Editorial

Building a Future-Ready Higher Education Ecosystem in Telangana -From Vision to Transformation

"Education is not the filling of a pail, but the lighting of a fire." — William Butler Yeats

The month of **June 2026** has been a defining period in Telangana's journey towards creating a dynamic, inclusive, and globally competitive higher education ecosystem. At the **Telangana Council of Higher Education (TGCHE),** our commitment has remained steadfast—to transform higher education into a powerful instrument for innovation, employability, research excellence, social responsibility, and sustainable development.

Beginning with the **Telangana Formation Day celebrations,** the Council reaffirmed its dedication to realizing the aspirations of a progressive Telangana. Throughout the month, TGCHE successfully conducted and declared the results of major Common Entrance Tests, including **TG LAWCET & PGLCET, TG PGECET, TG PECET, and TG ICET**, ensuring transparency, efficiency, and timely admissions for thousands of students. The finalization of the **B.Arch Admissions Counselling Schedule** further demonstrated our commitment to student-centric governance and academic excellence.

A significant highlight during the month was the successful planning and implementation of the **2026 admissions counselling process** for professional and undergraduate programmes. The Council **finalised the TGEAPCET-2026 and TGECET-2026 Admissions Counselling Schedules**, ensuring a transparent, technology-enabled, and merit-based admission process for Engineering, Agriculture, Pharmacy, and lateral entry programmes. In addition, **TGCHE announced the TG LAWCET & TG PGLCET-2026 Admissions Counselling Schedule** for admissions into **3-Year LL.B., 5-Year Integrated LL.B., and LL.M. programmes,** enabling law aspirants across the State to participate in a seamless online counselling process. Further strengthening undergraduate admissions, the **DOST Phase-III Seat Allotment** witnessed an overwhelming response, with **93,516 students securing admissions** across degree colleges in Telangana, reaffirming the Council's commitment to equitable access, digital governance, and student-centric services.

One of the most significant milestones during the month was the guidance of the **Hon'ble Chancellor of Telangana**, who envisioned the State as a national role model in higher education and directed the implementation of **TGCHE's Future-Ready Undergraduate and Postgraduate Courses** across all State Universities. This historic direction reinforces our efforts to redesign curricula aligned with **Artificial Intelligence, Digital Technologies, Entrepreneurship, Sustainability, Industry 5.0, and Experiential Learning,** thereby preparing graduates for the rapidly evolving global economy.

Global engagement remained another important pillar of our activities. The visit of the **University of Waikato delegation from New Zealand** opened new avenues for international academic collaborations, research partnerships, student mobility, and faculty exchange programmes. Such initiatives are essential in positioning Telangana as a preferred global education destination.

The Council also actively strengthened its partnerships with industry and professional bodies. Participation in the **Hyderabad Education Conclave, HYSEA Project DRONA 2.0 Convocation, AEROMART Hyderabad,** and appreciation of **EThames Business School's AI-Native Initiative** reflected TGCHE's emphasis on bridging academia with emerging technologies and industry expectations. Our vision is clear: universities must become centres of innovation that nurture problem-solvers, entrepreneurs, and future leaders.

Beyond academics, education must build compassionate citizens. Visits to **Veeranari Chakali Ilamma Women University, LOTUS LAP School**, and **SC/ST Hostels at Jangaon** reaffirmed our belief that education is equally about empathy, inclusion, and social justice. Every child and every student deserves equal opportunities to dream, learn, and succeed.

The Council's participation in the **International Day of Yoga, HARI Udaan State Merit Excellence Awards, Yuva Tourism Clubs and Telangana Darshini Meeting,** and the **TSLSA's "Say No to Drugs" Awareness Programme** underscored the importance of holistic education that promotes physical well-being, ethical values, cultural awareness, responsible citizenship, and healthy lifestyles.

Academic reforms continued with equal momentum. Discussions on the **revision of the Law curriculum**, orientation programmes on newly introduced **Future-Ready UG and PG Courses**, and seminars emphasizing the role of **Statistics in Nation Building** signify our commitment to continuously updating knowledge systems in line with national priorities and global developments. These reforms are designed to make our graduates not only employable but also socially responsible and globally competent.

Another important dimension of our vision is infrastructure-led educational transformation. At the **NIT Warangal Stakeholders' Meeting**, the concept of **University Townships** was highlighted as an innovative model for integrating education, research, industry, innovation, and community development. Such ecosystems have the potential to become engines of regional economic growth and knowledge-driven development.

The emotional farewell accorded to **Prof. S.K. Mahmood, Vice Chairman-II, TGCHE**, reminded us that institutions grow stronger through dedicated leadership, collective commitment, and continuity of vision. His invaluable contributions will continue to inspire the Council's future endeavours.

As Telangana advances towards becoming a **global knowledge hub,** TGCHE remains committed to implementing reforms that are **student-centric, technology-driven, industry-oriented, globally benchmarked, and socially inclusive**. The future belongs to institutions that embrace innovation while preserving values, encourage excellence while ensuring equity, and prepare learners not merely for jobs but for leadership in society.

The journey ahead calls for collaboration among **universities, government**, **industry, faculty, students, and civil society.** Together, we can create an educational ecosystem that empowers every learner, strengthens every institution, and contributes meaningfully to the vision of **Viksit Telangana** and **Viksit Bharat 2047.**

"The future is not something we enter; the future is something we create. Through education, we shape that future—one student, one institution, and one innovation at a time."

Prof. V. Balakista Reddy
Chairman
Telangana Council of Higher Education

Telangana Formation Day Celebrations at TGCHE

Prof. V. Balakista Reddy, Chairman, TGCHE, unfurling the National Flag during the Telangana Formation Day celebrations at the TGCHE premises

The Telangana Council of Higher Education (TGCHE) celebrated Telangana Formation Day with great enthusiasm at its premises. Prof. V. Balakista Reddy, Chairman, TGCHE, unfurled the National Flag and addressed the gathering on 02.06.2026. The programme was attended by Prof. E. Purushotham, Vice-Chairman-I, TGCHE; Justice A. Gopal Reddy (Retd.), Chairman, Telangana Admission and Fee Regulatory Committee (TAFRC); Prof. Sriram Venkatesh, Secretary, TGCHE; and the staff members of the Council.

Speaking on the occasion, Prof. V. Balakista Reddy outlined a roadmap for a developed and inclusive Telangana, with higher education serving as a key driver of transformation. He reiterated his commitment to implementing transformative reforms in the higher education sector in line with the vision of "Telangana Rising @ 2047" envisaged by the Hon'ble Chief Minister, Shri A. Revanth Reddy. He highlighted several initiatives undertaken by TGCHE, including revisions to the undergraduate curriculum, aligning academic programmes with industry requirements, strengthening industry-academia partnerships, integrating practical and skill-based learning, incorporating digital and technology-driven education, and fostering a culture of research and innovation.

Justice A. Gopal Reddy (Retd.), Chairman, TAFRC, recalled his association with the Telangana movement and reflected on the aspirations that inspired the struggle for a separate state.

Prof. E. Purushotham, Vice-Chairman-I, TGCHE, emphasized the Council's commitment to equity and inclusiveness in higher education. He also spoke about the collective efforts and participation of various sections of society that contributed to the success of the Telangana statehood movement.

Prof. Sriram Venkatesh, Secretary, TGCHE, shared his experiences of witnessing the active participation of students in the Telangana movement during his tenure as a Professor at Osmania University. He highlighted the important role played by the student community in shaping the history of Telangana and concluded the programme with a vote of thanks.

The celebrations reflected the spirit of Telangana's journey and reaffirmed TGCHE's commitment to advancing quality, inclusive, and future-oriented higher education in the State.

TG LAWCET & PGLCET 2026 Results Declared

The Telangana Council of Higher Education (TGCHE) and Osmania University successfully conducted the Telangana State Law Common Entrance Test (TG LAWCET) and Telangana State Post Graduate Law Common Entrance Test (TG PGLCET)–2026 for admission into undergraduate and postgraduate law programmes offered by law colleges across the State on 04.6.2026. The results were formally announced by Prof. V. Balakista Reddy, Chairman, TGCHE, along with university and examination officials.

TG LAWCET is the gateway for admission into 3-Year LL.B. and 5-Year Integrated LL.B. programmes, while TG PGLCET facilitates admissions into LL.M. programmes. The examinations witnessed enthusiastic participation from aspiring law students across Telangana, reflecting the growing interest in legal education and professional careers in the field of law.

A total of 66,864 candidates registered for TG LAWCET–2026, out of which 54,374 candidates appeared for the examination. Among them, 39,673 candidates qualified, recording an impressive overall pass percentage of 72.96%. The examination was conducted in a smooth and transparent manner across 34 examination centres established throughout the State, ensuring accessibility and convenience for candidates.

In the 3-Year LL.B. stream, 10,691 candidates appeared for the examination and 6,512 candidates qualified. Similarly, in the 5-Year Integrated LL.B. stream, 11,923 candidates appeared, and 8,399 candidates qualified. The results indicate a strong performance by candidates and highlight the increasing demand for legal education among students completing both intermediate and undergraduate studies.

The TG PGLCET–2026, conducted for admission into LL.M. programmes, also recorded encouraging results. Out of 8,746 candidates who appeared, 7,252 candidates qualified, demonstrating a high success rate among postgraduate law aspirants and reflecting the growing interest in specialized legal studies and research.

Speaking on the occasion, Prof. V. Balakista Reddy, Chairman, TGCHE, congratulated all successful candidates and appreciated the coordinated efforts of Osmania University, examination officials, technical teams, and staff involved in conducting the examinations efficiently. He emphasized that TGCHE remains committed to maintaining transparency, fairness, and efficiency in the conduct of entrance examinations and admissions processes across Telangana.

The successful conduct of TG LAWCET and TG PGLCET–2026 and the timely declaration of results underscore TGCHE's dedication to strengthening higher education opportunities in the State. These examinations continue to play a crucial role in facilitating access to quality legal education and in preparing a new generation of legal professionals equipped to contribute to the justice system and society at large.

Key Highlights

- TG LAWCET & TG PGLCET–2026 results announced.
- Overall TG LAWCET pass percentage: 72.96%.
- 66,864 registrations and 54,374 appearances in TG LAWCET.
- 39,673 candidates qualified in TG LAWCET.
- Examinations conducted across 34 centres in Telangana.
- 7,252 candidates qualified in TG PGLCET–2026.
- Admissions facilitated for 3-Year LL.B., 5-Year LL.B., and LL.M. programmes.
- TGCHE and Osmania University ensured smooth, transparent, and efficient conduct of examinations.

TG PGECET 2026 Results Released

Prof. V. Balakista Reddy, Chairman, TGCHE, along with Prof. T. Kishen Kumar Reddy, Vice-Chancellor, JNTUH, during the release of TG PGECET–2026 results at JNTUH, Hyderabad.

