు. దీనికి సంబంధించి వెంటనే ఉత్తర్వులు ఇవ్వాలని సంబంధిత అధికారులను ఆదేశించారు. స్నాట్ అడ్మిషన్లలో నాన్ లోకల్ స్టూడెంట్లకు అవకాశం ఇస్తే మైనా న్యాయవర్తమైన చిక్కులు వస్తాయా? లేదా? అనే అంశంపై సైకోర్టు అడ్వకేట్ జనరల్ సలహా తీసుకోవాలని అధికారులకు సూచించారు. ప్రస్తుతం సుమారు 2 లక్షల వరకూ సీట్లు మిగిలడంతో ఇబ్బందులేమీ లేవని అధికారులు తెలిపారు. లోకల్ వారికే ప్రయోజనీ ఇవ్వాలని, వాళ్ల లేకపోతే నాన్ లోకల్ అభ్యర్థులకు చాన్స్ ఇవ్వాలని సూచించారు.

సూచించారు. అమ్మ ఆదర్శ పాఠశాలల కింద పాఠశాల పనులకు సంబంధించిన పెండింగ్ బిల్లులను వెంటనే విడుదల చేయాలని తెలిపారు. గురుకుల పాఠశాలల్లోని బాలికలకు కొన్సల్టర్ ఇచ్చేందుకు మహిళా కొన్సల్టర్లను నియమించాలని ఆదేశించారు. సమీక్షలో సీఎం సలహాదారు మే నరేందర్ రెడ్డి, సీఎం ప్రత్యేక కార్యదర్శి బి. అశోక్ రెడ్డి, విద్యాశాఖ ముఖ్య కార్యదర్శి యోగేశ్వర రాజు, హయ్యర్ ఎడ్యుకేషన్ కౌన్సిల్ చైర్మన్ బాలకృష్ణరెడ్డి, కళాశాల విద్యాశాఖ కమిషనర్ శ్రీదేవినేని, స్కూల్ ఎడ్యుకేషన్ చైర్మన్ నవీన్ నికోలస్, తదితరులు పాల్గొన్నారు.

Farewell Felicitation to Smt. V. Sasikala, Superintendent, TGCHE on Superannuation

Prof. V. Balakista Reddy, Chairman, TGCHE, felicitating Smt. V. Sasikala on the occasion of her retirement, in the presence of Prof. E. Purushotham, Vice Chairman-I, Prof. Sriram Venkatesh, Secretary, and staff of TGCHE.

The Telangana Council of Higher Education (TGCHE) organized a warm felicitation programme on 30th August 2025 to mark the retirement of Smt. V. Sasikala, on her attaining the age of superannuation.

On behalf of the Council, Prof. V. Balakista Reddy, Chairman, TGCHE, felicitated Smt. Sasikala and lauded her unwavering dedication, discipline, and professional excellence. He recalled her significant contributions in strengthening the academic and administrative activities of the Council and acknowledged her sincerity and commitment in all responsibilities entrusted to her.

Prof. E. Purushotham, Vice Chairman-I, Prof. Sriram Venkatesh, Secretary, TGCHE, and staff members of the Council conveyed their appreciation for her long association with TGCHE and extended their heartfelt wishes for a happy, healthy, and fulfilling retired life.

The occasion was marked by a spirit of gratitude and warmth, reflecting the deep respect and affection that colleagues hold for Smt. Sasikala.

ORDER:-

In the reference 6th read above, Government have issued orders, constituting a Committee of Officers to examine and propose appropriate parameters for fee fixation in respect of Private Unaided Professional Institutions.

2. The Chairman, TGCHE, Hyderabad has accordingly submitted report to Government, recommending certain revised parameters for fee fixation in respect of Private Unaided Professional Institutions.

3. Government after careful examination of the matter, hereby issue the following notification which shall be published in the Telangana Gazette:

NOTIFICATION

In exercise of the powers conferred by Section 15 read with Sections 3 and 7 of the Telangana State Educational Institutions (Regulation of Admissions and Prohibition of Capitation Fee) Act, 1983 (Act. No.5 of 1983), the Governor of Telangana, hereby makes the following amendment to the Telangana Admission and Fee Regulatory Committee (for Professional Courses offered in Private Un-Aided Professional Institutions) Rules, 2006 :-

AMENDMENT

- A. In the Telangana Admission and Fee Regulatory Committee (for Professional Courses offered in Private Un-Aided Professional Institutions) Rules, 2006, in Rule 4, sub-rule (i) shall be read as follows:-

“(i)The AFRC shall call for, from each Institution, its proposed fee structure well in advance before the date of issue of notification for admission for the academic year along with all the relevant documents and books of accounts for scrutiny. Managements of Professional Colleges shall submit a notarized affidavit affirming the accuracy and genuineness of the facts and figures submitted to the TAFRC for the purpose of fee fixation. Any distortion of facts and figures submitted is liable for penal action as per the relevant Acts and Rules.

:: 2 ::

- B. In the Telangana Admission and Fee Regulatory Committee (for Professional Courses offered in Private Un-Aided Professional Institutions) Rules, 2006, in Rule 4, sub-rule (iii) shall be read as follows:-

"(iii) The AFRC shall be at liberty to approve or alter the proposed fee for each course to be charged by the Institution giving weightage to the factors as enumerated at (a) to (m) in sub - clause (iv) of clause (4) provided that it shall give the institution an opportunity of being heard before fixing any fee or fees.

- C. In the Telangana Admission and Fee Regulatory Committee (for Professional Courses offered in Private Un-Aided Professional Institutions) Rules, 2006, in Rule 4, sub-rule (iv) shall be read as follows:-

(iv) The AFRC shall take into consideration the following factors while prescribing and rationalizing the fee.

- D. In the Telangana Admission and Fee Regulatory Committee (for Professional Courses offered in Private Un-Aided Professional Institutions) Rules, 2006, In Rule 4, in sub-rule (iv), the following factors shall be inserted after factor(f), namely :-

(g) Quality of Education with strong internal Quality Assurance system.

(h) Student support, progression in terms of attendance, academic performance and placements.

(i) Implementation of best practices such as facial recognition attendance system, Aadhaar authenticated system of payments etc. to ensure transparency and accountability of managements.

(j) Promotion of research, innovation eco-system, start-ups, research publications, awards etc.

(k) National and International rankings.

(l) Alignment with the Perspective Plan for Technical Education of the Government of Telangana.

Consequently, the factor (g) in the said clause shall be read as:

"(m) Any other relevant factor"