The results of the Telangana Post Graduate Engineering Common Entrance Test (TG PGECET–2026) will be released on 5 June 2026 at 3:30 PM by Prof. V. Balakista Reddy, Chairman, Telangana Council of Higher Education (TGCHE), in the presence of Prof. T. Kishen Kumar Reddy, Vice-Chancellor, Jawaharlal Nehru Technological University Hyderabad (JNTUH), and other university officials at the Visitors Lounge, Administrative Building, JNTUH, Hyderabad.

TG PGECET–2026 was conducted by JNTUH on behalf of TGCHE for admission into postgraduate professional programmes including M.E., M.Tech., M.Pharm., M.Arch., and Graduate-level Pharm.D (Post Baccalaureate) courses offered in universities and affiliated colleges across Telangana.

The results will be made available through the official TG PGECET portal. The downloadable result files will contain candidates' ranks, marks, qualification status, subject-wise toppers, attendance particulars, and consolidated examination statistics.

The successful conduct of TG PGECET–2026 reflects the commitment of TGCHE and JNTUH to ensuring a transparent, technology-driven, and student-centric admission process for postgraduate professional education in Telangana. The announcement of results marks an important milestone for thousands of aspiring postgraduate students seeking admission into premier institutions across the State.

TG PECET 2026 Results Announced

The results of the Telangana Physical Education Common Entrance Test (TG PECET–2026) were announced on 06.06.2026 for admissions into B.P.Ed. and D.P.Ed. programmes offered by universities and affiliated colleges in Telangana for the academic year 2026–27. The examination was conducted by Satavahana University, Karimnagar, under the aegis of the Telangana Council of Higher Education (TGCHE).

TG PECET–2026 was conducted from 31 May to 3 June 2026 for candidates seeking admission into professional physical education programmes in the State. The examination witnessed a good response from aspiring candidates across Telangana.

A total of 3,298 candidates applied for TG PECET–2026, comprising 2,336 applicants for B.P.Ed. and 962 applicants for D.P.Ed. programmes. Of these, 2,449 candidates appeared for the entrance test, recording an attendance of nearly 74.3 percent.

The results indicate a strong performance by candidates, with an overall 2,310 candidates qualifying, registering an impressive pass percentage of 94.32 percent. In the B.P.Ed. stream, 1,689 out of 1,795 candidates qualified, while in the D.P.Ed. stream, 621 out of 654 candidates qualified.

Key Statistics

- Total Applications Received: 3,298
- Total Candidates Appeared: 2,449
- Total Candidates Qualified: 2,310
- Overall Pass Percentage: 94.32%

B.P.Ed. Programme

- Applied: 2,336
- Appeared: 1,795
- Qualified: 1,689
- Pass Percentage: 94.09%

D.P.Ed. Programme

- Applied: 962
- Appeared: 654
- Qualified: 621
- Pass Percentage: 94.95%

The successful conduct of TG PECET–2026 reflects the commitment of TGCHE and Satavahana University towards ensuring a transparent, efficient, and student-friendly admission process for physical education programmes. The examination provides aspiring students an opportunity to pursue professional education in physical education and sports, thereby contributing to the development of qualified physical education professionals in the State.

TGCHE Finalises TGEAPCET-2026 and TGECET-2026 Admissions Counselling Schedules

The Telangana Council of Higher Education (TGCHE) convened the TGEAPCET-2026 and TGECET-2026 Admission Committee Meetings on 08 June 2026 under the chairmanship of Prof. V. Balakista Reddy, Chairman, TGCHE, at the Council's Conference Hall. The meetings were attended by Smt. A. Sridevasena, I.A.S., Commissioner of Technical Education & Convenor, along with committee members and senior officials. The committees approved the counselling schedules for admissions into professional programmes for the 2026–27 academic year.

For TGEAPCET-2026, the Admission Committee approved a comprehensive counselling schedule comprising the First Phase, Second Phase, Final Phase, Centralised Internal Sliding, and Spot Admissions. The online filing of basic information, payment of processing fee, and slot booking will be conducted from 19 June to 28 June 2026, followed by certificate verification from 22 June to 29 June 2026. The first phase seat allotment will be announced on or before 10 July 2026, while the second phase will be conducted during 17–24 July 2026. The final phase is scheduled from 31 July to 08 August 2026, followed by internal sliding during 12–17 August 2026. The admission process will conclude with Spot Admissions, while classwork is scheduled to commence from 01 August 2026 as per the AICTE Academic Calendar.

For TGECET-2026, the committee approved the counselling schedule for lateral entry admissions into the second year of B.E./B.Tech. and B.Pharmacy programmes. The first phase registration will be held from 15 June to 18 June 2026, followed by certificate verification during 17–19 June 2026. The first phase seat allotment is scheduled on or before 24 June 2026, while the final phase will be conducted from 04 July to 12 July 2026. Reporting to the allotted colleges is scheduled between 10 July and 13 July 2026, and Spot Admissions in private unaided engineering and pharmacy colleges will continue until 20 July 2026.

Speaking on the occasion, Prof. V. Balakista Reddy reaffirmed TGCHE's commitment to ensuring a transparent, technology-enabled, merit-based, and student-centric admission process. He advised students and parents to carefully follow the counselling schedule and complete all admission formalities within the prescribed timelines to facilitate smooth admissions and the timely commencement of the academic year.

SKLTHU Releases Special Bulletin for 2026-27 in the presence of Chairman, TGCHE

Prof. V. Balakista Reddy, Chairman, TGCHE, and Dr. D. Raji Reddy, Vice-Chancellor, SKLTHU, releasing the Special Bulletin on Alternative Crop Management Practices for Horticultural Crops (2026–27) at SKL Telangana Horticultural University.

Sri Konda Laxman Telangana Horticultural University (SKLTHU) has released a 48-page Special Bulletin on Alternative Crop Management Practices for Horticultural Crops for the year 2026–27 on dt.10.06.2026, aimed at helping farmers mitigate the adverse effects of anticipated El Niño conditions and climate-related stresses.

The bulletin was released by Dr. D. Raji Reddy, Vice-Chancellor of SKL Telangana Horticultural University, in the presence of Prof. V. Balakista Reddy, Chairman, Telangana Higher Education Council, who attended the event as the Chief Guest.

Addressing the gathering, Prof. V. Balakista Reddy lauded the university for its proactive role in providing timely technical advisories, modern technologies, and scientific recommendations to horticultural farmers. He emphasized the importance of introducing special programmes to enhance students' skills, employability, and industry readiness. Highlighting the growing opportunities in horticulture-based entrepreneurship, he noted that India is home to more than 1.5 lakh startups and has emerged as one of the world's leading startup ecosystems. He further stated that the government is committed to strengthening the global competitiveness of students through innovative educational initiatives and industry-oriented learning opportunities.

Speaking on the occasion, Dr. D. Raji Reddy stated that monsoon rainfall is critical for the success of agricultural and horticultural crops in Telangana. He observed that good Kharif yields depend on timely, adequate, and well-distributed rainfall, while delayed monsoons and prolonged dry spells between rain events can significantly affect crop productivity.

Referring to climatic forecasts, Dr. Raji Reddy said that the India Meteorological Department (IMD) has indicated the possibility of El Niño conditions during 2026, with the country likely to receive around 90 percent of the Long Period Average (LPA) rainfall. However, he cautioned that rainfall distribution across Telangana may remain uneven, with central districts likely to receive above-normal rainfall and northern and southern districts expected to receive below-normal rainfall.

In view of these projections, he advised farmers to adopt suitable precautionary measures and alternative crop management practices to minimize climate-related risks. The special bulletin includes detailed contingency plans and management recommendations for:

- Vegetable crops
- Fruit orchards
- Flower crops
- Medicinal and aromatic plants
- Plantation crops

The Vice-Chancellor noted that the bulletin serves as a comprehensive guide for farmers, offering practical solutions and alternative crop planning strategies to sustain productivity under challenging weather conditions.

The university expressed confidence that the publication would help horticultural farmers across Telangana effectively manage climate uncertainties and improve resilience during the 2026–27 crop season.

TG ICET-2026 Results Released

Prof. V. Balakista Reddy, Chairman, TGCHE, along with Prof. Khaja Althaf Hussain, Vice-Chancellor, Mahatma Gandhi University and Chairman, TG ICET–2026, and Prof. Aluvala Ravi, Convener, TG ICET–2026, releasing the TG ICET–2026 results at the TGCHE Office, Hyderabad

The Telangana Integrated Common Entrance Test (TG ICET–2026), conducted by Mahatma Gandhi University, Nalgonda, on behalf of the Telangana Council of Higher Education (TGCHE) for admission into MBA and MCA programmes for the academic year 2026–27, was successfully conducted and the results were formally released on 12th June 2026.

The results were declared by Prof. V. Balakista Reddy, Chairman, TGCHE, Prof. Khaja Althaf Hussain, Vice-Chancellor, Mahatma Gandhi University, Nalgonda, and Chairman, TG ICET–2026, and Prof. Aluvala Ravi, Convener, TG ICET–2026, in the presence of the Vice-Chairmen and Secretary of TGCHE, senior officials of the Council, and representatives of Mahatma Gandhi University at the Committee Hall, TGCHE Office, Masab Tank, Hyderabad.

TG ICET–2026 was conducted on 13 and 14 May 2026 in a fair, transparent, and systematic manner across the State. The examination was held in three sessions over two days at 69 examination centres. Meticulous planning, robust technological support, and coordinated efforts of the University, TGCHE, district administration, technical personnel, observers, and support staff ensured the smooth conduct of the examination without any major disruptions.

A total of 56,206 candidates registered for TG ICET–2026, reflecting the continued popularity and significance of the examination among students seeking admission into postgraduate professional programmes. Of the registered candidates, 51,146 appeared for the examination and 46,654 candidates qualified, resulting in an impressive overall qualification percentage of 91.22%.

As per the prescribed admission policy, candidates belonging to the General, BC, and other eligible categories are required to secure a minimum of 25 per cent of the aggregate marks to qualify for ranking. In accordance with Government norms, there are no minimum qualifying marks for SC and ST candidates for ranking purposes.

The gender-wise analysis of the results reveals strong academic performance by both male and female candidates. Of the 51,146 candidates who appeared for the examination, 23,353 were male candidates and 27,793 were female candidates. Among the qualified candidates, 21,191 were males and 25,463 were females, registering qualification percentages of 90.74 per cent and 91.62 per cent respectively. The figures indicate the growing participation and success of women in higher education and professional programmes in Telangana.

The results, rank cards, and score details were made available online through the official TG ICET portal. Candidates can download their rank cards, which contain information relating to hall ticket number, section-wise normalized marks, total marks, rank, and qualification status.

Speaking on the occasion, the authorities appreciated the efforts of all stakeholders who contributed to the successful conduct of TG ICET–2026. Special appreciation was extended to the technical teams, examination personnel, district authorities, media representatives, transport and electricity departments, observers, and support staff whose coordinated efforts ensured the smooth and transparent conduct of the examination.

The declaration of TG ICET–2026 results marks an important milestone in the academic calendar of Telangana. The successful completion of the examination process reflects the commitment of TGCHE and Mahatma Gandhi University towards maintaining high standards of transparency, efficiency, and credibility in the conduct of State-level entrance examinations. The Council expressed confidence that the subsequent admission process for MBA and MCA programmes will be carried out smoothly, enabling deserving candidates to pursue higher education and professional advancement in premier institutions across Telangana.

University of Waikato Delegation Explores Collaboration Opportunities with Telangana Higher Education Institutions

Prof. V. Balakista Reddy, Chairman, TGCHE, interacting with Ms. Sharon Calvert, Assistant Vice-Chancellor (International Engagement and Partnerships), University of Waikato, New Zealand, and members of the delegation during discussions on academic collaboration and international partnerships with universities in Telangana.

A high-level delegation from the University of Waikato, New Zealand, led by Ms. Sharon Calvert, Assistant Vice-Chancellor (International Engagement and Partnerships), met Prof. V. Balakista Reddy, Chairman, Telangana Council of Higher Education (TGCHE), on 15th June 2026 to explore avenues for academic collaboration and international partnerships with universities in Telangana.

During the interaction, the delegation highlighted the University of Waikato's global reputation for academic excellence, research, innovation, industry engagement, and student success. The University, recognized as one of New Zealand's leading higher education institutions and ranked first in research performance in the country, hosts a vibrant international student community, including nearly one thousand students from India.

Prof. V. Balakista Reddy briefed the visiting delegation on the rapidly evolving higher education ecosystem in Telangana, which has emerged as one of the most dynamic and progressive educational destinations in India. He outlined the State Government's initiatives to strengthen higher education through innovation, internationalization, industry partnerships, and research-driven academic programmes.

The Chairman also invited the University of Waikato to explore the possibility of establishing an off-campus centre in the proposed Bharat Future City, a flagship initiative of the Government of Telangana. He explained that the project envisions a world-class ecosystem integrating education, innovation, research, entrepreneurship, and sustainable urban development. A dedicated University Zone is being planned within Bharat Future City to attract leading global institutions and create an environment where students, researchers, faculty, and industry can work, live, learn, and innovate together.

Prof. Reddy further apprised the delegation of Telangana Vision 2047, conceptualized by the Hon'ble Chief Minister of Telangana, Shri A. Revanth Reddy. The vision aims to transform Telangana into a globally competitive knowledge economy by fostering excellence in education, research, technology, innovation, and human capital development, in alignment with India's long-term developmental aspirations.

The discussions focused on strengthening international academic cooperation through student and faculty exchange programmes, collaborative research initiatives, joint academic ventures, innovation partnerships, and opportunities for institutional engagement between universities in Telangana and the University of Waikato.

The visiting delegation appreciated the progressive vision of the Government of Telangana and the initiatives undertaken by TGCHE to promote global engagement in higher education. The team expressed its keen interest in exploring collaborative opportunities and building long-term partnerships with universities and institutions across Telangana in areas of mutual interest.

Chairman, TGCHE Visits Veeranari Chakali Ilamma Women University and Interacts with Children

Prof. V. Balakista Reddy, Chairman, TGCHE, interacting with children during his visit to Veeranari Chakali Ilamma Women University (VCIWU), Hyderabad, on 17 June 2026, encouraging them to pursue education with confidence, curiosity and determination.

Prof. V. Balakista Reddy, Chairman, Telangana Council of Higher Education (TGCHE), visited Veeranari Chakali Ilamma Women University (VCIWU) on 17 June 2026 and spent quality time interacting with children at the University campus in an atmosphere filled with warmth, enthusiasm and joy. The visit reflected TGCHE's commitment towards fostering inclusive education, social responsibility and holistic development among young learners.

During the interaction, Prof. Balakista Reddy engaged the children in friendly conversations, enquired about their studies, interests and future aspirations, and appreciated their talents and enthusiasm. He encouraged them to remain curious, cultivate the habit of reading, and pursue education with confidence and determination. Stressing that education is a powerful means of empowerment, he advised the children to make the best use of available opportunities and strive for excellence in all spheres of life.

The Chairman observed that childhood lays the foundation for a bright and meaningful future and emphasized the importance of value-based education in nurturing responsible and compassionate citizens. He urged the children to imbibe qualities such as honesty, discipline, perseverance, empathy and respect for others, noting that these values complement academic learning and contribute significantly to personal growth.

Prof. Reddy also highlighted the importance of balancing academics with sports, cultural activities and creative pursuits to ensure holistic personality development. He motivated the children to dream big, work hard and believe in their abilities, reminding them that dedication and self-confidence can help overcome challenges and achieve success.

Appreciating the efforts of Veeranari Chakali Ilamma Women University in creating a supportive and nurturing environment for children, the Chairman commended the University authorities, teachers and caregivers for their commitment towards education, welfare and overall development. He stated that investing in children is an investment in the future of society and the nation.

The interaction concluded on a cheerful note, with the children enthusiastically sharing their aspirations, showcasing their talents and expressing happiness at meeting the Chairman. Prof. Balakista Reddy conveyed his heartfelt best wishes to the children for a bright and successful future and reaffirmed the importance of providing every child with opportunities to realize his or her full potential.

Chairman, TGCHE Visits LOTUS LAP School and Interacts with Children

Prof. V. Balakista Reddy, Chairman, TGCHE, interacting with children during his visit to LOTUS LAP School, Hyderabad, on 17 June 2026, encouraging them to pursue education with curiosity, confidence and determination.

Prof. V. Balakista Reddy, Chairman, Telangana Council of Higher Education (TGCHE), visited LOTUS LAP School on 17 June 2026 and interacted with the children in a lively and affectionate session, reaffirming the importance of nurturing young minds through quality education and holistic development.

During the visit, Prof. Balakista Reddy spent time with the children, engaging them in informal conversations about their studies, hobbies, ambitions and daily activities. He appreciated their enthusiasm, creativity and eagerness to learn, and encouraged them to remain curious, confident and committed to their educational journey.

Addressing the children, the Chairman emphasized that education is not merely about acquiring knowledge but also about developing good character, discipline, empathy and a sense of social responsibility. He advised the students to cultivate the habit of reading, respect their parents and teachers, and participate actively in sports, cultural activities and other co-curricular pursuits to ensure their overall personality development.

Prof. Reddy observed that today's children are the future leaders, innovators, scientists, artists and responsible citizens of tomorrow. He encouraged them to dream ambitiously, work hard and never be discouraged by challenges, noting that perseverance and self-belief are essential ingredients for success.

The Chairman appreciated the efforts of LOTUS LAP School in providing a nurturing learning environment that fosters intellectual growth, creativity and value-based education. He commended the teachers and staff members for their dedication in guiding young learners and shaping their future.

The interaction was marked by enthusiastic participation from the children, who shared their aspirations, talents and experiences with the Chairman. The visit concluded with Prof. Balakista Reddy conveying his best wishes to the students, teachers and school management for continued success in their pursuit of educational excellence.

Hon'ble Chancellor Envisions Telangana as a Higher Education Role Model; Directs Implementation of TGCHE's Future-Ready Courses in All State Universities

The Hon'ble Governor of Telangana and Chancellor of State Universities, Shri Shiv Pratap Shukla, today called Prof. V. Balakista Reddy, Chairman, Telangana Council of Higher Education (TGCHE), at Lok Bhavan on dt.19.06.2026 and held detailed discussions on the introduction and implementation of innovative academic programmes proposed by TGCHE. The Hon'ble Chancellor directed TGCHE to ensure the implementation of these programmes in all State Universities from the academic year 2026–27.

During the meeting, Prof. V. Balakista Reddy briefed the Hon'ble Chancellor on the newly introduced courses in emerging and strategically important sectors, including **Aerospace, Defence, Maritime, FinTech, Climate Governance, Life Sciences, Food Technology etc.,**. He explained that these programmes have been designed in alignment with the **National Education Policy (NEP) 2020** and global best practices. These courses have also been designed keeping in view national priorities, industry requirements, and future employment opportunities.

The Hon'ble Chancellor appreciated the proactive efforts of TGCHE in introducing such forward-looking and employment-oriented programmes and observed that these initiatives would significantly contribute to developing a skilled workforce equipped to meet the demands of rapidly evolving sectors.

Expressing satisfaction over the initiatives taken by TGCHE, Shri Shiv Pratap Shukla remarked that **Telangana should emerge as a role model for other States in promoting innovative and future-ready higher education programmes.** He advised TGCHE to ensure effective implementation of these courses and to take the initiative to the next level from the academic year 2026–27 by fostering stronger linkages with industry, research institutions, and other stakeholders.

Prof. V. Balakista Reddy thanked the Hon'ble Chancellor for his constant encouragement and guidance and assured that TGCHE would take all necessary steps for the successful rollout and effective execution of these programmes across universities and colleges in the State.

Chairman, TGCHE Participates in Hyderabad Education Conclave-2026

Prof. V. Balakista Reddy, Chairman, TGCHE, addressing the gathering at the Hyderabad Education Conclave–2026 organized by Plus Nine One Media Pvt. Ltd. in Hyderabad on 20 June 2026.

Prof. V. Balakista Reddy, Chairman, Telangana Council of **Higher Education (TGCHE), participated as a distinguished speaker in the Hyderabad Education Conclave–2026,** organized by **Plus Nine One Media Pvt. Ltd.** in Hyderabad on 20 June 2026.

Addressing an august gathering comprising Vice-Chancellors, educationists, industry leaders, faculty members, students, and media representatives, Prof. Reddy emphasized the transformative role of higher education institutions in an era driven by rapid technological advancements, economic shifts, and changing societal aspirations. He noted that universities must evolve beyond conventional teaching-learning models and emerge as centres of innovation, entrepreneurship, research, and societal transformation.

Highlighting the significance of the **National Education Policy (NEP)–2020,** the Chairman stated that the policy provides a comprehensive roadmap for revitalizing higher education through multidisciplinary learning, flexibility, innovation, internationalization, skill development, and enhanced employability.

Prof. Reddy observed that Telangana has been proactively implementing the reforms envisioned under NEP–2020 under the guidance of the Hon'ble Governor of Telangana and Chancellor of State Universities, Shri Shiv Pratap Shukla Ji, and with the support of the State Government. He informed the gathering that TGCHE has initiated several academic reforms aimed at making higher education more relevant, inclusive, and future-ready.

The Chairman highlighted the introduction of a new generation of academic programmes in emerging and strategic sectors, including **Aerospace, Defence Studies, Maritime Studies, FinTech, Climate Governance, Life Sciences,**

Food Technology, and Cyber Security. He stated that these programmes have been developed in alignment with NEP–2020, global best practices, industry requirements, national priorities, and future employment opportunities.

Emphasizing the importance of employability, Prof. Reddy remarked that universities should continuously redesign curricula, strengthen industry partnerships, and promote experiential learning to equip students with competencies required for future occupations. He noted that Hyderabad, being one of the fastest-growing knowledge and innovation hubs, offers immense opportunities for meaningful collaboration between academia and industry.

Underscoring the role of higher education in realizing Telangana's aspiration of becoming a **one-trillion-dollar economy,** the Chairman asserted that universities must not merely produce job seekers but should nurture **job creators, innovators, researchers, policymakers, and responsible global citizens.**

He reiterated TGCHE's vision of positioning Telangana as a national model in higher education through a focused emphasis on **academic excellence, research and innovation, internationalization, skill development, equity and inclusion, sustainable development, and university-industry-government partnerships.**

Expressing confidence that the deliberations at the conclave would generate valuable insights and actionable recommendations, Prof. Reddy called upon all stakeholders to work collectively towards building agile, resilient, and inclusive institutions capable of preparing learners for the opportunities and challenges of the twenty-first century.

The Chairman congratulated **Plus Nine One Media Pvt. Ltd**. for organizing the conclave and appreciated its efforts in creating a vibrant platform for dialogue on the future of higher education in India.

Chairman, TGCHE Participates in HYSEA Project DRONA 2.0 Convocation Ceremony-2026

Prof. V. Balakista Reddy, Chairman, TGCHE, addressing the graduates at the HYSEA Project DRONA 2.0 Convocation Ceremony–2026

Prof. V. Balakista Reddy, Chairman, Telangana Council of Higher Education (TGCHE), attended the HYSEA Project DRONA 2.0 Convocation Ceremony–2026 as the Guest of Honour at the Danube Auditorium, Tech Mahindra Learning Centre, Madhapur on 20.06.2026. The programme was graced by the Hon'ble Minister for Information Technology, Electronics & Communications, Industries & Commerce, Government of Telangana, Sri D. Sridhar Babu Garu, along with representatives from HYSEA, industry leaders, Vice-Chancellors, academicians, faculty members, students and parents.

Congratulating the Hyderabad Software Enterprises Association (HYSEA), its Managing Committee, industry partners, mentors and faculty members for the successful implementation of Project DRONA 2.0, Prof. Balakista Reddy described the initiative as an exemplary model of collaboration between academia and industry aimed at nurturing industry-ready talent.

Addressing the graduating students, the Chairman observed that the convocation ceremony symbolized not merely the completion of a programme but a celebration of aspiration, perseverance, skill acquisition and preparedness for the future. He emphasized that rapid advancements in Artificial Intelligence, Machine Learning, Data Analytics, Cloud Computing, Cyber Security, Internet of Things, Semiconductor Technologies and Automation are transforming industries and creating new opportunities, making continuous learning and upskilling imperative.

Prof. Reddy noted that Project DRONA 2.0 provides students with valuable opportunities to gain hands-on experience, work on real-world challenges, interact with industry experts and understand workplace expectations, thereby bridging the gap between academic learning and industry requirements.

Highlighting TGCHE's commitment towards strengthening employability and innovation, he stated that the Council has been actively promoting outcome-based education, experiential and project-based learning, industry internships and apprenticeships, skill certification programmes, research and innovation ecosystems, start-up initiatives and stronger university–industry collaborations in alignment with the objectives of the National Education Policy (NEP)–2020.

The Chairman further informed that TGCHE has initiated the introduction of contemporary multidisciplinary programmes in emerging sectors such as Artificial Intelligence, FinTech, Climate Governance, Aerospace, Defence, Maritime Studies, Life Sciences, Food Technology and Semiconductor Technologies, with the objective of preparing students for the demands of the future economy.

Referring to Telangana's growing prominence as a global hub for information technology, electronics manufacturing, pharmaceuticals, biotechnology and innovation-driven enterprises, Prof. Reddy stressed the need for a workforce that is academically proficient, technologically competent and globally competitive. He observed that initiatives like Project DRONA 2.0 significantly contribute towards realizing Telangana's vision of becoming a trillion-dollar economy and a global centre for technology, innovation and knowledge.

Encouraging the graduates to pursue lifelong learning and innovation, Prof. Reddy urged them to become not only job seekers but also innovators, entrepreneurs, researchers and leaders capable of creating opportunities for others.

The Chairman congratulated the graduating students, their parents, faculty mentors and the HYSEA team on their achievements and conveyed his best wishes for their future endeavours

Chairman, TGCHE Participates in International Day of Yoga Celebrations at Brahma Kumaris, Gachibowli

Prof. V. Balakista Reddy, Chairman, TGCHE, participating as Chief Guest in the International Day of Yoga–2026 celebrations organized by Brahma Kumaris at Gachibowli, Hyderabad, on 21 June 2026.

Prof. V. Balakista Reddy, Chairman, Telangana Council of Higher Education (TGCHE), attended the **International Day of Yoga–2026 celebrations** as the **Chief Guest** at the Brahma Kumaris Centre, Gachibowli, Hyderabad, on 21 June 2026.

Addressing the gathering, Prof. Balakista Reddy emphasized the significance of yoga as a holistic practice that promotes physical well-being, mental clarity, emotional balance, and spiritual harmony. He observed that in today's fast-paced and technology-driven world, yoga serves as an effective means to manage stress, improve concentration, and foster a healthy lifestyle.

The Chairman highlighted that the National Education Policy (NEP)–2020 advocates the holistic development of learners and encourages educational institutions to integrate practices that support physical fitness, mental wellness, and value-based education. He stated that higher education institutions have a vital role in creating awareness among students about the importance of maintaining a balanced and healthy lifestyle.

Prof. Reddy appreciated the efforts of the Brahma Kumaris organization in promoting the values of peace, self-discipline, meditation, and spiritual well-being through various outreach programmes. He encouraged students and youth to adopt yoga and meditation as integral components of their daily routine to enhance their overall personality development and productivity.

The programme witnessed enthusiastic participation from members of the Brahma Kumaris, academicians, students, professionals, and yoga practitioners who collectively performed yoga and meditation sessions to mark the occasion.

The Chairman congratulated the organizers for successfully conducting the International Day of Yoga celebrations and conveyed his best wishes for their continued efforts in promoting health, harmony, and inner peace in society.

Chairman, TGCHE Attends HARI Udaan-2026 State Merit Excellence Awards

Prof. V. Balakista Reddy, Chairman, TGCHE, presenting awards and addressing students at the HARI Udaan–2026 State Merit Excellence Awards organized by the Heartfulness Academy of Research and Innovation (HARI), Deemed-to-be University, on 21 June 2026.

Prof. V. Balakista Reddy, Chairman, Telangana Council of Higher Education (TGCHE), attended the HARI Udaan–2026 State Merit Excellence Awards organized by the Heartfulness Academy of Research and Innovation (HARI), Deemed-to-be University, on 21 June 2026 as the Chief Guest.

Addressing the gathering comprising distinguished dignitaries, faculty members, awardees, parents and students, Prof. Balakista Reddy congratulated HARI for instituting the State Merit Excellence Awards to recognize merit, perseverance and academic excellence among young learners. He observed that celebrating achievement is not merely about rewarding high scores but also about nurturing aspirations, encouraging innovation and inspiring future generations to strive for excellence.

Congratulating the award recipients and their families, teachers and mentors, the Chairman remarked that every medal and certificate represents a journey marked by dedication, resilience and unwavering commitment. He emphasized that India is undergoing a transformative phase in higher education, guided by the vision of the National Education Policy (NEP)–2020, which seeks to build an education system that is holistic, multidisciplinary, flexible, skill-oriented and rooted in Indian values while remaining globally competitive.

Prof. Reddy highlighted the efforts of the Telangana Council of Higher Education in promoting academic reforms, innovation and future-oriented learning. He informed the gathering that TGCHE has introduced several contemporary undergraduate programmes in emerging domains such as Defence and Security Studies, Cyber Security and Cyber Governance, Financial Technology, International Banking and Finance, Hospital Administration and Health Management, Aviation, Maritime and Tourism Management, and Land, Agriculture and Rural Development. These programmes, he said, are designed to prepare students not only for existing employment opportunities but also for careers that are yet to emerge.

The Chairman appreciated the distinctive approach of Heartfulness education, noting that true learning transcends classrooms and laboratories and should nurture intellectual growth, emotional well-being and ethical values. Quoting Swami Vivekananda, he stated that education is the manifestation of the perfection already inherent in every individual and recalled Dr. A.P.J. Abdul Kalam's vision of education as a means to ignite young minds and transform dreams into reality.

Encouraging students to view the awards as a stepping stone rather than a destination, Prof. Reddy urged them to cultivate curiosity, courage, compassion, character and commitment to society. He observed that India's aspiration of becoming a developed nation by 2047 requires enlightened citizens, ethical leaders, innovators, scientists and entrepreneurs capable of shaping a prosperous, inclusive and sustainable future.

The Chairman complimented the leadership, faculty and staff of HARI for their efforts in promoting excellence, research, innovation and value-based education and extended his best wishes to all the awardees for a bright, meaningful and successful future.

Chairman, TGCHE Participates in Meeting on Yuva Tourism Clubs and Telangana Darshini

Prof. V. Balakista Reddy, Chairman, TGCHE, addressing the meeting on Yuva Tourism Clubs (YTC) and Telangana Darshini organized by the Department of Tourism, Youth Advancement, Tourism & Culture, Government of Telangana, at The Plaza Hotel, Begumpet, Hyderabad, on 23 June 2026.

Prof. V. Balakista Reddy, Chairman, Telangana Council of Higher Education (TGCHE), participated in the meeting on Yuva Tourism Clubs (YTC) and Telangana Darshini, organized by the Department of Tourism, Youth Advancement, Tourism & Culture, Government of Telangana, at The Plaza Hotel, Begumpet, Hyderabad, on 23rd June 2026.

Addressing the gathering, which included senior government officials, Vice-Chancellors, Principals, faculty members, students and tourism stakeholders, Prof. Balakista Reddy emphasized the vital role of tourism as a powerful instrument for education, cultural understanding, entrepreneurship, environmental awareness and sustainable development. He observed that tourism-based learning enables students to gain firsthand exposure to Telangana's rich heritage, culture, biodiversity and local communities while fostering leadership, communication skills and civic responsibility.

The Chairman noted that the Telangana Council of Higher Education views tourism as a multidisciplinary field that intersects with history, culture, geography, environment, management, technology and entrepreneurship. He stressed that universities and colleges should actively promote experiential learning opportunities that help students appreciate and preserve the State's rich cultural and historical legacy.

Highlighting the significance of Yuva Tourism Clubs, Prof. Reddy proposed the establishment of such clubs in universities and degree colleges across Telangana as platforms for student engagement and tourism awareness. He suggested that the clubs could organize heritage walks, cultural tours, eco-tourism activities, photography competitions, travel documentation projects and community-based tourism initiatives, thereby creating a statewide network of youth tourism ambassadors.

The Chairman strongly supported the integration of tourism awareness into higher education through value-added and skill-based courses covering Telangana's heritage, sustainable tourism practices, heritage conservation, responsible travel behaviour and digital tourism promotion. He stated that such initiatives would not only create awareness among students but also enhance their employability and entrepreneurial potential.

Appreciating the Telangana Darshini programme, Prof. Reddy described it as an excellent experiential learning initiative that encourages students to explore heritage monuments, archaeological sites, museums, eco-tourism destinations and cultural centres across the State. He emphasized that educational tours linked with project work, field studies and reflective learning can significantly enrich students' academic experience.

The Chairman further highlighted the immense employment and entrepreneurship opportunities available in the tourism sector and advocated stronger collaboration between educational institutions, tourism departments and industry stakeholders for training students in areas such as tour guiding, hospitality management, event management, travel technology, digital content creation and tourism entrepreneurship.

He also called upon universities to undertake research and innovation in tourism through student projects, documentation of local heritage and folklore, tourism impact studies and innovation challenges aimed at developing sustainable tourism solutions.

Referring to Telangana's diverse tourism assets, including historical monuments, spiritual centres, tribal heritage, forests, reservoirs, waterfalls and cultural traditions, Prof. Reddy observed that youth participation is essential for promoting Telangana as a major national and international tourism destination.

Reaffirming TGCHE's commitment to supporting the Department of Tourism, he assured full cooperation in expanding Yuva Tourism Clubs across higher educational institutions, encouraging student participation in Telangana Darshini programmes and promoting tourism education, research, innovation and entrepreneurship.

The Chairman concluded by urging students to become ambassadors of Telangana's culture and heritage and contribute towards building a vibrant and sustainable tourism ecosystem in the State.

Chairman, TGCHE Applauds EThames Business School's AI-Native Initiative

Chairman, Telangana Council of Higher Education (TGCHE), addressing the Special Press Meet organized by EThames Business School on the occasion of its announcement as Telangana's First AI-Native Business School

The Chairman of the Telangana Council of Higher Education (TGCHE) participated in a Special Press Meet organized by EThames Business School on 24th June 2026 to announce its transformation as Telangana's First AI-Native Business School. Addressing the gathering, the Chairman congratulated the management, faculty, students, and stakeholders of EThames Business School for taking a pioneering step towards redefining business education in the era of Artificial Intelligence.

In his address, the Chairman emphasized that Artificial Intelligence has emerged as a transformative force reshaping economies, industries, governance, and society. He observed that higher education institutions must move beyond offering standalone AI courses and instead integrate AI across curriculum design, teaching-learning processes, assessment methods, research, and industry collaborations to prepare students for the rapidly evolving global landscape.

Highlighting the vision of the National Education Policy (NEP) 2020, the Chairman stated that multidisciplinary education, innovation, critical thinking, and future-ready competencies are central to building a knowledge-driven economy. He noted that AI-enabled business education would equip students not only with management expertise but also with data literacy, technological proficiency, ethical decision-making, and leadership skills essential for the future workplace.

The Chairman further highlighted Telangana's emergence as one of India's leading innovation ecosystems, supported by its strengths in information technology, start-up incubation, digital governance, and higher education reforms. He reiterated that TGCHE has been actively encouraging universities and colleges across the State to modernize curricula, strengthen industry-academia partnerships, promote experiential learning, and align academic programmes with the requirements of the Fourth Industrial Revolution.

Appreciating the initiative of EThames Business School, he remarked that being an AI-native institution should signify not only technological advancement but also a commitment to nurturing responsible innovators and socially conscious leaders. He stressed the importance of integrating ethics, privacy, fairness, and human values into AI-enabled education to ensure that technological progress contributes positively to society.

The Chairman expressed confidence that EThames Business School's pioneering initiative would provide students with exposure to emerging technologies, interdisciplinary learning opportunities, and stronger industry engagement. He also underscored that while Artificial Intelligence can significantly enhance human capabilities, qualities such as creativity, empathy, integrity, leadership, and social responsibility remain indispensable for nation-building.

Concluding his address, the Chairman congratulated EThames Business School on its visionary initiative and expressed hope that the institution would inspire other higher education institutions in Telangana to embrace innovation with purpose. He reaffirmed TGCHE's commitment to supporting transformative educational initiatives that prepare students for India's journey towards becoming a developed nation by 2047.

Chairman, TGCHE Participates in TSLSA's 'Say No to Drugs' Online Awareness Programme

Chairman, Telangana Council of Higher Education (TGCHE), participating in the online awareness programme on "Say No to Drugs" organized by the TSLSA

The Chairman of the Telangana Council of Higher Education (TGCHE) participated in an online awareness programme on 25 June 2026, organized by the TSLSA under the slogan "Say No to Drugs." The programme aimed to create awareness among students and youth about the harmful effects of substance abuse and to promote a healthy, responsible, and drug-free society.

Addressing the participants, the Chairman expressed his sincere gratitude to the Telangana State Legal Services Authority for inviting TGCHE to be part of this significant initiative. He appreciated TSLSA for organizing such a meaningful awareness campaign and described the movement against drug abuse as a **"Yagnam"**—a collective social mission that requires the active participation of educational institutions, parents, government agencies, and society at large.

The Chairman requested students to stay away from drugs and other harmful addictions, emphasizing that youth are the nation's greatest asset and the architects of India's future. He encouraged students to channel their energy towards academics, innovation, sports, cultural activities, community service, and skill development, thereby becoming responsible citizens who contribute positively to society.

Highlighting the initiatives of TGCHE, the Chairman informed the participants that the Council has introduced Experiential Learning across undergraduate and postgraduate programmes in the State Universities to provide holistic education. He stated that experiential learning encourages students to actively engage in community service, environmental protection, health awareness, legal literacy, entrepreneurship, sports, cultural activities, and other socially relevant initiatives that foster character, leadership, and life skills alongside academic excellence.

The Chairman emphasized that education should nurture not only intellectual growth but also ethical values, social responsibility, and emotional resilience. He expressed confidence that awareness programmes such as **"Say No to Drugs"** would inspire students to make informed choices, lead healthy lifestyles, and become ambassadors of a drug-free Telangana.

He concluded by once again appreciating the TSLSA for spearheading this noble initiative and reaffirmed TGCHE's commitment to partnering with all stakeholders in creating a safe, healthy, and value-based educational environment for the youth of Telangana.

Chairman, TGCHE Participates as Chief Guest in the 7th Annual Conference of Telangana Commerce Association

Chairman, TGCHE, addressing the 7th Annual Conference of the Telangana Commerce Association as Chief Guest through online mode on the theme "Viksit Bharat 2047 – New Dimensions in Commerce and Management in the Era of AI."

The Chairman, Telangana Council of Higher Education (TGCHE), participated online as the Chief Guest in the 7th Annual Conference of the Telangana Commerce Association on the theme "Viksit Bharat 2047 – New Dimensions in Commerce and Management in the Era of AI."

Addressing the gathering, the Chairman expressed his gratitude to the Telangana Commerce Association for inviting him to be part of this significant academic event. He appreciated the Association for organizing a conference on a highly relevant theme that aligns with India's vision of becoming a developed nation by 2047.

In his inaugural address, the Chairman emphasized that teachers are the true leaders of education, playing a pivotal role in shaping future generations and driving national progress. He noted that the rapid advancement of Artificial Intelligence is transforming the fields of commerce, management, finance, entrepreneurship, and business education. Therefore, educational institutions must proactively redesign curricula, strengthen research, promote innovation, and equip students with future-ready skills.

The Chairman highlighted that TGCHE is committed to promoting outcome-based, industry-oriented, and experiential learning across higher education institutions in Telangana to prepare students for the AI-driven economy. He encouraged faculty members, researchers, and students to embrace emerging technologies while upholding ethical values, critical thinking, and human-centric learning.

He concluded by congratulating the Telangana Commerce Association for providing an excellent platform for academicians, researchers, and professionals to deliberate on the emerging dimensions of commerce and management in the age of Artificial Intelligence, and conveyed his best wishes for the grand success of the conference.

Emotional Farewell at Telangana Council of Higher Education
Grand Felicitation to Vice Chairman-II Prof. S.K. Mahmood

Grand Felicitation to Vice Chairman–II Prof. S.K. Mahmood

A farewell function was organized in honour of Prof. S.K. Mahmood, Vice Chairman – II of the Telangana Council of Higher Education, on completion of his tenure on 25.06.2026. It was an emotional moment as the authorities and the members of the staff shared their experiences about their association with the outgoing Vice Chairman – II.

Prof. V. Balakista Reddy, Chairman, TGCHE applauded Prof. Mahmood for his contribution towards the TGCHE initiatives towards ushering in reform in the Telangana Higher Education. Prof. Reddy also commended Prof. Mahmood's perseverance and unstinted commitment towards the revision of the curriculum and in the introduction of new program for the UG students.

Prof. E. Purushotham, Vice Chairman – I, recollected about his long association with Prof. Mahmood, since their stint as faculty at the Osmania University. Prof. Purushotham, hailed Prof. Mahmood's commitment towards social justice and student centric initiatives during his days as a Professor in the Osmania University. Prof. Sriram Venkatesh, Secretary, TGCHE hailed Prof. Mahmood's commitment towards initiating a culture of research and innovation. Various members of the staff thanked Prof. Mahmood for his guidance in discharging their official responsibilities.

Prof. Mahmood, thanked the Chairman and his team for their generous compliments and reiterated his commitment towards working for making Telangana a knowledge centre of the world. He expressed his satisfaction at his long journey that consists of more than three decades of teaching and holding academic leadership position. He also thanked all the member of the staff for their commitment in fulfilling the mandate of the TGCHE. The event ended with Prof. Mahmood being felicitated by the Chairman and members of the staff.

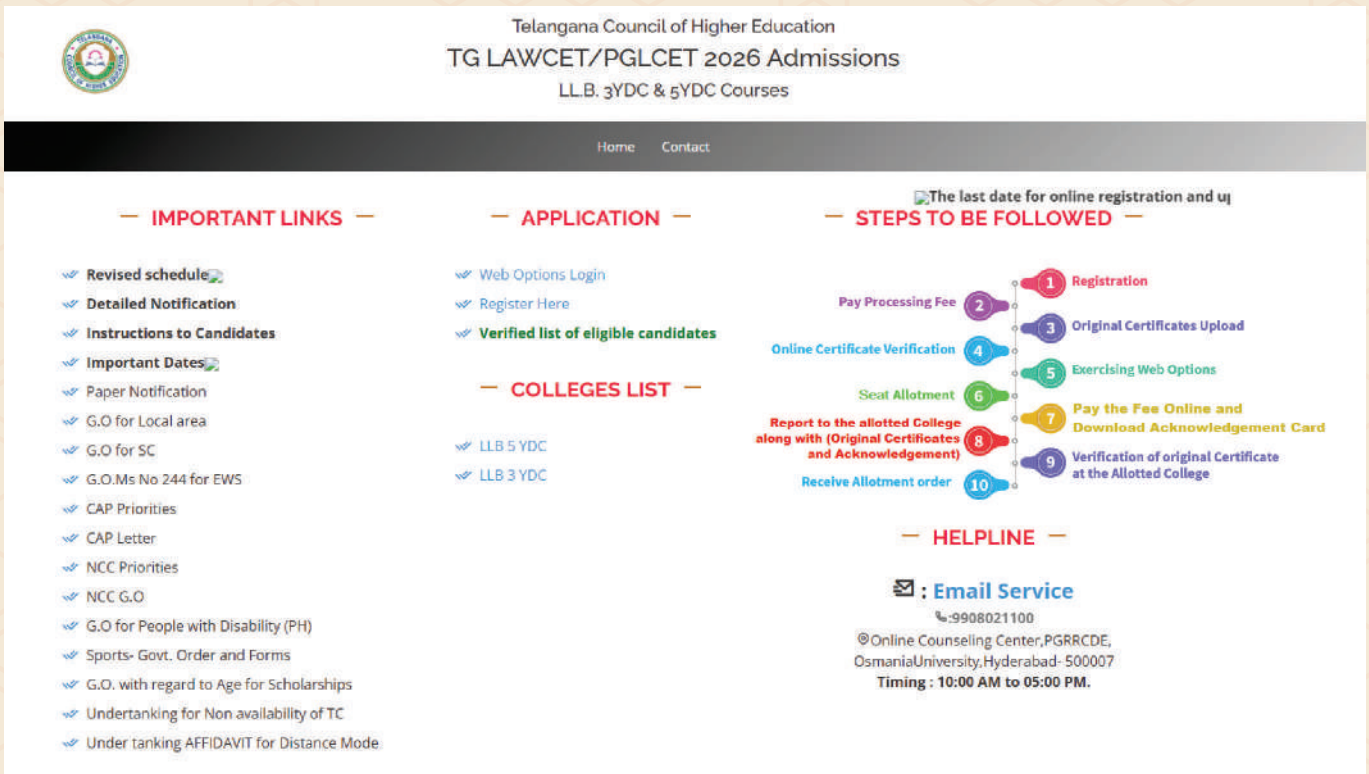

TGCHE Announces TG LAWCET & TG PGLCET 2026 Admissions Counselling Schedule

The Telangana Council of Higher Education (TGCHE) has announced the TG LAWCET & TG PGLCET–2026 Admissions Counselling Schedule for admission into 3-Year LL.B., 5-Year Integrated LL.B., and 2-Year LL.M. programmes for the academic year 2026–27 on dt.25.06.2026. The counselling schedule was finalised to facilitate a transparent, merit-based, and student-friendly admission process for law aspirants across Telangana.

As per the notification, the TG LAWCET & TG PGLCET–2026 Admissions Notification was released on 26 June 2026. The online registration, payment of processing fee, and uploading of certificates for verification for LL.B. (3-Year & 5-Year) will be conducted from 05 July to 10 July 2026, while the process for LL.M. admissions will be held from 27 July to 31 July 2026. Physical verification of special category certificates (NCC, CAP, PH, and Sports) is scheduled between 06–09 July 2026 for LL.B. candidates and 29–31 July 2026 for LL.M. candidates.

The verified list of eligible candidates for LL.B. admissions will be displayed on 15 July 2026, followed by web option entry from 16 July to 19 July 2026. The Phase-I provisional seat allotment will be published on 24 July 2026, and candidates are required to report to their allotted colleges between 25 July and 28 July 2026 for original certificate verification and completion of admission formalities. For LL.M. admissions, web options will be exercised on 01–02 August 2026, with Phase-I seat allotment on 05 August 2026, followed by reporting to colleges from 05 August to 08 August 2026.

TGCHE has advised all qualified candidates to adhere strictly to the counselling schedule and complete each stage of the admission process within the stipulated timelines. The Council reiterated its commitment to ensuring a transparent, technology-enabled, and student-centric counselling process for professional legal education in Telangana. Candidates were also advised to regularly visit the official admissions portal for updates and detailed counselling guidelines.

DOST 2026 Phase-III Seat Allotment

The Telangana Council of Higher Education (TGCHE), in association with the Commissioner of Collegiate Education (CCE), announced the Phase-III Seat Allotment Results under the Degree Online Services, Telangana (DOST) 2026 on 25th June 2026. The results were declared by Prof. V. Balakista Reddy, Chairman, TGCHE & Convener, DOST, along with Smt. A. Sridevasena, I.A.S., Commissioner of Collegiate Education & SPD-RUSA, marking another significant milestone in ensuring transparent, technology-driven, and student-centric admissions into undergraduate programmes across Telangana.

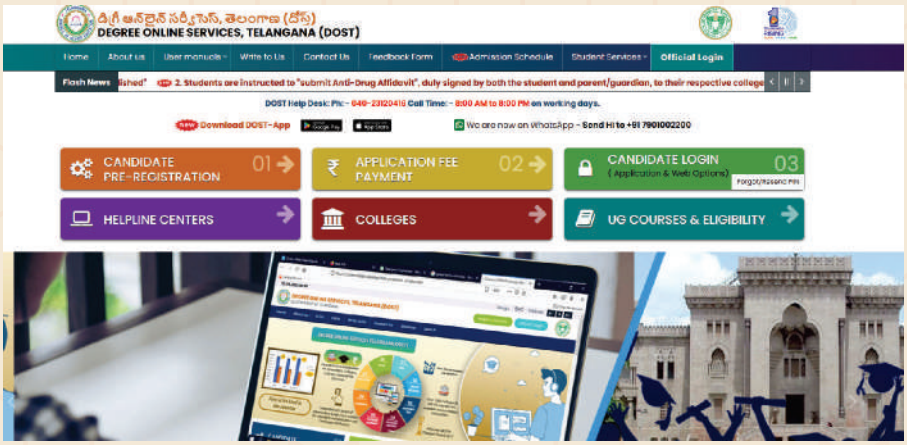

The Phase-III seat allotment witnessed an encouraging response from students across the State. A total of 93,516 candidates were allotted seats in undergraduate programmes, including 14,019 candidates who secured seats through better-choice options. Among the allotted candidates, 65,466 students received admission in their first preference, while 28,050 candidates secured seats in their second or subsequent preferences. A total of 13,768 candidates, despite exercising web options, could not secure allotments due to limited choice of options exercised during counselling.

The admissions process also reflected the extensive use of digital platforms. 90,652 fresh candidates registered during Phase-III through multiple authentication mechanisms, including 86,017 through Aadhaar-linked Mobile OTP, 4,291 through the DOST Mobile App, and 344 through MeeSeva Biometric Authentication. Overall, 1,07,284 candidates exercised web options during Phase-III, including candidates from earlier phases seeking better-choice allotments.

Faculty-wise seat allotments demonstrated the strong demand across academic disciplines. Commerce emerged as the most preferred stream with 37,510 admissions, followed by Physical Sciences (21,942), Arts (17,245), Life Sciences (16,751), and Other Programmes (68), bringing the total Phase-III allotments to 93,516 seats.

Candidates allotted seats have been informed through SMS, the DOST Candidate Login Portal, and WhatsApp services. Students are required to complete Online Self-Reporting between 26 June and 02 July 2026 by paying the prescribed seat reservation fee wherever applicable. Those provisionally eligible for ePASS Fee Reimbursement in Government Degree Colleges and University Colleges are exempted from payment during self-reporting, subject to verification of eligibility. Candidates must subsequently report to their allotted colleges between 27 June and 04 July 2026 with the College Confirmation OTP (CCOTP) and original certificates to complete the admission process.

Speaking on the occasion, Prof. V. Balakista Reddy reiterated TGCHE's commitment to ensuring transparent, merit-based, technology-enabled, and inclusive admissions, enabling thousands of students across Telangana to access quality higher education through the DOST platform.

Chairman, TGCHE Advocates University Townships as Catalysts for Innovation and Regional Development at NIT Warangal Stakeholders' Meeting

Chairman, TGCHE, addressing the Stakeholders' Meeting on "University Townships in India" organized by NIT Warangal

The Chairman of the Telangana Council of Higher Education (TGCHE) participated in the Stakeholders' Meeting on "University Townships in India", organized by the National Institute of Technology (NIT) Warangal on 29 June 2026. The consultation brought together senior officials from the Government of Telangana, representatives from industry, financial institutions, the Telangana State Industrial Infrastructure Corporation (TSIIC), Vice-Chancellors, academicians, policymakers, and other stakeholders to deliberate on the development of University Townships in India.

In his address, the Chairman congratulated NIT Warangal for taking the initiative to facilitate discussions on one of the most transformative concepts in higher education planning. Referring to the Union Budget 2026–27, he noted that the Government of India's proposal to establish five University Townships through a challenge-based approach represents a paradigm shift from conventional higher education campuses to integrated knowledge ecosystems that combine education, research, innovation, entrepreneurship, industry, and community development.

The Chairman emphasized that University Townships are not merely about creating additional educational infrastructure but about developing knowledge-driven cities where universities become engines of regional economic growth, technological advancement, and social transformation. Drawing upon international best practices, he cited examples such as Tsukuba Science City in Japan, Shenzhen University Town in China, and Singapore's one-north innovation ecosystem, highlighting how integrated planning, institutional collaboration, research infrastructure, and strong industry partnerships have contributed to their global success.

Highlighting Telangana's strengths, the Chairman observed that the State is uniquely positioned to contribute to this national initiative owing to its thriving ecosystem in information technology, pharmaceuticals, biotechnology, aerospace, advanced manufacturing, and clean energy. He pointed out that Hyderabad has already established itself as a global innovation hub through institutions such as T-Hub, WE-Hub, Genome Valley, and the Medical Devices Park. He also underlined Warangal's growing importance as a regional knowledge and innovation corridor,

supported by premier institutions including NIT Warangal, Kakatiya University, Kaloji Narayana Rao University of Health Sciences, and several engineering and professional colleges.

The Chairman reiterated TGCHE's commitment to transforming higher education into a dynamic driver of economic and societal progress. He stated that the concept of University Townships aligns closely with the Council's vision of promoting multidisciplinary education, industry-integrated curricula, innovation and startup ecosystems, international collaborations, sustainable campus development, and enhanced employability through experiential learning and entrepreneurship.

He further stressed that the long-term success of University Townships would depend on three critical pillars: effective governance, world-class infrastructure, and strong collaboration. He advocated the establishment of professionally managed Special Purpose Vehicles (SPVs) with representation from government, academia, industry, and financial institutions to ensure continuity and efficient implementation. He also emphasized the importance of sustainable infrastructure, digital connectivity, and active industry participation in curriculum development, collaborative research, internships, mentoring, incubation, and innovation.

Assuring TGCHE's full support, the Chairman stated that the Council would facilitate consultations among universities, encourage multidisciplinary participation, support policy development, and contribute to building a future-ready higher education ecosystem. He concluded by expressing confidence that well-planned University Townships would evolve into vibrant centres of learning, research, innovation, and entrepreneurship, significantly contributing to the vision of Viksit Bharat @ 2047 and positioning India as a global leader in higher education, research, and innovation.

Chairman, TGCHE Emphasizes the Role of Statistics in Nation Building at Mahalanobis Birth Anniversary Seminar at Kakatiya University

Chairman, TGCHE, addressing the seminar organized by the Department of Statistics, Kakatiya University, on the birth anniversary of Prof. P.C. Mahalanobis, highlighting the vital role of statistics in evidence-based policymaking, governance, and national development.

The Chairman of the Telangana Council of Higher Education (TGCHE) participated as the Chief Guest in a seminar organized by the Department of Statistics, Kakatiya University, on the occasion of the Birth Anniversary of Prof. Prasanta Chandra Mahalanobis, the pioneer of modern statistics in India. The seminar was held at the Statistics Department Seminar Hall of Kakatiya University on 29.06.2026 and was attended by faculty members, researchers, students, and academicians.

Addressing the gathering, the Chairman highlighted the invaluable contributions of Prof. P.C. Mahalanobis to India's planning process and statistical system. He remarked that statistics are not merely a collection of numbers, but a powerful instrument for evidence-based policymaking, effective governance, and national development. Reliable statistical data, he noted, forms the foundation for designing public policies, implementing welfare programmes, monitoring developmental outcomes, and ensuring transparency and accountability in governance.

The Chairman observed that Mahalanobis' scientific vision and pioneering work continue to guide India's planning and decision-making processes even today. He emphasized that in the era of Artificial Intelligence, Big Data, and data-driven governance, the importance of statistics has grown significantly, making it an indispensable discipline for research, innovation, and public administration.

He encouraged students and researchers to develop strong analytical and quantitative skills and to contribute to solving real-world challenges through statistical research and data science. He also underscored the need for higher education institutions to strengthen interdisciplinary learning by integrating statistics with emerging fields such as Artificial Intelligence, Machine Learning, Data Analytics, Economics, Public Policy, and Business Intelligence.

The Chairman appreciated the Department of Statistics, Kakatiya University, for organizing the seminar to commemorate the legacy of Prof. P.C. Mahalanobis and for creating awareness among students about the significance of statistical science in nation-building.

Speaking on the occasion, Prof. V. Ramachandram, Registrar, Kakatiya University, emphasized that statistics has become an essential component of modern education and an indispensable tool across disciplines. Several academicians, including B. Venkata Reddy, Officer on Special Duty (OSD), Prof. Istari, Dean of Student Affairs, Prof. J. Srinivas, Head, Department of Statistics, and Prof. Rajendra Prasad, Retired Professor of Statistics, also addressed the gathering and highlighted the enduring relevance of Mahalanobis' contributions to statistical science and national development.

The seminar concluded with an engaging interaction between faculty members and students, reaffirming the importance of statistical literacy, research, and evidence-based decision-making in achieving the vision of Viksit Bharat @ 2047.

Inaugurates Orientation Programme on New UG and PG Courses at Masterji Degree & PG College, Warangal

Chairman, TGCHE, inaugurating the Orientation Programme on the newly introduced UG and PG courses for the academic year 2026–27 at Masterji Degree & PG College, Warangal

The Chairman of the Telangana Council of Higher Education (TGCHE) inaugurated the Orientation Programme on the newly introduced Undergraduate (UG) and Postgraduate (PG) courses for the academic year 2026–27 at Masterji Degree & PG College, Warangal on 29.06.2026. The programme was attended by the college management, faculty members, students, parents, and distinguished guests.

Addressing the gathering, the Chairman emphasized that higher education in Telangana is undergoing a significant transformation with the introduction of innovative and multidisciplinary academic programmes aligned with the National Education Policy (NEP) 2020 and the emerging requirements of industry. He stated that the newly introduced courses have been carefully designed to equip students with the knowledge, skills, and competencies required to succeed in a rapidly evolving global economy.

The Chairman highlighted that the Telangana Council of Higher Education has been introducing future-oriented and industry-relevant programmes to ensure that students are prepared for careers in emerging sectors. He stressed that institutions should move beyond conventional teaching methods and focus on experiential learning, skill development, internships, innovation, entrepreneurship, and digital competencies to enhance students' employability.

He further observed that today's graduates must possess not only academic excellence but also practical exposure, communication skills, critical thinking, leadership qualities, and adaptability. Referring to the increasing impact of Artificial Intelligence and technological advancements across all sectors, he urged students to embrace lifelong learning and continuously upgrade their skills to remain competitive in the global workforce.

Encouraging students to make the best use of the opportunities available, the Chairman advised them to pursue higher education with dedication and a spirit of innovation. He emphasized that quality education should empower young people to become responsible citizens, ethical professionals, entrepreneurs, and leaders capable of contributing to the nation's development.

The Chairman appreciated the management of Masterji Degree & PG College for organizing the orientation programme and for introducing new academic programmes that respond to the changing needs of society and industry. He expressed confidence that the institution would continue to play a significant role in nurturing talented graduates and contributing to the advancement of higher education in Telangana.

The programme concluded with an interactive session with students and faculty, reaffirming the shared commitment of educational institutions and TGCHE to promote quality, innovation, and student-centric learning in line with the vision of Viksit Bharat @ 2047.

Chairman, TGCHE Visits SC/ST Hostel at Jangaon and Interacts with Students

Prof. V. Balakista Reddy, Chairman, Telangana Council of Higher Education (TGCHE), interacting with students during his visit to the SC/ST Hostel at Jangaon on 29 June 2026

Prof. V. Balakista Reddy, Chairman, Telangana Council of Higher Education (TGCHE), visited the SC/ST Hostel at Jangaon on 29 June 2026 and held an interactive session with the resident students to understand their academic aspirations, challenges, and career goals.

During the interaction, the Chairman encouraged the students to pursue higher education with dedication, confidence, and determination. He emphasized that education is the most powerful instrument for social transformation and economic empowerment, urging students to make the best use of the opportunities provided by the Government of Telangana and TGCHE.

Prof. Reddy highlighted the various reforms and student-centric initiatives undertaken by TGCHE, including the introduction of experiential learning, skill development, industry-oriented education, and career guidance programmes aimed at enhancing employability and preparing students for global opportunities.

The Chairman also advised the students to cultivate leadership qualities, communication skills, digital literacy, and a spirit of innovation to succeed in an increasingly competitive world. He encouraged them to remain focused on their academic goals while actively participating in extracurricular and community engagement activities for holistic personality development.

The students enthusiastically interacted with the Chairman, sharing their aspirations and seeking guidance on higher education, scholarships, competitive examinations, and career opportunities. Prof. Reddy appreciated their enthusiasm and assured them that TGCHE remains committed to creating an inclusive, equitable, and quality higher education ecosystem that empowers every student to achieve academic excellence and contribute meaningfully to society.

Chairman, TGCHE Participates in Online Meeting on Revision of Law Curriculum

Chairman, TGCHE, participating in an online meeting with the Chairman, Board of Studies, Dean, Faculty of Law, Osmania University, and law subject experts from various universities to discuss the revision of the Law curriculum.

The Chairman of the Telangana Council of Higher Education (TGCHE) participated in **an online meeting** on **30 June 2026** with the **Chairman, Board of Studies (CBOS), Dean, Faculty of Law, Osmania University,** and subject experts from various universities across Telangana to deliberate on the revision and modernization of the Law curriculum.

The meeting focused on developing a contemporary, outcome-based, and multidisciplinary curriculum that aligns with the **National Education Policy (NEP)** 2020, emerging legal challenges, and the evolving needs of the legal profession. The experts exchanged views on incorporating new and relevant areas of law to ensure that graduates are equipped with the knowledge and competencies required in the rapidly changing legal landscape.

During the deliberations, the Chairman, TGCHE, emphasized the need to integrate **Artificial Intelligence (AI)** and other emerging technologies into legal education. He suggested that AI-related concepts, including the legal and ethical dimensions of Artificial Intelligence, digital governance, cyber law, data protection, legal technology, and AI-assisted legal research, should be progressively incorporated into the Law curriculum. He observed that the legal profession is undergoing significant transformation due to technological advancements, making it imperative for future lawyers to acquire digital competencies alongside a strong foundation in legal principles.

The Chairman further highlighted that curriculum revision should promote **experiential learning,** practical legal training, internships, clinical legal education, research, critical thinking, and interdisciplinary learning to enhance the employability and professional competence of law graduates. He stressed that higher education institutions must prepare students to address emerging legal issues in technology, innovation, intellectual property, cybersecurity, environmental sustainability, and global governance.

The participants appreciated the valuable suggestions made by the Chairman and agreed on the importance of designing a future-ready curriculum that meets national and international standards. The meeting concluded with a commitment to finalize a comprehensive and progressive Law curriculum that will strengthen legal education in Telangana and equip students to excel in an increasingly technology-driven legal ecosystem.

TGCHE finalizes B.Arch Admissions Counselling Schedule for Academic Year 2026-27

Prof. (Dr.) V. Balakista Reddy, Chairman, TGCHE, chairing the TG B.Arch Admissions Committee meeting held on 30 June 2026, during which the counselling schedule for B.Arch admissions for the academic year 2026–27 was finalized.

The **TG B.Arch Admissions Committee** convened a meeting on **30th June 2026** under the chairmanship of **Prof. (Dr.) V. Balakista Reddy, Chairman, Telangana Council of Higher Education (TGCHE),** and finalized the counselling schedule for admissions into the **Bachelor of Architecture (B.Arch.) programme** for the academic year **2026–27.**

The Committee approved the comprehensive admission calendar to ensure a transparent, efficient, and student-friendly counselling process. The **official admission notification will be released on 3 July 2026,** followed by online registration, certificate verification, web-based option entry, seat allotment, reporting to colleges, and spot admissions in a phased manner.

As per the approved schedule, **online registration and certificate uploading will be conducted from 6 July to 19 July 2026, while Phase-I counselling** will conclude with reporting to allotted colleges on **13–14 August 2026. Phase-II counselling** will be held during **19–25 August 2026,** and the **guidelines for spot admissions** will be uploaded on **29 August 2026. Class work for the B.Arch programme will commence from 1 September 2026.**

Candidates seeking admission into the B.Arch programme are advised to regularly visit the official counselling portal, https://barchadm.tgche.ac.in, for notifications, detailed schedules, eligibility criteria, and further updates.

The Telangana Council of Higher Education remains committed to conducting admissions through a transparent, technology-enabled, and merit-based counselling process, ensuring timely admissions for aspiring architecture students across the State.

ఉన్న ఈ కొత్త ఉత్పత్తి, కుటుంబ బడ్జెట్‌పై ఆదనపు భారం రుచి, మెరుగైన డిస్పింగ్ బలం మరియు అందుబాటు ధరలో ఉనికిని మరింత బలోపేతం చేయాలని లక్ష్యంగా పెట్టుకుంది.

హరి ఉదాన్–2026 ఘన విజయం

- 6 వేల మందికి పైగా విద్యార్థులు, తల్లిదండ్రుల భాగస్వామ్యం
- ఇంటర్ మెరిట్ విద్యార్థులకు గోల్డ్ మెడల్స్, స్కాలర్‌షిప్‌లు
- ప్రతిభను గౌరవిస్తూ భవిష్యత్ నాయకుల తీర్చిదిద్దడమే లక్ష్యం

జేటా పైస్స్,

హైదరాబాద్, జూన్ 23 (ఆదాబ్ హైదరాబాద్): విద్యా ప్రతిభను ప్రోత్సహిస్తూ భవిష్యత్ నాయకులను తీర్చిదిద్దాలనే లక్ష్యంతో హరి యూనివర్సిటీ అధ్వర్యంలో నిర్వహించిన "హరి ఉదాన్–2026 స్టేట్ మెరిట్ ఎక్సలెన్స్ అవార్డ్స్" కార్యక్రమం ఘన విజయాన్ని సాధించింది. కాన్హా శాంతివనంలోని హరి యూనివర్సిటీ క్యాంపస్‌లో జరిగిన ఈ కార్యక్రమానికి రాష్ట్రవ్యాప్తంగా విశేష స్పందన లభించింది. 6 వేల మందికి పైగా విద్యార్థులు, తల్లిదండ్రులు, విద్యావేత్తలు ఈ కార్యక్రమంలో భాగస్వాములయ్యారు. ఇంటర్మీడియట్‌లో అత్యుత్తమ ప్రతిభ కనబరిచిన విద్యార్థులను గుర్తించి గౌరవించేందుకు నిర్వహించిన ఈ కార్యక్రమంలో అర్హులైన విద్యార్థులకు గోల్డ్ మెడల్స్, సర్టిఫికేట్స్ ఆఫ్ ఎక్సలెన్స్, మెరిట్ ఆధారిత స్కాలర్‌షిప్ అవకాశాలు అందజేశారు. విద్యార్థుల విజయాలను మాత్రమే కాకుండా వారి భవిష్యత్ విద్యా, వృత్తి ప్రయాణాలకు దిశానిర్దేశం చేశారు. ఈ కార్యక్రమానికి తెలంగాణ కౌన్సిల్ ఆఫ్ హయ్యర్ ఎడ్యుకేషన్ ఛైర్మన్ ప్రొఫెసర్ వి. బాలకిష్టారెడ్డి ముఖ్య అతిథిగా హాజరయ్యారు. ఈ సందర్భంగా విద్యార్థులను ఉద్దేశించి మాట్లాడుతూ విద్య అనేది కేవలం ఉద్యోగం కోసం కాకుండా సమాజ నిర్మాణానికి, దేశాభివృద్ధికి ఉపయోగపడాలని పేర్కొన్నారు. విద్యార్థులు నిరంతరం నేర్చుకునే స్వభావాన్ని పెంపొందించుకోవాలని సూచించారు. జేఎన్‌టీయూహెచ్ వైస్ ఛాన్సలర్ ప్రొఫెసర్ టి. కిషన్ కుమార్ రెడ్డి మాట్లాడుతూ, సాంకేతిక రంగంలో వస్తున్న మార్పులను విద్యార్థులు నిరంతరం నేర్చుకోవాలని సూచించారు. ఆర్టిఫిషియల్ ఇంటెలిజెన్స్, డేటా సైన్స్, సైబర్ సెక్యూరిటీ వంటి రంగాల్లో అపార అవకాశాలు ఉన్నాయని, ప్రపంచ స్థాయి నైపుణ్యాలను అలవరచుకుంటే భారత యువత ప్రపంచాన్ని నడిపించే స్థాయికి చేరుకుంటుందని తెలిపారు. సీబీఐటీ ప్రొఫెసర్, డీన్ డాక్టర్ ఎన్.ఎల్.ఎన్. రెడ్డి మాట్లాడుతూ, మార్కులు విజయానికి తొలి మెట్టు మాత్రమేనని, నిజమైన విజయం జీవితాంతం నేర్చుకుంటూ ముందుకు సాగడంలో ఉందన్నారు. విద్యార్థులు సాంకేతిక పరిజ్ఞానంతో పాటు విలువలను కూడా అలవరచుకోవాలని సూచించారు. సీబీఐటీ ప్రిన్సిపాల్ డాక్టర్ సి.వి నరసింహులు విద్యార్థులను అభినందించారు. ఉన్నత విద్యలో అవకాశాలను సద్వినియోగం చేసుకోవాలని సూచించారు. ప్రపంచ స్థాయి పోటీతత్వాన్ని ఎదుర్కోవడానికి విద్యార్థులు సృజనాత్మకత, నాయకత్వ లక్షణాలు, పరిశోధనా దృక్పథాన్ని పెంపొందించుకోవాలని పేర్కొన్నారు. హరి యూనివర్సిటీ ప్రో వైస్ ఛాన్సలర్ డాక్టర్ నర్సిరెడ్డి మల్లిరెడ్డి మాట్లాడుతూ, "హరి ఉదాన్" కేవలం అవార్డుల కార్యక్రమం కాదని, ప్రతిభను గుర్తించి ప్రోత్సహించే ఉద్యమమని పేర్కొన్నారు. ఈ కార్యక్రమ విజయానికి స్టడీ9 నెట్‌వర్క్ డిజిటల్ కనెక్ట్, సూపర్ ఏఐ అకాడమీ భాగస్వాములుగా వ్యవహరించాయి. స్టడీ9 నెట్‌వర్క్ వ్యవస్థాపకులు భూపెల్లి మహేష్, సూపర్ ఏఐ అకాడమీ, డిజిటల్ కనెక్ట్ వ్యవస్థాపకులు నికీలు గుండా కార్యక్రమంలో పాల్గొని విద్యార్థులను అభినందించారు.

డిగ్రీ, పీజీలో ఇక ఫీల్డ్ వర్క్ తప్పనిసరి

(మొదటి పేజీ తరువాయి)

రాష్ట్రంలోని డిగ్రీ, పీజీకోర్సుల్లో ప్రస్తుత పరిస్థితులు సమాజ మార్పెట్ అవసరాలకు తగ్గట్టుగా లేవనే విమర్శలు ఉన్నాయి. ఈ గ్యాప్‌ను పూడ్చడంకోసం ఎక్స్‌పీరియన్షియల్ లెర్నింగ్ ప్రోగ్రామ్స్‌ను విద్యాశాఖ ప్రవేశపెట్టింది. విద్యార్థుల చదువుతున్న సబ్జెక్టులను సమాజంలోని సమస్యలతో అనుసంధానం చేయడం దీని ప్రధాన లక్ష్యమని అధికారులు చెప్పారు. సెమిస్టర్ సిస్టమ్‌లోనూ మార్పులు చేయనున్నారు. ఇప్పటివరకు ఏడాదిలో రెండు సెమిస్టర్లు ఉండగా, ఇకపై ఏడాదిలో మూడు సెమిస్టర్లు ఉంటాయి. ఒక్కో సెమిస్టర్‌లో 90 పనిదినాలు ఉండేలా చర్యలు తీసుకోనున్నారు. ఈ మేరకు ఉన్నత విద్యామండలి ఈ మార్పులకు ఆమోదం తెలిపింది. ఈ విధానాన్ని ఈ విద్యాసంవత్సరం నుంచే అమలు చేయాలని ఉన్నత విద్యామండలి భావిస్తోంది. ఇప్పటికే ఈ విధానంపై అధ్యయనం చేసేందుకు ఒక ఎక్స్‌పీరియన్షియల్ లెర్నింగ్ సెల్‌ను ఏర్పాటు చేయనున్నారు. దీనికి ఒక సీనియర్ ప్రొఫెసర్ నోడల్ ఆఫీసర్‌గా వ్యవహరిస్తారు. డిసిప్లినరీ స్థాయిలో కోఆర్డినేటర్లు ఉంటారు. ప్రతి విద్యార్థికి ఒక ప్రొఫెసర్ మెంటార్‌తోపాటు క్షేత్రస్థాయిలో పాడుపని చేసేందుకు నుంచి ఒక సూపర్ వైజర్ ఉంటారు. వీరు విద్యార్థి పనితీరును ఎప్పటికప్పుడు గమనిస్తూ గైడ్ చేస్తారు. ఈ విధానంలో సంవత్సరాంతంగా ఉండే రాత పరీక్షలు

ఉండవు. విద్యార్థి క్షేత్రస్థాయిలో నేర్చుకున్న అంశాలను రిఫ్లెక్షివ్ రిపోర్ట్ (అనుభవాల పైదీ) రూపంలో రాయాల్సి ఉంటుంది. చేసిన పనికి సంబంధించిన ఫొటోలు, ఇతర వీడియోలతో ఒక డిజిటల్ పోర్ట్‌ఫోలియో సిద్ధం చేయాలి. దీన్ని వైవా ప్రశ్నోచేవన్ ఆధారంగా ఫ్యాకల్టీ కమిటీ మార్కులు ఇవ్వనుంది. ఇదిట్టుకోలేయాసైతం. త్వరలోనే యూనివర్సిటీలవారీగా ఫ్యాకల్టీకి శిక్షణా కార్యక్రమాలు నిర్వహించి, అకడమిక్ కాలెండర్‌లో దీనికి తగిన సవరణలు చేయనున్నారు.

సొసైటీకి కనెక్ట్ చేసేందుకే

విద్యార్థులకు సొసైటీకి కనెక్ట్ చేసేందుకు ఈ విధానం తీసుకొస్తున్నాం. డిగ్రీ స్థాయిలో వెంటనే ఉద్యోగం పొందడంతో ఉన్నత విద్యకొనసాగించడానికి విద్యార్థులు ఎదుర్కొంటున్న ఇబ్బందులను ఈ విధానం తొలగిస్తుంది. పరిశ్రమల అవసరాలకు తగ్గట్టు ప్రాక్టికల్ నాలెడ్జ్ ఉండటంతో ఉన్నత విద్యకూడా మెరుగవుతుంది. రిసెర్చ్, మేనేజ్‌మెంట్ విద్యార్థులే కాకుండా ఆర్ట్స్, సైన్స్, స్టూడెంట్లకు కూడా ఇది ఎంతో మేలు చేస్తుంది. రిగ్యులర్ పాఠాలకు డిగ్రీ కాకుండా దీన్ని రుణం చేస్తాం. అకాడెమ్ చెందిన వేళ్లో ఉపాధావకాశాలు ప్రాధాన్యత ఉంది.

- ప్రొఫెసర్ బాలకిష్టారెడ్డి, టీజీసీహెచ్ఈ ఛైర్మన్
